The Company may also require a signed authorization from the Customer for additions to or changes in existing service for such Customer. An application for service canceled by the applicant or by the Company prior to the establishment of service is subject to the provisions of this price list concerning cancellation charges.

SECTION 2 - TERMS AND CONDITIONS, (Cont'd.)

2.4 Assignment or Transfer

The Customer may not transfer or assign the use of service offered by the Company without the express prior written consent of the Company. Such transfer or assignment shall only apply where there is no interruption of the use or in the location of service. All terms and conditions contained in this price list shall apply to all such permitted transferees or assignees, as well as all conditions of service.

2.5 Limitation of Liabilities

2.5.1 Except in cases of gross negligence or willful misconduct by the Company, the liability of the Company for damages of any nature arising from errors, mistakes, omissions, interruptions, or delays of the Company, its agents, servants, or employees, in the course of establishing, furnishing, rearranging, moving, terminating, or changing the service or facilities or equipment shall not exceed an amount equal to the charges applicable under this price list (calculated on a proportionate basis where appropriate) for the period during which such error, mistake, omission, interruption or delay occurs.

Such unauthorized use of its telecommunications facilities includes, but is not limited to, the placement of calls through Customer-provided equipment which are transmitted or carried on the Company's network. The Customer is responsible for controlling access to, and the use of, its own telecommunications facilities.
- 2.5.7 WITH RESPECT TO SERVICE PROVIDED BY THE COMPANY, THE COMPANY HEREBY EXPRESSLY DISCLAIMS ALL WARRANTIES, EXPRESSED OR IMPLIED, NOT STATED IN THIS PRICE LIST, AND IN PARTICULAR DISCLAIMS ALL WARRANTIES OF MERCHANTABILITY OR FITNESS FOR A PARTICULAR PURPOSE.

SECTION 2 - TERMS AND CONDITIONS, (Cont'd.)

2.7 Taxes and Fees

2.7.1 All state and local taxes (e.g., gross receipts tax, sales tax, municipal utilities tax) are listed as a separate line item on the Customer's bill and are not included in the quoted rates and charges set forth in this price list.

2.7.2 To the extent that a municipality, other political subdivision or agency of government, or the Commission imposes upon and collects from the Company a gross receipts tax, occupation tax, license tax, permit fee, franchise fee, or regulatory fee, such taxes and fees shall, insofar as practicable and allowed by law, be billed pro rata to Customers receiving service from the Company within the territorial limits of such municipality, other political subdivision or agency of government.

2.7.3 Pay Telephone Surcharge

In order to recover the Company's expenses to comply with the FCC's pay telephone compensation plan effective on October 7, 1997 (FCC 97-371), an undiscountable per call charge is applicable to all interstate, intrastate and international calls that originate from any domestic pay telephone used to access the Company's services. The Pay Telephone Surcharge, which is in addition to standard price listed usage charges and any applicable service charges and surcharges associated with the Company's service, applies for the use of the instrument used to access the Company service and is unrelated to the Company's service accessed from the pay telephone.

Pay telephones include coin-operated and coinless phones owned by local telephone companies, independent companies and other interexchange carriers. The Pay Telephone Surcharge applies to the initial completed call and any reoriginated call (i.e., using the "#" symbol).

Whenever possible, the Pay Telephone Surcharge will appear on the same invoice containing the usage charges for the surcharged call. In cases where proper pay telephone coding digits are not transmitted to the Company prior to completion of a call, the Public Pay Telephone Surcharge may be billed on a subsequent invoice after the Company has obtained information that the originating station is an eligible pay telephone.

Such terminal equipment shall be furnished and maintained at the expense of the Customer, except as otherwise provided in this price list or separately agreed upon by the Customer and the Company. The Customer is responsible for all costs at his or her premises, including, but not limited to, personnel, wiring, electrical power, and the like, incurred in the use of the Company's service. When such terminal equipment is used, the equipment shall comply with applicable rules and regulations of the Federal Communications Commission, including, but not limited to, Part 68. In addition, equipment must comply with generally accepted minimum protective criteria standards and engineering requirements of the telecommunications industry which are not barred by the Federal Communications Commission.

SECTION 2 - TERMS AND CONDITIONS, (Cont'd.)

