SECTION 5 - PROMOTIONAL OFFERINGS	63

EXPLANATION OF SYMBOLS

The following are the only symbols used for the purposes indicated below.

- C - To signify changed regulation or rate structure.
- D - To signify discontinued material.
- I - To signify an increased rate.
- M - To signify a move in the location of text.
- N - To signify a new rate or regulation.
- R - To signify a reduced rate.
- S - To signify reissued material.
- T - To signify change in text but no change in rate or regulation.

TARIFF FORMAT

- A. Sheet Numbering - Sheet numbers appear in the upper right corner of the page. Sheets are numbered sequentially; however, new sheets are occasionally added to the tariff. When a new sheet is added between sheets already in effect, a decimal is added. For example, a new sheet added between sheets 14 and 15 would be 14.1
- B. Sheet Revision Numbers - Revision numbers also appear in the upper right corner of each page. These numbers are used to determine the most current sheet version on file with the Hawaii P.U.C. For example, the 4th Revised Sheet 14 cancels 3rd Revised Sheet 14. Consult the Check Sheet for the sheet currently in effect.
- C. Check Sheets - When a tariff filing is made with the Hawaii P.U.C., an updated check sheet accompanies the tariff filing. The check sheet lists the sheets contained in the tariff with a cross reference to the current revision number. When new pages are added, the check sheet is changed to reflect the revisions. The tariff user should refer to the latest check sheet to find out if a particular sheet is the most current on file with the Hawaii P.U.C.
