## Promotion Statement

From time to time, the Company shall, at its option, promote subscription to or stimulate network usage by offering promotions, including but not limited to, promotional discounts or promotions that waive some or all of the nonrecurring, recurring or usage charges for the Customer (if eligible) of target services for a limited duration. Promotions may also be offered to attract or retain Customers that would otherwise intend to accept a legitimate competitive offer made by another carrier. Such promotions shall be made available to all similarly situated Customers. For promotions which are applied to the Customer's long distance invoice, the term long distance invoice shall mean charges for domestic interstate and international services. Identical promotions are not cumulative.
