NON-FACILITIES BASED SERVICES

I. APPLICABILITY

This tariff schedule is applicable to areas in which Verizon California Inc. (Carrier) will provide Non-Facilities Based Services. These areas are as set forth in the Service Area Map section of this Tariff. (T)

Local, Toll and Access Services within this tariff are limited to customers on an Individual Case Basis (ICB).

See Schedule Cal. P.U.C. No. D&R for rules and regulations. Unless otherwise stated, all services are offered at the terms and conditions contained in Section 18 of Pacific Bell's Schedule Cal. P.U.C. No. 175-T. Applicable surcharges are as set forth in Schedule Cal. P.U.C. No. K-2. (T)

Carrier has been authorized by the California Public Utilities Commission in Decision No. 96-02-072 to operate as a reseller of local telecommunications services offered in California.

This tariff is on file with the California Public Utilities Commission.

II. DEFINITIONS

**Facilities Based Service Provider** - A provider of telecommunications services, within defined service areas, which directly own, control, operate, or manage conduits, ducts, poles, wires, cables, instruments, switches, appurtenances, or appliances in connection with or to provide local exchange communications within its defined service areas and between service areas of other local exchange providers within California. A facilities based service provider may own, control, operate, or manage conduits, ducts, poles, wires, cables, instruments, switches, appurtenances or appliances in only a part of its defined service area.

**Non-Facilities Based Resale Service Provider** - A provider of telecommunications services within defined service areas which do not directly own, control, operate, or manage conduits, ducts, poles, wires, cables, instruments, switches, appurtenances, or appliances in connection with or to provide local exchange communications within its defined service areas and between service areas of other local exchange providers within California.
