PUBLIC TELEPHONE SERVICE [1]

III. SPECIAL CONDITIONS

A. General

1. Public Telephone Service may be provided by the Utility only within areas of exchanges defined by maps filed as part of the Utility's tariff schedule. (T)(L)

2. Public Telephone Services, which are not classified as "Public Policy Pay Phone" services, will be provided at locations determined by the Utility. Public Policy Pay Phone Services will be placed by the Utility at the direction of the committee established by the CPUC to evaluate applications for Public Policy Pay Phone Service. The committee's term will be a one year period from the effective date of this tariff. (T)(L) (T)(N)

3. Public Telephone Service includes...

   a. access to a local exchange carrier (LEC) operator for zero-minus (0-) dialed calls,

   b. 950-XXXX calling at no charge to the calling party,

   c. 800-XXX-XXXX calling at no charge to the calling party,

   d. 10XXXX dialing, if conditions defined in D.90-06-018 exist,

   e. coin free 911 calling, for emergency services, at no charge to the calling party,

   f. coin free 611 calling, for the Utility's repair service at no charge to the calling party,

   g. coin-free 411 calling, for local directory assistance, at no charge to the calling party,

   h. sent-paid intraLATA calling and access to interLATA calling,

   i. non-sent-paid calling, (N)

(L) Material previously shown in different form on 7th Revised Sheet 1

[1] Withdrawn in Advice Letter No. 8353 effective April 15, 1997.

Continued

PUBLIC TELEPHONE SERVICE [1]

III. SPECIAL CONDITIONS - Continued

A. 3. - Continued

j. coin return for uncompleted sent-paid calling,

k. access to intrastate interLATA directory assistance at AT&T rates,

l. coin-free access to interLATA and intraLATA 0+calling,

m. quotations of charges for operator services (provided at request of calling party), and

n. billing for a non-sent-paid call within 150 days of the date of the non-sent-paid call.

4. Telephone numbers of public telephones will not be published.

5. Telephone booths are furnished at the option of the Utility.

6. The local sent-paid calling rates are applicable to calls originating and terminating within the local calling area in which the public telephone is located. California Relay Service (CRS) local coin sent-paid calls are provided free of charge. (C) (C)

7. Telephone calls made from public telephones will be charged in accordance with filed tariffs.

8. Requirements by type of pay phone for access to sent-paid and non-sent-paid calling and local, intraLATA toll, and interLATA calling are set forth under Schedule Cal. P.U.C. No. A-27, III.A., Special Condition 24.
