RESALE SERVICES

I. GENERAL

A. APPLICABILITY

This tariff is applicable to Resale Services provided to Resellers who have an approved Certificate of Public Convenience and Necessity (CPCN) authorizing them to operate in the State of California as outlined in D.95-07-054 and an approved tariff on file with the California Public Utilities Commission for each service ordered.

Rules and Regulations are set forth in the tariff schedules and in the Verizon California Product Guide both located at www.verizon.com/tariffs (C) (C)

(L) (L)

B. DESCRIPTION OF SERVICE

Resale Services are Company retail services that can be purchased by Competitive Local Carriers (CLCs). (C)

Verizon Resale Services must originate and terminate at an end user location and cannot originate or terminate at an Interexchange Carrier Customer Designated Location. (T)

Private Line Services are available for resale at rates set forth in Tariff Schedule Cal. P.U.C. No. C-1. (L) (D)

Verizon Voice Mail, Voice Messaging Services and Message Manager are available to end users of a CLEC when the end-user's service is provided on a resold line of Verizon. Service may be ordered by an end user or by a CLEC acting as the agent of the end user. See Product Guide Section 5 for Description, Terms, Conditions, Regulations and Rates. (L)(T) (C) (L)

Private Line Services are available for resale at rates set forth in Schedule Cal. P.U.C. No. C-1. Customer Owned Pay Telephone (COPT) Service is available for resale as set forth in Schedule Cal. P.U.C. No. K-5a.

GTE Voice Mail, Voice Messaging Services and Message Manager are available to end users of a CLEC when the end-user's service is provided on a resold line of GTE. Service may be ordered by an end user or by a CLEC acting as the agent of the end user. See Schedule Cal. P.U.C. K-1 and K-1a for Description, Terms, Conditions, Regulations and Rates. (T)

(T)

B. DESCRIPTION OF SERVICE

Resale of GTE Services is permitted for the rates and under the terms and conditions set forth in this tariff.

GTE Resale Services must originate and terminate at an end user location and cannot originate or terminate at an Interexchange Carrier Customer Designated Location.

Pending a future filing to remove all 7XXXX series Item of Service Codes (IOSCs) from the K-5 tariff, the 7XXXX series IOSCs are no longer valid for ordering of Resale Services. (N)

C. DEFINITIONS

Competitive Local Carrier (CLC) - The term CLC refers to a facilities or non facilities based telecommunications carrier that provides local exchange telecommunications services, under the terms of a CPCN granted by the State of California, within the State of California in service areas already served by an existing licensed basic local exchange carrier.

Certificate of Public Convenience and Necessity (CPCN) - A CPCN authorizes qualified applicants to provide local exchange service based on managerial qualifications, financial resources and technical competence within the State of California.

End User - An end user is any customer that is not a carrier/reseller, except that a carrier/reseller shall be deemed to be an end user of a telecommunications service when such carrier/reseller uses that service for administrative purposes.

Reseller - A reseller is a telecommunications provider with an approved CPCN that purchases service from an existing local exchange service provider and in turn offers the same service to end user customers. (N)

3. Ordering

   Orders for Resale of Verizon Services will be placed utilizing a standard Local Service Request (LSR). A complete and accurate LSR must be provided before a request can be processed. The Reseller must also provide complete and accurate end user information regarding Enhanced 911 and InterLATA Carrier of Choice. (T)

   When ordering from this tariff schedule, a Reseller must state that it holds a Certificate of Public Convenience and Necessity (CPCN) granted by the Public Utilities Commission of California as well as an approved tariff. The Reseller will be required to provide Verizon with a copy of the CPCN and the tariff upon request. (T) (T)

4. The Reseller shall specify the Verizon Service ordered. Resale of Business and Residence Service shall include, at no additional cost, a basic directory listing per line in the appropriate Verizon Directory. Non standard and additional listings will be furnished by Verizon under the rules and rates in Schedule Cal. P.U.C. No. D-1. (T) (T)

