International Flat Rate Plan

Effective 11/1/12 this service is available only to existing Customers, at existing locations, without modification.

General Description

International Flat Rate Plan is an optional international add-on service available to Residential Customers for all international direct-dialed outbound calling originating from the United States. Rates are available 24 hours a day, seven days a week.

International Flat Rate Plan is available to Residential Customers who are presubscribed to Long Distance Message Telecommunications Service (LDMTS), or any of the Company's domestic plans for outbound interexchange direct-dialed calling.

If a Customer no longer purchases or is disconnected from the Company's outbound interexchange direct dialed calling plan, the Customer will also be disconnected from International Flat Rate Plan.

Other Terms and Conditions

Taxes and Fees are in addition to the stated rates.

Service is offered subject to the availability of the necessary facilities, equipment and/or Customer information, including, but not limited to, billing systems and information required for billing. The Company may decline applications for service to or from a location where the necessary facilities or equipment are not available.

Rates and Charges

Monthly Recurring Charge

A Monthly Recurring Charge (MRC) is billed each month in advance and applies to each line in addition to all applicable usage charges. The Customer who adds International Flat Rate Plan during a billing cycle will receive a pro-rated MRC based on the number of days left in the billing cycle. If the Customer elects to cancel International Flat Rate Plan, the MRC for the last month will be based on the date of the disconnect.

Monthly Recurring Charge: $2.00

Usage Rates

Each call is billed individually in one (1) minute increments after an initial minimum call duration of one (1) minute. Any partial minute is rounded up to a full minute. Fractional charges are rounded up to the next cent.

In addition to the calling plan usage rates, Premium Termination surcharges may apply to Dial 1 switched calls to premium services in certain localities. When Premium Termination surcharges are applicable, the surcharge usage rate is added to the plan usage rate and will appear on the Customer's bill as a single combined rate.
