

Competitive Local Carrier Tariff

SERVICE AREAS AND LOCATIONS

The Company offers Local Exchange Services with specific exchanges and zones as defined in this section.

Beginning February 1, 1998, all residential and certain business resale services will not be offered to new customers.

Beginning July 2, 2002, customers subscribed to resale service as described in this tariff will receive service via the Unbundled Network Elements Platform (UNEP) or its replacement. The terms, rates and charges of customer's existing service as of that date will not change; customers may not make additional changes to their existing service as of that date. If the customer wishes to make a change to their existing service, the Company will require the customer to change service to another of the Company's existing offerings provided via UNEP.
