F. DISCOUNT CALLING PLAN SIX

1. BUSINESS

(a) Monthly Recurring Charges = $0.00 per main billing number.

(b) Service Order Charges will be applied as set forth in Schedule Cal. P.U.C. No. A-41.

(c) Each directly dialed call is completed on the basis of six second increments with a minimum billing of 18 seconds per message. For all messages, a fraction of a six second increment is rounded up to the next six second increment. DCP Six is limited to customers with greater than 10,000 minutes of use per month.

(d) Usage Charges: Usage charges for Discount Calling Plan Six are designed to provide a flat rate per minute of use.[1]

Rates: Day, Evening, Night

	Rate Mileage	Initial 1-Minute	Each Additional Minute
Day Rate	0-12	0.0970	0.0970

B. GENERAL

(1) Residence and Business customers may, for the indicated nonrecurring and monthly rates as shown in this Section, receive a discount on select intraLATA message toll charges.

(2) The service provides an alternate rate treatment for Message Toll Telephone Service calls to exchanges within the customer's designated LATA.

(3) The service is offered with discounted call detail.

(4) Verizon IntraLATA Toll Service is authorized by Decision 94-09-065 as a flexibly priced service. The rates and applicable service charges may be increased (not to exceed the ceiling on file with the Commission) by the Utility upon at least 30 days notice to the CPUC and affected customers. As authorized by Decision 96-03-020, rates may be decreased (not below the rate floor on file with the Commission) by the Utility upon 5 days notice to the CPUC. (T) (C) (C)

(5) Adjustments in rates, including tiers and thresholds, as a result of flexible pricing described in 4 preceding become effective the first bill date after the effective date of the rate change.

(6) In Discount Calling Plan Six, each individually directly dialed call is completed on the basis of six second increments with a minimum billing of 18 seconds per message. For all messages, a fraction of a six second increment is rounded up to the next six second increment.
