PRELIMINARY STATEMENT

I. TERRITORY SERVED - SERVICE RENDERED - RATES - RULES

Verizon California Inc., designated Utility number Cal. P.U.C. U-1002C, hereafter referred to as the "Utility," furnishes exchange telephone service, toll telephone service and private line service and channels throughout the territory served by it, as shown in its schedules, which includes a description of the service furnished, and maps as filed. Verizon California Inc. adopts all tariff references in effect at the time of its name change on August 1, 2000, under the name "GTE California Incorporated" until such time those tariff references are revised by Verizon California Inc. (T)

Connection for toll telephone service is maintained with the lines of connecting companies, whereby the toll service of such companies is made available to customers and patrons of the Utility at the regular published rates of the toll companies.

The rates and rules contained in these schedules have been regularly filed with the Public Utilities Commission of the State of California, and are the effective rates and rules of the Utility.

No officer, solicitor, agent or employee of the Utility has any authority to waive, alter or amend in any respect these rates and rules or any part thereof or to make any agreements inconsistent therewith.

The rates and rules herein set forth are subject at all times to addition, change or abolition after proceedings duly had by the Public Utilities Commission of the State of California, and changes in the rates and rules herein set forth must first be approved or accepted by the Public Utilities Commission of the State of California before they become effective.

Special Note:

Rates, charges and conditions shown herein include all network facilities on the Utility's side of the Local Loop Demarcation Point (LLDP) as defined in Tariff Schedule A-9. The purpose of the LLDP is to separate responsibility of the Utility from the responsibility of the building owner/customer. Exceptions to the demarcation point are shown in Tariff Schedule A-9 "Demarcation Point". Rates, charges and conditions are work functions performed on the customer's side of the LLDP.

II. ACQUISITION OF TARIFF SCHEDULES OR DETARIFFED PRODUCT GUIDES

a. TARIFF SCHEDULES. Hard copies of effective Schedules of the Utility which have been approved by the California Public Utilities Commission may be obtained at a charge by writing:

Tariff Administration
Verizon California Inc.
2535 W. Hillcrest Drive (T)
Newbury Park, CA 91320 (T)
CA501GC

Downloadable copies of the effective Schedules of the Utility which have been approved by the California Public Utilities Commission may be obtained at no charge at the following website:

www.verizon.com/tariffs
under the column heading "Effective Tariffs"

b. DETARIFFED PRODUCT GUIDES. Services formerly tariffed in this schedule and now offered on a detariffed basis pursuant to PUC Decision No. 07-09-018, are located in the Verizon Product Guide, available at the following web site:

www.verizon.com/tariffs
under the column heading "Product Guide" or "Non Tariffed Documents"

III. BASIC AND OPTIONAL SERVICE CHOICES

For details of rates, charges, terms, conditions and description of service, see the schedules listed below. These services can be added, changed or canceled at anytime by calling the following: [or online at www.verizon.com].

Residential services 1-800-483-4000
Business services 1-800-483-5000
