FOREIGN EXCHANGE SERVICE

APPLICABILITY

Applicable to business and residence primary foreign exchange service, and to business private branch exchange station lines, business extension lines, Airport Intercommunicating stations of Pacific Company, EBSS/Centrex station lines located in exchanges of the utility or a connecting utility other than those serving the primary service when such primary service is in an exchange of the utility. A rate for an individual line, flat or measured rate service does not include a telephone set with the line.

Foreign Exchange Service in connection with an interstate private line is now offered under Switched Access in GTOC FCC-1, Facilities for Interstate Access.

TERRITORY

Within all exchange areas, as said areas are defined on maps filed as part of the tariff schedules.

ZUM EXPANSION WAIVER (N)

In accordance with CPUC Decision 90-06-016 effective December 10, 1990, GTEC will bill rates which were in effect prior to the Decision for distance-sensitive private line-like services rate elements and secretarial lines which are affected boundary reconfigurations associated with ZUM expansion and are in-service prior to the implementation date of December 10, 1990. This deviation will be in effect for a maximum of 2 years from the effective date of Advice

Changes which will void this deviation prior to the expiration date are:

1) number changes,
2) TAS and Alarm Company name changes,
3) CPUC ordered rate structure changes or adjustments to rate elements, and
4) any changes other than those listed above which physically changes the service.

The deviation will affect customers who subscribe to intraexchange/ interexchange private line-like or secretarial line services in the following exchanges:

Calimesa, Camarillo, Conejo, El Rio, Elsinore, Hemet, Lakeview-Nuevo, Marshall, Mentone, Moreno, Murrieta, Newbury Park, Oxnard, Perris, Point Mugu, Redlands, San Bernardino, San Fernando, Somis, Sun City, Temecula, and Thousand Oaks. (N)
