
SPECIAL REVERSED CHARGE TOLL SERVICE

This service is provided to existing subscribers only. Changes and/or moves are not permitted.

A. GENERAL

Special reversed charge toll service provides an arrangement whereby a subscriber may offer to his patrons the privilege of calling him from points where a toll charge applies, without playing a toll charge and without requesting that the charge be reversed. The charges for such messages are assumed by and billed against the contracting subscriber.

B. TERMS AND CONDITIONS

1. This service may be contracted for only by subscribers to private branch exchange service or individual line non-coin service.
2. A special designation and call number is assigned to each contracting subscriber. Only those messages placed by calling this special designation and call number are considered as coming within the scope of this service.
3. The subscriber to this service will be required to accept and pay for all calls completed through his special designation and call number.
4. Messages are accepted on a station-to-station basis only.
5. The minimum contract period for this service is three months.
6. The subscriber is entitled to one free listing in the directory for each exchange selected. Additional listings are charged for at rates specified in Part B, Section 5 of this Product Guide.
