INTRA-ISLAND TELECOMMUNICATIONS SERVICES TARIFF

III. SERVICE DESCRIPTIONS AND RATES

A. Long Distance Voice Service

1. Description: An outbound, customized telecommunications service that may include an inbound service option using Business Line Access and/or a virtual private network. Service is available for single or multi-location companies using switched origination and switched and dedicated termination.

2. Definitions: In addition to the General Definitions in Section I, the following definitions apply:

   Switched: A switched connection between a Customer Premises and a Company POP which is not provided by Verizon Puerto Rico.

3. Features and Options: Intra-Island Long Distance Voice Services offers Features which are also offered with and inherently part of interstate Long Distance Voice Services. Rates, terms and conditions for these Features can be found on the Service Publication and Service Guide (the Guide).

4. Discontinuance of Service: Customers who discontinue Long Distance Voice Services service will be billed at their contract rates for a period of up to thirty (30) days, after which they will be billed for any service usage at the standard tariff rates applicable to service.

5. Service Offerings

   1. Verizon Business Services III
      Verizon Business Services III is suitable for intra-island calls between company locations, as well as all other intra-island calls within Puerto Rico. Verizon Business Services III provides a service for single or multi-location companies using switched origination, and switched and dedicated termination. Except as otherwise specified, all domestic Verizon Business Services III calls are subject to an 18-second minimum initial period and rounding to the next higher 6-second increment, except for Operator Assisted[1] calls, which are subject to a 60-second initial period and rounding to the next 60-second increment. If the computed charge includes a fraction of a cent, the fraction is rounded to the nearest whole cent. The Company does not invoice charges in fractions of a cent; the minimum charge for any charge element is $0.01.

[1]The Company no longer offers Person-to-Person, 3rd Number Billing, or Collect Call operator services throughout the United States to customers that the Company serves as an interexchange carrier or facility-based local carrier.

5. Service Offerings (Cont'd)

1. Verizon Business Services III (Cont'd)

This tariff is being offered to customers that have a requirement to make intra-island calls. Intra-island service is provided in conjunction with interstate Verizon Business Service III service and is available only to customers subscribing to interstate Verizon Business Services III as provided in the Company's "Service Publication and Price Guide" (the "Guide") located on the Company's Internet site at http://www.verizonenterprise.com/us/publications/service_guide/ (Companion Interstate Service).

The rules and regulations governing the provision of toll free inbound service are described in the "Guide" located on the Company's Internet site.

Outbound and Inbound Per-Minute Usage Charges: The following per-minute rates apply based on origination type.

Switched Outbound:	$0.056
Switched Inbound:	$0.056

Features and Options: Intra-Island Long Distance Voice Services offers Features which are also offered with and inherently part of interstate Long Distance Voice Services. Rates, terms and conditions for these Features can be found in the Guide.

Customers receive Base Features. Customers must subscribe to one or both of the following features, and may elect to receive other features, either on a stand-alone basis or as part of a combined feature package as described in the Guide.

Feature Option C-1: Feature Option C-1 offers outbound service only and is characterized by a private dialing plan.

Base Features

Monthly Recurring Charge:	$ 0.00
Nonrecurring Charge:	$5,000.00
