2. OPTIONAL TOLL CALLING PLAN SERVICE²

A. APPLICATION

Part 2 of this tariff applies to optional toll calling plan service between designated points within LATA's in the State of Pennsylvania. The points between which service is furnished on a local calling basis are indicated by the Local Exchange Tariffs governing the rates for exchange service.

Discounts associated with this service as set forth below will not be automatically applied to calls completed through the Pennsylvania Relay Service System. Subscribers must notify the Company of any calls made over the Relay Service System which are eligible for optional toll call plan discounts in order to receive the applicable discounts for those calls.

B. DEFINITION

Optional Toll Calling Plan Service is the furnishing of facilities for telephone communications between specified exchanges in different local service areas, in accordance with the respective regulations and system of charges specified in this Part for the Optional Toll Calling Plan Service or Services selected by the customer.

C. SELECTIVE EXCHANGE CALLING PLAN SERVICE¹

Selective Exchange Calling Plan Service as set forth in this tariff is a discontinued service offering. Rates and regulations apply only to those Selective Exchange Calling Plan Service customers in Service on April 15, 2000. Existing customers may continue the service at the same location unless otherwise ordered by the Pennsylvania Public Utility Commission.

1. DESCRIPTION OF SERVICE

This service provides for one-way customer dialed station-to-station calling between specified exchanges at the rates listed under the Optional Toll Rate Schedule in addition to a monthly rate, as covered in 3. following.

2. SCOPE

Selective Exchange Calling Plan Service is offered to business and residence customers for customer dialed station-to-station calls from the exchanges listed below, over the routes shown.

D. VERIZON NORTH DISCOUNT CALLING SERVICE

Verizon North Discount Calling Service as set forth in this Tariff is a discontinued service offering. Rates and regulations apply only to those Discount Calling Plans in service on August 12, 1996. Existing customers may continue the service at the same location unless otherwise Ordered by the Pennsylvania Public Utility Commission.

1. Regulations

- a. Verizon North Discount Calling Service is an optional intrastate intraLATA Message Toll Telephone Service offered to certain business and residence exchange service customers in Verizon North LLC exchanges.
- b. The service provides an alternate rate treatment for Message Toll Telephone Service calls to exchanges within the customer's LATA. It is offered in three individually priced packages: Discount Calling Plan I, Discount Calling Plan II and Discount Calling Plan III. The service is applicable to customer dialed station-to-station and operator assisted calls as described below:
 - (1) Station-to-station service is that service where the person originating the call dials the telephone number desired or gives to the Company operator the telephone number of the desired telephone.

Two classes of station-to-station service are offered as follows:

- (a) Dial station-to-station is that station-to-station service where the person originating the call from other than a pay telephone dials the telephone number desired and the call is completed without the assistance of a Company operator or placed with an operator where facilities are not available for dial completion or where, for other service reasons, operator assistance in completion of the call is necessary.
 - (b) Operator assisted station-to-station is that station-to-station service other than dial paid station-to-station service. The Verizon North Discount Calling Service rates only apply to the message toll portion of the call, not to the operator surcharge portion.
- c. The service is provided with discounted call detail.
- d. The minimum service period for each Discount Calling Plan is one month. A customer may only subscribe to one Discount Calling Plan, per account, at any given time.
- e. No customer may simultaneously subscribe on the same telephone line to more than one optional calling plan.
- f. The service is not offered in connection with Pay Telephone Line Service or Foreign Exchange Service.
- g. The method of applying rates for Verizon North Discount Calling Service is as set forth elsewhere in this tariff.
- h. The application of usage rates and timing of messages is as set forth elsewhere in this tariff.

2. Rates and Charges

- a. Nonrecurring Charges as set forth in Section 3 of Tariffs Telephone-Pa. P.U.C. Nos. 1, 3, 4 and 6 are applicable for establishment of, or changes in, Verizon North Discount Calling Service.

E. VERIZON NORTH BETWEEN FRIENDS_ SERVICE

Verizon North Between Friends_ Service as set forth in this Tariff is a discontinued service offering. Rates and regulations apply only to those Verizon North Between Friends_ Plans in service on April 15, 2000. Existing customers may continue the service at the same location unless otherwise Ordered by the Pennsylvania Public Utility Commission.

1. Regulations

- a. Verizon North Between Friends_ Service is an optional calling plan for one-way originating dial station-to-station intrastate intraLATA messages offered to residential customers in Verizon North LLC exchanges. For all other classes of messages other than dial station-to-station, the appropriate calling rates and charges as specified elsewhere in this tariff apply.

