8. BILLING NAME AND ADDRESS

Billing Name and Address (BNA) provides the billing name and address of an end user who has an Automatic Number Identification recorded by the customer (interexchange carriers, operator service providers, enhanced service providers and any other provider of interstate telecommunications services) for telecommunications services rendered by the customer to its end user. The receipt of this information will allow the customer to provide its own billing to end users who may not have established a formal relationship with the Customer.

BNA is provided for the sole purpose of permitting the Customer to bill its telephonic communications services to its end users and may not be resold or used for any other purpose, including marketing activity such as market surveys or direct marketing by mail or by telephone. The Customer may not use BNA information to bill for merchandise, gift certificates, catalogs or other services or products.

.01 UNDERTAKING OF THE COMPANY

A. All requests for information will be by facsimile.

B. The Company will specify the format in which requests are to be submitted.

C. The BNA information will be provided for the calling number furnished to the extent a billing name and address exists in the Company's records. BNA information will not be provided for those end users who have requested that their BNA not be disclosed for collect and bill to third party calls.

D. The Company will provide the most current BNA information resident in its data base. Due to normal end user account activity, there may be instances where the BNA information provided is not the BNA that was applicable at the time the message originated.

E. The Company reserves the right to terminate the provision of services described in this section, if, at the Company's sole discretion, the Customer is failing to comply with the requirements set forth herein. The Customer will be notified by the Company of the Company's decision to discontinue the provision of services described in this section. The Customer will be required to return any computer records, paper and/or files to the Company or removal from the Customer's records of the Company provided BNA when services are discontinued.

.02 OBLIGATIONS OF THE CUSTOMER

A. With each order for BNA Service, the Customer shall identify the authorized individual, the address, and or the facsimile to receive the BNA information.

B. The Customer shall institute adequate internal procedure to ensure that BNA information, including that related to "confidential" non-published and non-listed telephone numbers, is used only for the purpose set forth in this tariff and that BNA information is available only to those Customer personnel or agents with a need to know the information.
