4.3 Directory Assistance

Directory Assistance provides to the Customer available published telephone numbers of switched voice telephone service subscribers based on name or name and address information provided by the Customer to the Directory Assistance operator. The Directory Assistance charge applies to each call by the Customer requesting Directory Assistance regardless of whether the Directory Assistance bureau is able to furnish the requested telephone number. Directory Assistance will provide the Customer with up to two telephone numbers per call. The Customer may request a second listing by remaining on the line after receiving their first listing. If the Customer should disconnect the call prior to being provided the two telephone numbers, the Directory Assistance charge is applicable. All applicable service charges and surcharges apply in addition to the Directory Assistance charge specified below. If the Customer receives an incorrect telephone number and notifies the Company, a billing credit for Directory Assistance charges shall be provided. (T) (T)

The Directory Assistance charge will be waived for calls to Directory Assistance (other than Directory Assistance Call Completion) by a properly certified hearing impaired Customer who utilizes a TDD to access the service.

Per Call	$1.99

4.4 Directory Assistance Call Completion

When the Customer elects to have the Company automatically place the call to the requested number, a Directory Assistance with Call Completion Charge applies in addition to the Directory Assistance Charge, and all other applicable charges. The applicable usage charge is the rate shown below, unless the Customer is presubscribed to an optional calling plan, in which case the optional calling plan rates apply.

Per Completed Call	$1.00
Rate Per Minute	$0.18

4.4 Operator Services

Operator Services allow Customers to place calls using operator assistance for call completion. Service is available only for direct use by residential subscribers and may not be used or resold to provide payphone, hotel, transient, guest or other aggregator services. (C) (C)

Usage charges and a service charge will be assessed on a per call basis, as stated in this price list. (C) (D) | | (D)

4.4.1 Operator services may be used by a Customer to complete Operator Station calls. (C) | (C)

4.4.2 Charges for Operator Assisted Calls include two components: a usage-sensitive component and a fixed per-call service charge. (C)

4.4.3 The usage-sensitive portion of the charge for an Operator Assisted Call is set forth in Section 4.4.8 below.

4.4.4 The fixed per-call service charge portions of the charge for an Operator Assisted Call are set forth in Section 4.4.7.
