SURCHARGE TO FUND CALIFORNIA HIGH COST FUND

I. General

A. Applicability

These surcharges are for the purpose of funding the California High Cost Fund and apply to the customer billing section identified in the Rates section of this tariff.

B. Territory

Within the exchange areas of all exchanges as these areas are defined on Maps filed as part of the tariff schedules.

II. California High Cost Fund A

The California High Cost Fund A is a fund established by the Commission to ensure that customers in areas served by small and mid-sized LECs have access to telephone services at reasonable rates.

Pursuant to Resolution T-16901, all telecommunications carriers are required to apply CPUC mandated Public Program surcharges to the rates for all end user intrastate services except: (C)

a. ULTS access lines, installation, billing and local calls under the ULTS allowance
b. charges to other certificated carriers for services that are to be resold
c. coin sent paid telephone calls (coin in box) and debit card calls
d. customer specific contracts existing on or prior to 9/15/94
e. usage charges for coin-operated pay telephones
f. directory advertising
g. one-way radio paging

For a list of the Public Program surcharges and the amounts, refer to the Pacific Bell (d.b.a. SBC California) tariffs. (C)
