

SECTION 4 - MISCELLANEOUS SERVICES

4.1 Directory Assistance

Directory Assistance provides to the Customer available published telephone numbers of switched voice telephone service subscribers based on name or name and address information provided by the Customer to the Directory Assistance operator. The Directory Assistance charge applies to each call by the Customer requesting Directory Assistance regardless of whether the Directory Assistance bureau is able to furnish the requested telephone number. Directory Assistance will provide the Customer with up to two telephone numbers per call. The Customer may request a second listing by remaining on the line after receiving their first listing. If the Customer should disconnect the call prior to being provided the two telephone numbers, the Directory Assistance charge is applicable. All applicable service charges and surcharges apply in addition to the Directory Assistance charge specified below. If the Customer receives an incorrect telephone number and notifies the Company, a billing credit for Directory Assistance charges shall be provided.

(T)
(T)

The Directory Assistance charge will be waived for calls to Directory Assistance (other than Directory Assistance Call Completion) by a properly certified hearing impaired Customer who utilizes a TDD to access the service.

4.3 Toll Free Services

4.3.1 Business Toll Free Service

A. General Description

Business Toll Free Service provides for the termination of inbound toll free calls to one party exchange access lines or to dedicated access facilities. When service is used for both interstate and intrastate calling, fixed charges apply only once.

The minimum service period is one month. Unless otherwise specified below, the following optional features are available for all Toll Free service plans offered by Company in this Product Guide. The Company's Business Toll Free Services for intrastate use are sold as an add-on to interstate Business Toll Free Services. Charges for specialized features, monthly recurring charges, and nonrecurring charges are set forth in the Company's federal rate schedules posted on the Company's website at www.verizon.com/tariffs/productguide.

B. Business Toll Free Service Number Assignment

Customer will be assigned an 800/888 XXX-XXXX number. 800/888 Number Service allows for but does not require the 800/888 Service Customer to use the number. The assigned 800/888 number will terminate to an exchange access line or to dedicated access facilities.

C. Business Toll Free Service Area of Service

Area of Service defines the geographic location from which the 800/888 Number Customer desires to accept calls for a given 800/888 number. 800/888 Number Service can be selected for an area by specifying the desired area of service. The desired Area of Service must be specified by Customer at the time service is ordered. Nationwide coverage is standard and available at no additional charge when subscribing to Business Toll Free Service. Customers can choose to restrict originating calling area by state, NPA, or exchange for a charge specified in the Company's federal rate schedules.
