LOCAL EXCHANGE SERVICE

A. GENERAL

1. Application of Tariff

- a. This Tariff contains the schedule of rates and specific regulations applicable to local exchange Dial Tone Lines and Usage furnished within the Pennsylvania Exchange Area.

- b. Regulations

- (1) Monthly Rates

- Each Local Area Unlimited Usage Package is associated with a particular Dial Tone Line. The Unlimited Usage Package rates as set forth in this Tariff apply only to that usage package and will not be applied as the maximum rate for the Usage Sensitive Service (USS) Metered and USS Measured Usage Options.

- c. Residence and Business Exchange Service, Local Calling Areas, Dial Tone Line Cell and Usage Rate Group Classification and Exchange Area Maps.

- (1) The Local Calling Area associated with the Local Usage Options in these tariff sections are contained in C.5., following, pertaining to each Exchange Area.
 - (2) The Dial Tone Line Cell and Usage Rate Group classification for each Exchange Area associated with this tariff are contained in 2., following (see 2. Dial Tone Line Cell and Local Usage Option Availability).
 - (3) The Exchange Area Maps associated with this tariff are contained in Section 12 of this tariff.

These rates, terms and conditions are effective June 30, 2002.

(C)

LOCAL EXCHANGE SERVICE

B. EXCHANGE SERVICE

2. Exchange Service

Exchange Service consists of two components – the Dial Tone Line and Local Usage Options.

Each of these rate components are billed monthly in addition to any applicable measured or metered usage charges.

a. Dial Tone Line

- (1) The Dial Tone Line provides customers with access to the telephone network. The term Dial Tone Line applies to Residence and Business lines.
- (2) The Exchange Dial Tone Line rates for Residence and Business lines are shown in C. following, and are classified into Dial Tone Line Cells.

b. Local Usage Options – Description and Availability

Local usage as defined following, is provided to customers under options which differ in the way rates applicable to outgoing usage are charged. With any of the options, the customer can receive at no additional rate an unlimited number of incoming calls. Rates for the Local Usage Options are shown in C, following.

These rates, terms and conditions are effective June 30, 2002.

(C)

LOCAL EXCHANGE SERVICE

B. EXCHANGE SERVICE (Cont'd)

2. Exchange Service (Cont'd)

b. Local Usage Options – Description and Availability (Cont'd)

(1) Usage Sensitive Service (USS) Metered Usage Option

With the USS Metered Usage Option, the customer is charged the applicable rate for each completed outgoing local call. The rate is based upon the USS Metered Use Rate Schedule shown in E. following.

This option is available to all Residence customers.

(2) Usage Sensitive Service (USS) Measured Usage Option

With the USS Measured Usage Option, the customer is charged the applicable USS Measured Connection Rate Schedule and the USS Measured Rates Per Minute of Use Schedule Shown in E. following.

This option is available to Residence and Business customers.

(3) Local Area Unlimited Usage Package

With the Local Area Unlimited Usage Package Option, the customer pays a stipulated monthly rate for an unlimited number of outgoing calls within a specified local calling area.

This option is available to all Residence customers.

This option is available to existing business customers who continue such service at their current locations.

(4) Optional Detailed Billing of Measured Local Usage

This option is available to Residence customers.

These rates, terms and conditions are effective June 30, 2002.

(C)

(C) Indicates Change

Issued: April 30, 2002

Effective: July 21, 2002

LOCAL EXCHANGE SERVICE

C. RATES

1. Exchange Service Rate Components

a. Dial Tone Line Rates

The Dial Tone Line rate for customers with Foreign Exchange Service or Foreign Central Office Service is the same as for the central office designation associated with the customer's local serving office.

b. Local Usage Option Rates

Residence customers choose one of the following usage options:

Local Area Unlimited Usage Option
Usage Sensitive Service (USS) Measured Usage Option
Usage Sensitive Service (USS) Metered Usage Option

Business customers choose one of the following options:

Local Area Unlimited Usage Option
Usage Sensitive Service (USS) Measured Usage Option

2. Dial Tone Line Cell Classification*

For the purposes of determining an Exchange Area Dial Tone Line monthly rate, the Exchange Areas are classified into one of the four (4) Dial Tone Line Cells. The Cell classifications are determined by the following criteria. These criteria apply to all wire centers regardless of competitive classification.

(C)

<u>Dial Tone Line Cell</u>	<u>Classification Criteria</u>
1	All Philadelphia and Pittsburgh City Exchange Areas or Zones with working pairs per square mile greater than nine thousand (9,000).
2	All Philadelphia and Pittsburgh City remaining Exchange Areas or Zones.
3	All Philadelphia and Pittsburgh Suburban Exchange Areas or Exchanges with more than five hundred (500) working pairs per square mile.
4	All remaining Exchange Areas.

3. Dial Tone Line Reclassification

When an annual review indicates that the number of working pairs per square mile of an Exchange Area or Zone has exceeded or fallen below the above Dial Tone Line Cell criteria for two (2) consecutive study periods, the Exchange Area will be reclassified. Notice of the reclassification of the Exchange Area Dial Tone Line Cell shall be given by filing revised tariffs with the Commission.

* Excludes grandfathered 2 and 4 Party service, see rates in C.5.b for Residence and C.5.d for Business.

These rates, terms and conditions are effective June 30, 2002.

(C) Indicates Change

Issued: November 20, 2015

Effective: November 23, 2015

LOCAL EXCHANGE SERVICE

C. RATES (Cont'd)

4. Exchange Rate Classification

- a. The Local Area Unlimited Usage Packages for Residence and Business lines are classified into Usage Rate Groups on the basis of the number of lines in the Local Area Unlimited Usage Package local calling area adjusted by weighting factors which reflect distance.

