LOCAL AND JOINT TARIFF SERVICES

A. Auxiliary Services

(1) Special Reversed Charge Toll Service

(a) Availability - Special reversed charge toll service is furnished on existing installations only.

(b) Description - Special reversed charge toll service is an arrangement whereby a subscriber is furnished a special number to enable his patrons to call him from points within the subscriber's LATA where a toll charge applies without paying a toll charge and without placing calls on a collect basis.

(1) The special number may be listed in the directory covering each point from which it may be called.

(2) Calls for the special number may be placed on a station-to-station basis only

(c) Service is furnished only to subscribers to individual line non-coin or PBX service

(d) The subscriber is required to accept and pay for all calls completed through the special number.

(e) For the purposes of special reversed charge service, the NY Metropolitan Exchange Area is subdivided as follows:

(1) Borough of Manhattan
(2) Borough of The Bronx
(3) Borough of Brooklyn
(4) Borough of Queens
(5) Borough of Queens
(6) Nassau County–NY Metropolitan Exchange Area portion only
(7) Westchester County–NY Metropolitan Exchange Area portion only

(f) Application of Rates and Charges

(1) A minimum charge applies. The minimum charge for the service is the monthly rate for three months.

(2) or each call completed through the special number, station-to-station operator handled sent-paid message toll rate applies.

(3) Listings— Monthly charges apply for each additional listing beyond the first listing in the directory for each subdivision or exchange selected.

a. The monthly charge is effective with the subscriber's billing date on or next succeeding the publication date of the directory in which the listing appears.
