DISCOUNT PRICING PLANS

A. DESCRIPTION

The following contains summaries of discount plans that are available to subscribers of services offered under this Product Guide. In some cases, variations in the availability or terms of these plans are set forth in a separate paragraph following the summary. Aside from such variations, these summaries are intended for informational purposes only, and subscribers should refer to the detailed terms and conditions for these plans, as set forth in the Product Guide sections cited at the end of each summary. In case of any conflict between the summaries and the full provisions of the plans, as set forth in the relevant Product Guide Section, the latter shall govern.

B. SOLUTIONS FOR BUSINESS

Solutions for Business is an optional flat-rated usage package for business customers which provides a network access line, additional line(s) (optional), unlimited usage and certain calling features for one flat monthly rate, when the customer also subscribes to an unlimited nationwide calling plan through Verizon Long Distance LLC. This Plan also includes interstate intraLATA calls.

Refer to Part B, Section 2 of this Product Guide for additional terms, conditions and rates.
