1. Description of Service

1.1 Resold Local Exchange Service

Resold Local Exchange Service is composed of the resale of exchange access lines and local calling provided by other certificated Local Exchange Carriers. Resold features associated with Resold Local Exchange Service will be available and priced according to the availability, rates, terms and conditions established for such features in the underlying carrier's effective intrastate tariffs. Availability of Service is subject to the availability of all necessary facilities and is limited to the capacity of the Company's facilities as well as facilities the Company may obtain from other carriers.
