

BLOCKING AND SCREENING SERVICES

(C)

A. 900 BLOCKING SERVICE

(C)

1. GENERAL

(C)

a. 900 Blocking Service provides residence and business customers with the ability to block access from a particular network access line to all telephone numbers for which the 900 Numbering Plan Area (NPA) must be dialed. (C)

b. The service is classified as a local exchange telecommunications service. (C)

2. CONDITIONS

(C)

a. The Company's obligation to furnish network facilities for 900 Blocking Service is dependent upon the availability of suitable facilities. Because of central office and other facility limitations, it may not be possible for the Company to provide all of the services that may be requested. (C)

b. 900 Blocking Service is available only for blocking access to all 900 NPA telephone numbers from a particular network access line, and not for blocking access to a specific 900 NPA telephone number. (C)

3. RATES AND CHARGES

(C)

a. Customers requesting 900 Blocking Service for the first time will receive the initial blocking at no charge. (C)

b. The Subsequent Service Order Charge and Subsequent Access Line Connection Charge as set forth in Section 3 of this Tariff are applicable to the initial line blocked per subsequent occasion. Each additional line blocked at the same time per subsequent occasion is subject to the following charge: (C)

	<u>GSEC</u>	<u>Nonrecurring Charge</u>