5. All charges for Verizon local exchange services, Verizon IntraLATA Toll and Operator Services, Verizon Directory Assistance and any other services offered by Verizon under tariff or contract, will be billed to the Reseller. The Reseller is responsible for billing and collecting these charges from its end users. (T) (T)

4. Ordering (L)(T)

Orders for Resale of Verizon Services will be placed utilizing a standard Local Service Request (LSR). A complete and accurate LSR must be provided before a request can be processed. The Reseller must also provide complete and accurate end user information regarding Enhanced 911 and InterLATA Carrier of Choice.

When ordering from this tariff schedule, a Reseller must state that it holds a Certificate of Public Convenience and Necessity (CPCN) granted by the Public Utilities Commission of California as well as an approved tariff. The Reseller will be required to provide Verizon with a copy of the CPCN and the tariff upon request.

5. The Reseller shall specify the Verizon Service ordered. The Reseller is responsible for billing and collecting these charges from its end users. (T)(L)

7. Local Calling Detail (T)

Provision of monthly billing to the Reseller does not include local calling detail.

8. Maintenance, Testing and Repair (T)

The Company will provide routine outside plant maintenance, testing and repair of the resold facilities. The Company will not, however, initiate a maintenance call or take action in response to a trouble report from the end user of the Reseller until such time as trouble is reported to Verizon by the Reseller. (T)

9. Customer Contact and Referral (T)

The Reseller must provide Verizon with a number for referral of the Reseller's customers. Verizon will refer to the Reseller all inquiries or other calls from the Reseller's customers. (T)

10. Timing of Messages (T)

Chargeable time begins when a connection is established between the calling station and the called station. Chargeable time ends when the calling station "hangs up", thereby releasing the network connection. If the called station "hangs up" but the calling station does not, chargeable time ends when the network connection is released by automatic timing equipment in the telephone network.

In cases where a message begins in one rate period and ends in another, the rate in effect at the time the connection is established is applicable.

12. Customers that currently have Residence Service may not use it for business purposes when it is purchased from a reseller. (T)

13. All charges for applicable surcharges and taxes mandated by the State of California, as well as the End User Common Line (EUCL) charge from Verizon Telephone Companies, Tariff FCC #16, will be billed to the Reseller. The Reseller is responsible for billing and collecting these charges from its end users. (T) (T)

14. If an end user denies authorizing a change in his/her local service provider, as submitted by the alleged unauthorized local service provider, the alleged unauthorized service provider will be assessed the nonrecurring charges as specified in Verizon California Inc.'s Tariff Schedule No. C-1, Sheet 207.32, Section IV.K. (T)

15. When the Reseller and the Utility fail to agree on a bill for telephone service, the Reseller must provide the Utility with specific documentation (i.e., the disputed amount, specific details and reason for the dispute) to investigate the Reseller's claim. The Reseller must notify the Utility in writing within thirty (30) days after the due date of the bill. The portion of the bill not subject to dispute must be paid to the Utility by the due date indicated on the bill. (T)

    If the Reseller disputes a portion of the bill and withholds payment from the Utility, the Reseller must establish a mutually-agreed upon interest-bearing escrow account and deposit an amount equal to the disputed charges within thirty (30) days after the due date of the bill. The Reseller is responsible for any charges assessed by the financial institution associated with the escrow account.

    If the dispute is resolved in favor of the Reseller, the amount in the escrow account, including accrued interest, shall be remitted to the Reseller. If the dispute is resolved in favor of the Utility, the amount in the escrow account, including accrued interest, shall be remitted to the Utility. If the dispute is resolved partially in favor of the Utility and partially in favor of the Reseller, the amount in the escrow account, including accrued interest, shall be distributed to each party in proportion.

