

Competitive Local Carrier Tariff

TAXES AND SURCHARGES

In addition to the charges specifically pertaining to the Company's services, certain federal, state, and local surcharges, taxes and fees will be applied. These surcharges, taxes and fees are calculated based upon the amount billed to the end user for the Company's intrastate services. Such charges include, but are not limited to, the surcharges and fees ordered by the CPUC and set forth below. For a list of surcharges and the amounts, refer to the AT&T (d/b/a SBC California) tariffs.

1. Pursuant to Resolution T-16901, all telecommunication carriers are required to apply California Public Utility Commission ("CPUC") mandated Public Program surcharge rates (excluding: a) California Lifeline billings; b) charges to other certificated carriers for services that are to be resold; c) coin sent paid telephone calls (coin in box) and debit card calls; d) customer-specific contracts effective before 9/15/94; e) usage charges for coin-operated pay telephones; f) directory advertising; and g) one-way radio paging) and the CPUC Reimbursement Fee rate (excluding: a) directory advertising and sales; b) terminal equipment sales; and c) inter-utility sales) to intrastate services. For a list of the Public Program surcharges and Reimbursement Fee, and the amounts, please refer to the Pacific Bell d/b/a AT&T California tariffs. T
2. California Teleconnect Fund ("CTF")
Per the California Public Utility Commission Resolution No. T-16742, and subsequent rulings, all telecommunications carriers are to provide a 50% discount to all qualifying entities of School Libraries, Municipal or County Government Owned and Operated Hospital and Health Clinics, and Community Based Organizations for the following services: all measured business service lines, switched 56 lines, ISDN, T-1, DS-3 and OC levels up to and including OC 192 services or their functional equivalents upon receiving an accepted application from the qualifying entity.
3. Surcharge to Fund CPUC Reimbursement Fee: For a list of surcharges and the amounts, refer to the AT&T (d/b/a SBC California) tariffs.
4. Universal Service Program
Pursuant to CPUC Decision No. 96-10-066, dated October 25, 1996, MCImetro will offer the following program of rate discounts to qualified entities. The discounted rates may not be resold to, or shared with, any other non-qualifying entity or person. This program will be available to qualified customers when the California Teleconnect Fund is established through a surcharge to fund this program.

SCHOOLS AND LIBRARIES

Qualifications for eligibility: Only public or nonprofit¹ schools providing elementary or secondary education, and which do not have endowments of more than \$50 million, shall qualify for the discounted rates for schools.

Only those libraries that are eligible for participation in state-based plans for funds under Title III of the Library Services and Construction Act (20 USC §335c et seq.), shall qualify for the discounted rates for libraries.

Services Eligible for Rate Discounts: Services B1, B2 and Local Line service as well as MCImetro's DS-1 Service, and DS-3 Service, are eligible for the discounts to qualifying schools and libraries.

California Tariff No. 7 (Continued on next Sheet)

¹The CPUC defines "Nonprofit Schools" to include schools run by a religious order that has been incorporated as a nonprofit Public Benefit Corporation (Corporations Code § 5110 et seq.) or as a nonprofit Religious corporation (Corporations Code § 9110 et seq.).
