6.1	Special Promotions	118	
6.2	Service Agreements	120	

TARIFF FORMAT

A. **Page Numbering** - Page numbers appear in the upper right corner of the page. Pages are numbered sequentially. However, new pages are occasionally added to the Tariff. When a new page is added between pages already in effect, a decimal is added. For example, a new page added between pages 14 and 15 would be 14.1.

B. **Page Revision Numbers** - Revision numbers also appear in the upper right corner of each page. These numbers are used to determine the most current page version on file with the Commission. For example, the 4th revised Page 14 cancels the 3rd revised Page 14. Because of the various suspension periods and deferrals the Commission follows in its tariff approval process, the most current page number on file with the Commission is not always the tariff page in effect. Consult the check sheet for the page currently in effect.

C. **Paragraph Numbering Sequence** - There are nine levels of paragraph coding. Each level of coding is subservient to its next higher level:

2
2.1
2.1.1
2.1.1.A
2.1.1.A.1
2.1.1.A.1.(a)
2.1.1.A.1.(a).I
2.1.1.A.1.(a).I.(i)
2.1.1.A.1.(a).I.(i)(1)

D. **Check Sheet** - When a tariff filing is made with the Commission an updated check sheet accompanies the filing. The check sheet lists the pages contained in the Tariff, with a cross reference to the current revision number. When new pages are added, the check sheet is changed to reflect the revision. All revisions made in a given filing are designated by an asterisk (*). There are no other symbols used on the check sheet if these are the only changes made to it. The tariff user should refer to the latest check sheet to find out if a particular page is the most current on file with the Commission.

EXPLANATION OF SYMBOLS

Changes to this tariff are identified on the revised page(s) through the use of symbols. The following are the symbols used and the change indicated by them:

(C) - To signify a changed regulation

(D) - To signify a discontinued rate or regulation

(I) - To signify an increase in rate or charge

(M) - To signify material relocated from one page to another without change

(N) - To signify a new rate or regulation

(R) - To signify a reduced rate or charge

(S) - To signify a correction or reissued matter

(T) - To signify a change in text but no change in rate or regulation
