SPECIAL CONSTRUCTION

8. Verizon Virginia LLC Special Construction Cases (T)

8.1 Charges for the State of Virginia (Company Code 5040)

8.1.1 Special Construction Cases Prior to April 1, 1984

This section contains special construction charges for facilities provided to Other Common Carriers in accordance with the Chesapeake and Potomac Telephone Companies Tariff F.C.C. No. 2, Facilities for Other Common Carriers, prior to May 25, 1984. These special construction cases are subject to the regulations specified in 2.1 through 2.8 preceding, with the following exception. When the initial liability period expires, an underutilization charge applies to the difference between 70% of the number of original specially constructed facilities and use number of facilities in service at filed tariff rates at that time. For purposes of determining an underutilization charge, any facilities subject to minimum period monthly charges are considered to be in service at filed tariff rates.

United States Transmission Systems, Inc.

Installation of 600 pair entrance and building cable and advance installation of other cable between OCC terminal location, Oak Tree Street, Lynchburg, Virginia, and Church Street Wire Center, Lynchburg, Virginia.

Nonrecurring Charge:	$4,580.16