2.10 Payment for Service

- 2.10.1 Service is provided and billed on a monthly basis. Bills are due and payable upon receipt. Late payment fees for Customers who have their charges billed by an affiliated local exchange company, if applicable, will be the late payment fee applied by the affiliated local exchange company, if applicable, to overdue charges. Customers that are not billed by an affiliated local exchange company, if applicable, may be charged a late payment fee of 1.5% per month, or the maximum amount allowed by law, whichever is lower. The late payment fee will apply to any overdue charges and will begin to accrue no sooner than the 25th day after the billing date or as allowed by law. In the event that the Company incurs fees or expenses, including attorney's fees, collecting, or attempting to collect, any charges owed to the Company, the Company may charge the Customer, and the Customer will pay, all such fees and expenses reasonably incurred. Collection fees on overdue charges apply in addition to all applicable late payment charges and shall begin to accrue when the Account is assigned to an outside collection agency.
- 2.10.2 The Customer is responsible for payment of all charges for service furnished to or used by the Customer, or the Customer's agents, servants, employees or customers. The Customer is also responsible for payment of charges for all other third persons' use of service to which the Customer subscribes. All charges due from the Customer are payable to the Company or to the Company's authorized billing agent in immediately available U.S. dollars. Any objections to billed charges must be reported to the Company or its billing agent within six months after receipt of bill. Adjustments to the Customer's bill shall be made to the extent that circumstances exist which reasonably indicate that such changes are appropriate.
- 2.10.3 The security of the Customer's Authorization Codes is the responsibility of the Customer. All calls placed using such Authorization Codes shall be billed to and shall be the obligation of the Customer. The Customer is responsible for all calls placed via the Customer's Authorization Code, whether such use is as a result of the Customer's intentional or negligent disclosure of the Authorization Code or otherwise. However, the Customer shall not be responsible for charges in connection with the unauthorized use of Authorization Codes arising after the Customer notifies the Company of the loss, theft, or other breach of security of such Authorization Codes.

Effective: December 1, 2011

SECTION 2 - TERMS AND CONDITIONS, (Cont'd.)

2.10 Payment for Service, (Cont'd.)

- 2.10.4 The Company reserves the right to assess a charge of \$20.00, or the maximum amount allowed by law (whichever is less), whenever a check or draft presented for payment of service is not accepted by the institution upon which it is written.
- 2.10.5 The Customer shall be responsible for payment of rates and charges for all calls placed by or through Customer's equipment by any person. In particular and without limitation of the foregoing, the Customer is responsible for payment of rates and charges for any calls placed by or through the Customer's equipment via any remote access features.
- 2.10.6 The Company reserves the right to examine the credit record or other available external sources of credit of an applicant or Customer. The Customer whose service has been disconnected for nonpayment of bills shall be required to pay any unpaid balance due to the Company before service is restored, and a deposit may be required.
- 2.10.7 The Company shall make no refund of overpayment by the Customer unless the claim for such overpayment, together with proper evidence, is submitted within two years of the date of alleged overpayment. In calculating refunds, any applicable discounts shall be adjusted based upon the actual monthly usage after all credits and adjustments have been applied.

Effective: June 8, 2015

SECTION 2 - TERMS AND CONDITIONS, (Cont'd.)

2.11 Deposits

Deposits may be applied to Customers subscribing to the Company's services as specified in the Company's Interstate General Terms and Conditions. See www.verizon.com/tariffs/productguide.

(T)

(T)

2.12 Advance Payments

The Company reserves the right to require an advance payment from the Customer instead of, or in addition to, a security deposit. The advance payment shall be in an amount equal to, or less than, estimated installation charges plus two months' estimated billing.

Effective: November 15, 2014

SECTION 2 - TERMS AND CONDITIONS, (Cont'd.)

2.13 Interruption of Service

2.13.1 Credit allowances for interruptions of service which are not due to the Company's testing or adjusting, to the negligence or other wrongful act or omission of the Customer, or to the failure of services, channels, equipment and/or communications systems provided by the Customer or the Customer's agents, servants, employees, or customers, are subject to the general liability provisions set forth in this price list. It shall be the obligation of the Customer to notify the Company immediately of any interruption in service for which a credit allowance is desired by the Customer. Before giving such notice, the Customer shall ascertain that the trouble is not within his or her control, or is not in wiring or equipment, if any, furnished by the Customer. Interruptions caused by Customer-provided, or Company-provided, automatic dialing equipment are not deemed an interruption of service as defined herein since the Customer has the option of using the long distance network via dial access code.

2.13.2 For purposes of credit computation, every month shall be considered to have 30 days and every day 24 hours. For all Company services no credit shall be allowed for an interruption of continuous duration of less than twenty-four hours for Residential Service and of less than two hours for Business Service. For services billed on a usage basis, credits will be limited to, at maximum, the price of the call that was in progress at the time of the service interruption.

(T)
(T)

Credit is computed by multiplying the monthly recurring rate by the ratio that the number of hours in the period of interruption bears to 720 hours (30 days times 24 hours). The credit shall be based upon the non-usage charges for the month during which the interruption occurred, excluding equipment and access line charges.

2.13.3 An interruption is measured from the time the Customer notifies the Company of the interruption until the trouble is cleared. Each interruption is considered separately for the purposes of establishing credit allowance. Unless otherwise specified in this price list, the credit for a billing period shall not exceed the monthly rate.

Effective: November 15, 2014

SECTION 2 - TERMS AND CONDITIONS, (Cont'd.)

2.14 Cancellation, Suspension and Restoration of Service

Service continues to be provided until canceled by the Customer or until canceled by the Company as set forth below. The Customer shall pay such bills in full in accordance with the payment terms of this price list.

