ZONE USAGE MEASUREMENT SERVICE

ZUM EXPANSION WAIVER

In accordance with CPUC Decision 90-06-016 effective December 10, 1990. GTE will bill rates which were in effect prior to the Decision for distance-sensitive private line-like service rate elements and secretarial lines which are affected by boundary reconfigurations associated with ZUM expansion and are in-service prior to the implementation date of December 10, 1990. This deviation will be in effect for a maximum of 2 years from the effective date of Advice 5284.

Changes which will void this deviation prior to the expiration date are:

(1) number changes,
(2) TAS and Alarm Company name changes,
(3) CPUC ordered rate structure changes or adjustments to rate elements, and
(4) any changes other than those listed above which physically changes the service.

The deviation will affect customers who subscribe to intraexchange/ interexchange private line private line-like services or secretarial line service in the following exchanges:

Calimesa, Camarillo, Conejo, El Rio, Elsinore, Hemet, Lakeview-Nuevo, Marshall, Mentone, Moreno, Murrieta, Newbury Park, Oxnard, Perris, Point Mugu, Redlands, San Bernardino, San Fernando, Somis, Sun City, Temecula, and Thousand Oaks.

Material omitted has been moved to Original Sheet 2.1.
