SHARED SYSTEM LISTING SERVICE

SPECIAL CONDITIONS

1. Shared System Listing service is an arrangement whereby an individual, firm, corporation or association shares in the use of a customer's telephone service.

2. The rate for a Shared System Listing includes a listing in the alphabetical and classified directories, and applies in addition to rates and charges for other service provided.

3. Shared System Listing service will be billed to the customer of the Utility.

4. Shared System Listing service will be provided when an application is made by the customer and any one of the following conditions exists.

   a. Application is for the use of the customer's service by an individual, firm, company or association doing business under a separate name and occupying jointly, or in part, the premises on which the customer's primary or off premises service is located.

   b. Application is for the use of the customer's service for another business publicly conducted by the customer and differing in character and in name from the business for which the facilities are furnished.

   c. Application is for service to be furnished over the facilities utilized in furnishing service to the customer, in the name of another individual, firm, company, corporation, or association represented by the customer and the use of the name to be listed is authorized by the owner of the name.

SHARED SYSTEM LISTING SERVICE

SPECIAL CONDITIONS - Continued

5. Signatures of the customer of the Utility and the Shared System Listing applicant sharing the service are required to establish a Shared System Listing.

6. The minimum charge for Shared System Listing service shall be the monthly rate. If the listing is included in the telephone directory, the charge will continue until the end of the directory period unless:

   - The person(s) sharing the service vacates the customer's premises;

   - The customer's service is discontinued;

   - If, for a business, the business for which the listing service is provided is discontinued at the customer's premises.

7. The Shared System Listing may carry the same telephone number listed for the customer, or; when separate lines, trunks or groups of lines in rotary sequence, or station lines of a Centrex, DID, or EBSS system are assigned, these numbers may be contained in the listing.

8. Special conditions as set forth in Schedule D-1 are applicable to Shared System Listing service unless otherwise specified herein.
