3. SERVICE CLASSIFICATIONS AND RATES (TWO-POINT) (Cont'd)

3.1 Interstate Service-Schedule I (Cont'd)

3.1.2 Mileage Measurement (Cont'd)

(A) Mileage Determination (Cont'd)

Airline mileages between rate centers are determined as provided in The Verizon Telephone Companies Tariff FCC No. 22.

In general, each point in the LATA is designated as a rate center except that certain small towns or communities are assigned adjacent rate centers with which they are closely associated for communication purposes or by community of interest and in a few of the largest cities there are several rate centers further identified as city zones.

(1) Where a Point is Divided into City Zones

The rate airline mileage is measured between the rate center of the city zone and the rate center of the other point, except that when such mileage exceeds 40 miles, the rate airline mileage is measured between the rate center of the master zone and the rate center of the other point with a minimum of 41 miles being applicable.

(2) Where Both Points are Divided into City Zones

The rate airline mileage is measured between the rate centers of the city zones, except that when such mileage exceeds 40 miles, the rate mileage distance is measured between the rate centers of the master zone with a minimum of 41 miles being applicable.

(B) Rate Determination - Schedule I

Rates applicable for the mileages obtained are as provided in 3.1.3(F)(1) following.

3.1.3 Rate and Charge Application

(A) Classes of Service

(1) Service is offered on a Dial Station, Customer Dialed Calling Card Station, or Operator Station basis. (D)

(2) In order to control fraud, the Company may refuse to accept Calling Cards which it determines to be invalid and/or may limit the use of Calling Cards to or from all or part of the interstate intraLATA areas.

(B) Initial Minute, Additional Minutes, and Service Charges

Rates are stated in terms of initial minute, additional minutes and service charges in the Rate Table in 3.1.3(F) following.

(1) Initial Minute

Initial minute rates are for connections of one minute or any fraction thereof.

(2) Additional Minutes

Additional minute rates are for each additional minute or any fraction thereof that the connection continues beyond the initial minute.

(3) Dial Station

Only initial minute and additional minute rates apply.

(4) Customer Dialed Calling Card Station and Operator Station (T) (D)

(1) Charges

The charges for forwarded calls may be comprised of three charges: two separate message charges; (i) a charge for that portion of the call from the originating station to the Call Forwarding location, if applicable, (ii) the Dial Station charge for that portion of the call from the Call Forwarding location to the terminating station designated by the Customer, and (iii) a monthly and a nonrecurring charge for Call Forwarding or Remote Call Forwarding provided by the Telephone Company as set forth in the Telephone Company's General and Local Exchange Service Tariff.

The respective charge for each such portion (i), (ii), shall be either the rate specified in this product guide or the rate specified in the Exchange Service Tariff or the intrastate message telecommunications service tariff of the Telephone Company, which is applicable for the type of call involved in each portion of the forwarded call.

On an Operator Station or Customer Dialed Calling Card Station call other than collect, the originating subscriber is charged the respective Operator Station or Customer Dialed Calling Card Station rate for the portion covered in (i) preceding. The charge for the portion of the call described in (ii) preceding is the Dial Station rate and charged to the Call Forwarding Customer. (D) (D)

3.2 Generic Optional Calling Plans

(A) General

Generic Optional Calling Plans (Plans) are Interstate optional calling plans that must be ordered in conjunction with Intrastate IntraLATA calling plans. The Plans provide an alternate rate treatment for business Customer-dialed Interstate IntraLATA toll calls that are completed without the assistance of an operator.

Customers enrolling in one of the optional Plans will be billed at the rates shown in Section (C) following in lieu of the regular Schedule I Interstate IntraLATA rate schedule provided in Section 3.1.3(F) preceding.

(B) Regulations

The regulations associated with the Plans as offered under this section include only the applicable regulations set forth in other sections of this product guide and the following regulations, which apply to all Plans.

(1) The regulations included in this section apply only to Interstate IntraLATA toll calls.

(2) Plans are available only to Customers that have enrolled in a Plan and that have selected the Telephone Company as their IntraLATA Toll Provider.

(3) There is no charge for enrolling or discontinuing a Plan.

(4) Each Plan is ordered separately and is not available in conjunction with any other Company-provided Generic Optional Calling Plan, as offered under this section.

(5) Each Plan allows Customers to complete calls 24 hours a day, seven days a week, including holidays.

(6) Each Plan provides uniform rates that do not vary by time of day or day of week.

(7) Business Plans are listed in Section (C) following.