The service is applicable to customer dialed station-to-station calls as described below:

- (1) Dial station-to-station service is that service where the person originating the call from other than a pay telephone dials the telephone number desired and the call is completed without the assistance of a telephone company operator and the call is not billed to a number other than the originating telephone number.
- (2) Verizon North Between Friends_ rates apply to messages or parts of messages included in the Off-Peak rate period as specified elsewhere in this tariff. Each message is timed by minutes of use with a fraction of a minute being charged as a full minute. The initial calling period is a cumulative total of 60 minutes per month. Any additional time accumulated is charged for in one minute increments.
- b. Verizon North Between Friends_ Service is provided with individual message detail.
- c. The minimum contract period for Verizon North Between Friends_ Service is one month. A customer may only subscribe to one (1) Verizon North toll optional calling plan, per account, at any given time.
- d. This service is furnished subject to the regulations found in this tariff and other tariffs of the Company.
- e. The timing of messages is as set forth elsewhere in this tariff.

2. Rate and Charges

- a. Servicing Charges as set forth in Section 3 of Tariffs Telephone-Pa. P.U.C. Nos. 1, 3, 4 and 6 are applicable for establishment of, or changes in, Verizon North Between Friends_ Service.

F. VERIZON NORTH EASY SAVINGS PLAN_ FOR RESIDENCE ¹

1. General

- a. Verizon North Easy Savings Plan_ for Residence is an optional 1+, 0+ and 0- Intrastate IntraLATA Long Distance Message Telecommunications Service offered to residence customers in Verizon North LLC exchanges.

2. Regulations

- a. This Plan provides discounts on Verizon North Long Distance Message Telecommunications Service (Two-Point Service as set forth in Section 1 of this Tariff) Intrastate IntraLATA calls to exchanges within the customer's LATA. The discount applies when the customer meets and/or exceeds the required toll usage dollar amount. There is no monthly rate or nonrecurring charge associated with the Verizon North Easy Savings Plan_ for Residence. The Plan is applicable to all Rate Application Periods messages including:

Customer Dialed Direct Station-to-Station *

Operator Assisted Station-to-Station

- b. All usage of a multiline subscriber with one billing number is included in the service.
- c. The minimum service period for Verizon North Easy Savings Plan_ for Residence is one month.
- d. A customer may only subscribe to one Verizon North discount calling plan per main billed account at any given time.
- e. The following options are available to Verizon North Easy Savings Plan_ for Residence customers, Monday thru Friday:

	<u>Peak</u>	<u>Off-Peak</u>	<u>IOSC</u>
1.	5:00 a.m. to and including 4:59 p.m.	5:00 p.m. to and including 4:59 a.m.	19195
2.	6:00 a.m. to and including 5:59 p.m.	6:00 p.m. to and including 5:59 a.m.	19196
3.	7:00 a.m. to and including 6:59 p.m.	7:00 p.m. to and including 6:59 a.m.	19197
4.	8:00 a.m. to and including 7:59 p.m.	8:00 p.m. to and including 7:59 a.m.	19198

Off-peak rates apply during all other time periods, including Saturdays, Sundays and the holidays listed in paragraph 1.C.8. of this Tariff.

These options are available to new and existing Verizon North Easy Savings Plan_ for Residence customers and may be changed a maximum of three (3) times per year.

3. Application of Discount

- a. Verizon North Easy Savings Plan_ for Residence discount percentage applies to the message toll portion of the call and to the Operator Assisted Services Charges, if applicable.
- b. Application of usage rates and timing of messages are as stated in Section 1 of this Tariff.
- c. Discounts shown in Verizon North Easy Savings Plan_ for Residence will include monthly usage (including service charges and surcharges) for customer dialed direct station to station, operator assisted station-to-station, and person-to-person calls that are carried and billed by the Company. In calculating the usage volume discount, the discount will generally be applied against the customer's intrastate intraLATA charges. However, if the intraLATA offering is part of a joint toll offering, the threshold for application of the discount will be determined by total gross monthly toll usage associated with the joint offer. In that case, the discount applied will be as specified by the joint offering, and the discount will be apportioned to the proper jurisdiction proportional to the accumulated usage charges.

4. Rates

Residential customers who subscribe to the Verizon North Easy Savings Plan_ for Residence whose monthly usage meets the amounts below will receive the following discount percentage on all toll usage billed for the month.

<u>Total Usage Billed</u>	<u>Discount</u>
\$10.00 - \$ 24.99	10%
\$25.00 and Over	25%

¹ Effective May 18, 2013, Verizon North Easy Savings Plan_ for Residence is grandfathered and no longer available to new customers. Verizon North Easy Savings Plan_ for Residence is still available for resale until February 15, 2014, on which date the foregoing terms shall be effective for resale.
