Resolution No.

UNIVERSAL SERVICE FUNDING OFFSET SURCREDIT

I. General

A. Applicability

This surcredit is for the purpose of offsetting the subsidy provided by the California High Cost Fund and applies to the customer billing section identified in II, Rates, below.

B. Territory

Within the exchange areas of all exchanges as these areas are defined on Maps filed as part of the tariff schedules.

C. Description

This surcredit is intended to provide funding for the subsidies received for Residential Service from the California High Cost Fund as set forth in D.96-10-066.

II. Rates

A permanent surcredit of 0.85% is applied to all recurring and nonrecurring rates and charges for services except: (I)

- residential basic service
- coin-sent paid calling
- debit card messages
- one-way radio paging
- COPT usage
- contracts existing on or prior to 9/15/94
- ULTS Access lines, installation, billing, and local calls under this ULTS allowance
- directory advertising

If the CHCF-B were ever terminated, Verizon will (1) continue to draw subsidies from the CHCF-B for three months after termination of the Fund; and (2) maintain the surcredit for three months after the termination of the Fund.