    If the Reseller pays the total amount of the bill to the Utility (i.e., the disputed amount and the nondisputed amount), the Reseller may dispute amounts up to 90 (ninety) days after the due date of the bill. Specific documentation supporting the dispute (i.e., the disputed amount, specific details and reasons for the dispute) must be received by the Utility within 90 days. If the dispute is resolved in favor of the Reseller, the Utility will credit the overbilled amount and provide the Reseller a "penalty" credit based on the following:

b. PRI Access Switched Facility System

The PRI Access Switched Facility System configurations are offered on a contract term basis only. The nonrecurring charges applicable to the PRI Access Switched Facility Systems are the Initial Configuration Nonrecurring Charge and the Subsequent Activity Nonrecurring Charge.

(1) Initial Configuration Nonrecurring Charge: The Initial Configuration Nonrecurring Charge applies when a contract term PRI Access Switched Facility System is placed into service. One such nonrecurring charge is applicable for each PRI Access Switched Facility System.

(2) Subsequent Activity Nonrecurring Charge: The Subsequent Activity Charge applies when a change is made to the customer's contract term PRI Access Switched Facility System Service at the customer's request. This charge applies per customer location/serving central office basis to all changes in the configuration of the service other than an order of additional PRI Access Switched Facility Systems, in which case the Initial Configuration Nonrecurring Charge(s) applies.

(3) Charges:

	Nonrecurring Charges
Initial Database Configuration [1]	$ 440.00
Subsequent Activity [1]	176.00

[1] The Initial Configuration and Subsequent Activity Nonrecurring Charges apply to customers who select the contract term offerings of Local or Out of Calling Scope PRI Access Switched Facility System Service.

Each port includes one PVC and can accommodate multiple PVCs. For Access Line, see Schedule Cal. P.U.C. No. C-1.

Data Link Connection Identifier (DLCI)

A nonrecurring charge and a monthly rate apply for each PVC. PVCs are accumulated on a per port basis. A nonrecurring charge applies for each subsequent order of PVC's changed on an existing FRS.

[1] Effective April 11, 2005, Frame Relay Service is grandfathered and no longer available to new customers. The service will be withdrawn no later than April 11, 2010. Existing OPP customers may continue their service until their OPP expires or their service is disconnected, whichever occurs first. Existing month-to-month customers may continue their service until April 11, 2010 or until their service is disconnected, whichever occurs first. In the interim, moves, additions, or changes will not be permitted. (N)

[2] Available where technically feasible after October 31, 1994. (T)

XII. PROMOTIONS

Business SAVE/Retention Promotion for 141 days beginning August 13, 2007 through December 31, 2007. During this period, qualifying business customers who proactively call the Utility to disconnect dial tone service, or cite a competitive offer from another provider, and subsequently agree not to disconnect, will receive a credit on their Verizon bill each month for three (3) months following their agreement not to disconnect service. Qualifying customers are those who currently subscribe to one or more Verizon business basic exchange access lines per account, currently spend at least $60.00 per month total billed revenue for Verizon services, and who either currently subscribe to, or are willing to subscribe to a voice term plan or Unlimited Local Usage for Business term plan on at least one line. Following their agreement not to disconnect service, customers will receive one of the following offers: (D) (N)

- ✧ 1 line = $10.00 for three months (total of $30.00 per account) (D)*
- ✧ 2 to 4 lines = $20.00 for three months (total of $60.00 per account)
- ✧ 5 + lines = $30.00 for three months (total of $90.00 per account)

This offer does not apply to customers who disconnect service through the Verizon website (http://www.verizon.com).
Qualifying customers are limited to one (1) direct bill credit offer per rolling six (6) months.
This promotional offer is subject to the termination liability rules found in Schedule Cal. P.U.C. No. D&R, Rule 47.
This offer may not be combined with any other Verizon discount or promotional except as authorized by Verizon.
This offer is not available to employees of Verizon or its subsidiaries.
Verizon reserves the right to withdraw this promotion before its expiration date in the event an alternative promotion is offered.
