INTEREXCHANGE SERVICES TARIFF

---

Effective January 31, 2020, the services in this tariff are withdrawn for all customers except Federal, State and Local Government Agencies, and Educational Institutions (whether public or private, including elementary and secondary schools and colleges/universities). A reasonable transition period beyond January 31, 2020 may be permitted for those customers of withdrawn services that have contacted the Company prior to January 31, 2020 where the Company determines that additional time is needed to establish a replacement service or for complex services that the Company determines require additional time to complete the disconnection of all circuits.

Effective November 30, 2020, the services in this tariff are withdrawn for all Federal, State and Local Government Agencies, and Educational Institutions (whether public or private, including elementary and secondary schools and colleges/universities). A reasonable transition period beyond November 30, 2020 may be permitted for those customers of withdrawn services that have contacted the Company prior to November 30, 2020 where the Company determines that additional time is needed to establish a replacement service or for complex services that the Company determines require additional time to complete the disconnection of all circuits.

INTEREXCHANGE SERVICES TARIFF

---

**CONCURRING, CONNECTING OR OTHER PARTICIPATING CARRIERS**

None

**SYMBOLS**

The following symbols shall be used in this tariff for the purpose indicated below:

- (C) - Changed regulation effecting application in a rate
- (D) - Deletion of rate or regulation
- (I) - Increase in rate
- (R) - Reduction in rate
- (M) - Move of tariff material to different page or a different location on a page
- (N) - New rate or regulation
- (T) - Text change in regulation that does not effect application of a rate

**TARIFF FORMAT**

- A. **Page Numbering** - Page numbers appear in the upper right corner of the page. Pages are numbered sequentially. However, new pages are occasionally added to the Tariff. When a new page is added between pages already in effect, a decimal is added. For example, a new page added between pages 14 and 15 would be 14.1
- B. **Page Revision Numbers** - Revision numbers also appear on the upper right corner of each page. These numbers are used to determine the most current page version on file with the Commission. For example, the 4<sup>th</sup> Revised Page 14 cancels the 3<sup>rd</sup> Revised Page 14.
- C. **Check Sheets** - When a tariff filing is made with the Commission, an updated check sheet accompanies the filing. The check sheet lists the pages contained in the tariff, with a cross reference to the current revision number. When new pages are added, the check sheet is changed to reflect the revision. The tariff user should refer to the latest check sheet to find out if a particular page is the most current on file with the Commission.
