

LOCAL EXCHANGE SERVICES PRODUCT DOCUMENT

Effective January 31, 2020, the services in this product document are withdrawn for all customers except Federal, State and Local Government Agencies, and Educational Institutions (whether public or private, including elementary and secondary schools and colleges/universities). A reasonable transition period beyond January 31, 2020 may be permitted for those customers of withdrawn services that have contacted the Company prior to January 31, 2020 where the Company determines that additional time is needed to establish a replacement service or for complex services that the Company determines require additional time to complete the disconnection of all circuits.

Effective November 30, 2020, the services in this product document are withdrawn for all Federal, State and Local Government Agencies, and Educational Institutions (whether public or private, including elementary and secondary schools and colleges/universities). A reasonable transition period beyond November 30, 2020 may be permitted for those customers of withdrawn services that have contacted the Company prior to November 30, 2020 where the Company determines that additional time is needed to establish a replacement service or for complex services that the Company determines require additional time to complete the disconnection of all circuits.