2.14.1 Cancellation by the Customer

- A. The Customer may have service canceled upon written or verbal notice to the Company. The Customer shall pay the Company for service furnished until the cancellation date specified by the Customer or until the date that the written cancellation notice is received, whichever is later. Cancellation of service is subject to early termination liability obligations as set forth in the price list. (T)
- B. If Customer orders service which requires special construction or facilities for Customer's use, and then cancels its order before service begins, a charge shall be made to Customer for the non-recoverable portions of the expenditures or liabilities incurred on behalf of Customer by the Company. (N)
- C. The Company shall have up to thirty (30) days to complete a disconnect. Customer shall be responsible for all charges for 30 days, or until the disconnect is effected, whichever is sooner. This 30-day period shall begin on the day of receipt of notice from Customer. (N)

2.14.2 Refusal, Suspension or Cancellation of Service without Prior Notice

- A. Service may be suspended by the Company, without prior notice to the Customer, by blocking traffic and all services to certain cities, countries, NPA-NXX exchanges, or individual telephone numbers, when the Company deems it necessary to take such action to prevent unlawful or fraudulent use of its service. The Company will restore services as soon as it can be provided without undue risk, and will upon request by the Customer, assign new authorization codes to replace ones that have been deactivated.
- B. For violation of law or this price list: Except as provided elsewhere in this price list, the Customer shall be subject to refusal, suspension or cancellation of service, without prior notice, for any violation of terms of this price list, for any actual or apparent violation of any law, rule, regulation, order, decree or policy of any government authority of competent jurisdiction, or by reason of any order or decision of a court or other government authority having jurisdiction which prohibits the Company from furnishing such service or prohibits Customer from subscribing to, using, or paying for such service.
- C. For the Company to comply with any order or request of any governmental authority having jurisdiction: The Customer shall be subject to refusal, suspension or cancellation of service, without prior notice, in order to permit the Company to comply with any order or request of any governmental authority having jurisdiction.

- D. For unauthorized or unlawful use of Authorization Codes: Authorization Codes are issued by the Company only to the Customer and may not be sold or otherwise distributed without the written consent of the Company. Any unauthorized or unlawful use of Authorization Codes shall result in the immediate refusal, suspension or cancellation of service without prior notice.
- E. The Company may refuse, suspend, or cancel service immediately and without prior notice in the event of excessive network usage which is determined to be fraudulent or beyond the Customer's demonstrated ability to pay.
- F. Without prior notice in the event of Customer or Customer's authorized user use of equipment in such a manner as to adversely affect the Company's facilities and/or equipment or service to others.
- G. Without prior notice in the event of tampering with the facilities and/or equipment or services owned by the Company or its suppliers and used to provide service under this price list.
- H. Without prior notice in the event of unauthorized or fraudulent use of service. Effective: December 1, 2011

SECTION 2 - TERMS AND CONDITIONS, (Cont'd.)

2.14 Cancellation and Restoration of Service, (Cont'd.)

2.14.3 Refusal, Suspension, or Cancellation of Service with Notice

The Company may refuse, suspend or cancel service under the following conditions provided that, unless otherwise stated in this price list, existing Customers shall be given 15 days written notice to comply with any rule or remedy any deficiency.

- A. The Company reserves the right to refuse, suspend, or cancel service for applicants or Customers who cannot show reasonable credit-worthiness or cannot satisfy deposit requirements set forth in this price list.

2.14.4 Restoration of Service

If service has been refused, suspended, or canceled for nonpayment or as otherwise provided herein and the Customer wishes it continued, service shall, at the Company's discretion, be restored when all past due amounts are paid or the event giving rise to the refusal, suspension, or cancellation (if other than nonpayment) is corrected.

2.14.5 Use and Restoration in Emergencies

The use and restoration of service in emergencies shall in all cases be subject to the priority system specified in Part 64, Subpart D, of Chapter 47 of the Code of Federal Regulations.

2.15 Application for Service

The Company reserves the right to require Customers to make application(s) for service in writing using forms provided by the Company. Upon acceptance of an application for service by the Company, all applicable provisions in the Company's price lists, as amended from time-to-time which are lawfully on file, become the agreement for service between the Company and the Customer. Requests for additional service and changes to service, upon acceptance by the Company, become a part of the agreement for service, provided that each item of additional service shall be subject to the applicable minimum term of service. Acceptance or use of service offered by the Company shall be deemed an application for such service and an agreement by the Customer to subscribe to, use, and pay for such service in accordance with the applicable price lists of the Company, as amended from time to time, which are lawfully on file. Any change in rates or other price list provisions which are lawfully made and for which required notice has been given shall be deemed to modify all agreements for service affected by such changes without further notice by Company to the Customer. Customer provision of false information, or a failure by the Customer to provide material information, in an application for service (either written or verbal) shall be deemed an attempt to avoid payment or to otherwise defraud the Company. In such circumstances, the Company may, at its option and with proper notice, revoke the application and refuse, cancel or suspend any service provided to the Customer without further liability or obligation to the Customer.
