
IV. FUND¹

With the Fund, eligible Customers will receive specific dollar amounts which may be deposited into accounts in the names of those Customers. These amounts may be utilized toward the purchase by Customers of Company and participating vendors' products and services that have been pre-approved by Company for the use of Fund dollars.

Eligible dollar amounts are defined as promotional dollars available with the subscription to (a) certain promotions of Verizon Business Services, (b) certain Option B, Option C, networkMCI One and Long Distance Voice Services promotions, and (c) certain Special Customer Arrangements. Any employee or agent of the Customer may place orders for vendors' products using the Customer's Fund account. Unless otherwise specified in this tariff, the Customer may choose to convert the balance in its Fund account to invoice credits. The invoice credit amount, upon Customer's request, will be applied on a pro-rata basis to the Customer's first invoice following the end of the annual period in which the Customer makes such request and in each subsequent 12-month period of the Customer's term of service.

If the Customer subscribes to and terminates Company service, any balances remaining in the Fund at the time of termination will be forfeited. The Company may choose to apply the remaining Fund as invoice credits to offset amounts owed to the Company. If the Customer's service agreement expires, the Company has the right to forfeit any remaining Fund balance 30 days from the date of expiration. Any promotional amount(s) previously used towards participating vendor products or Company invoice credits may be charged back to the Customer upon termination.

The Company may, at any time, choose to discontinue this offering, in which case it will provide notice to each participating Customer. Any Fund balance remaining upon the completion of one full billing period following notice of discontinuance will be forfeited. Any dollar amounts in the Customer's Fund account which are forfeited by the Customer will become the property of the Company.

The Fund balance will be unavailable to a Customer during any period in which the Customer has failed to comply with the Payment Arrangements specified in this tariff or satisfy a monthly annual volume commitment set forth in the Customer's Company service agreement.

¹As of December 1, 2009, the Fund option will not be available for Customers who don't already have the plan in their Agreement.