(1) Lines

The number of lines for each exchange is the sum of the total number of residence and business lines.

(2) Weighting Factors

The weighting factors are:

- For the exchange itself, each line is counted as "1".
- For each other exchange which may be called on a local basis, the number of lines is multiplied by a factor based on the rate center to rate center distance, as follows:

<u>Mileage Bands</u>	<u>1-10</u>	<u>11-16</u>	<u>17-22</u>	<u>23-30</u>
<u>Distance Factors</u>	1.0	1.5	2.0	2.5

(3) The Weighted Line Rate Groups for Exchange Usage are:

<u>Usage Rate Group</u>	<u>Weighted Lines in Local Calling Area</u>
A	0 – 27,000
D	27,001 – 83,000
F	83,001 – 350,000

These rates, terms and conditions are effective June 30, 2002.

E. USAGE SENSITIVE MEASURED SERVICE

1. General

- a. Usage Sensitive Measured Service provides for measured calling by one-party business and residential lines in the exchanges where facilities are available to exchanges within the local calling area as specified in Section 2. Each call is charged for on a distance called and length of message basis. Time of day usage discounts are offered, with the charges determined separately for each rate period and the results totaled.
- b. This service is available in the exchanges of Auburn, Friedensburg and Pine Grove.

These rates, terms and conditions are effective June 30, 2002.

E. USAGE SENSITIVE MEASURED SERVICE (Cont'd)

2. Applications and Regulations

- a. With the effective date of this tariff offering in an exchange, eligible customers in that exchange will have the option of maintaining their current Local Area Unlimited Usage Package telephone service or changing to one of the usage pricing offerings described in this tariff.
- b. For a period of one year after the effective date that Usage Sensitive Service (USS) is available in an exchange, normal service charges will not apply for conversion from Local Area Unlimited Usage Package service to USS. During the same one-year period, service charges will not apply for one conversion either from one USS option to another USS option or from USS to Local Area Unlimited Usage Package.
- c. Any combination of USS and Local Area Unlimited Usage Package service will not be allowed on any customer's service.

These rates, terms and conditions are effective June 30, 2002.

LOCAL EXCHANGE SERVICE

E. USAGE SENSITIVE MEASURED SERVICE (Cont'd)

2. Applications and Regulations (Cont'd)

- d. Call detail is not available to Usage Sensitive Measured Service (USS) customers.

Monthly billing is based on cumulative minutes of usage with the total fraction rounded to the next higher minute

- e. USS offering available to one-party residential customers is as follows:

- (1) USS Measured - provides for measured calling to all telephones in the local calling area with no usage allowance.
- (2) Unlimited with Measured Service - provides for flat rate calling to all telephones of the exchange, and measured calling to the remainder of the local calling area with no usage allowance.*

- f. USS offering available to one-party business, key telephone line, Pay Telephone Lines and PBX trunk customers is as follows:

- (1) USS - provides for measured calling to all telephones in the local calling area with no local usage allowance.
- (2) Blocks of Time - Business customers (excluding Pay Telephone Lines) may purchase optional measured service usage blocks of time in lieu of paying for calls based on the number of messages, duration of messages, the distance called and the time of day. These blocks of time are applicable to customer dialed calls made within the local exchange area and the designated extended area for that exchange.

* Unlimited with Measured Service is grandfathered as of June 29, 2002.

3. Rates and Charges

a. Usage Rates

Messages are billed on a per message basis, with the time of day determining the per message rate. The rate periods are specified below:

Weekday Rate

applies to directly dialed local messages placed Monday through Friday 8:00 a.m. to 10:00 p.m.

Night and Weekend Rate

applies to directly dialed local messages placed Monday through Friday, 10:00 p.m. to 8:00 a.m. and all day Saturday and Sunday.

b. Charges per Message

Day/Evening
\$.07

Night/Weekend
\$.035

G. INSIDE WIRE MAINTENANCE CHARGE

1. General

A non-optional maintenance charge will apply to all customers, other than single line and two-line residential and business customers, with company provided inside wire. All single and two-line residential and business customers may choose to have the Company continue to maintain their inside wire, by continuing to pay the monthly inside wire maintenance charge. If, however, the customer wishes to maintain his own inside wire and discontinue paying the monthly maintenance charge, he must notify the Company. Upon notification the Company will drop the maintenance charge from the customer's bill. (See Section 13, Sheets 7 and 8, for Customer Premises Inside Wiring.)

2. Monthly Rates

a. Simple System (system with only one access line)*

\$.50 per access line

b. Complex System (system with more than one access line)*

\$.50 per station**

* Access Line – a circuit directly connecting the central office switching equipment with the subscriber's termination point.

** Station – A telephone instrument, consisting of a transmitter, receiver and associated apparatus, connected so as to permit transmission and receiving of telephone messages. A station, for purposes of the section, is a telephone instrument which is subject to the tariff rates under sections 107 and 108.

These rates, terms and conditions are effective June 30, 2002.

LOCAL EXCHANGE SERVICE

(C)

H. BUSINESS DIRECT BILL CREDIT

The Business Direct Bill Credit provides a one-time or monthly discount to business customers who:

- cite a competitive offer or are contemplating disconnecting their Verizon service but agree to retain their Verizon local exchange service;
- Or existing customers identified by Verizon as likely to disconnect their services without direct contact;
- or have an existing retention offer from Verizon that is expiring or has expired.

The Business Direct Bill Credit is available to customers who:

- call Verizon to disconnect at least one business exchange line, Centrex Plus with Assume Dial 9 (also known as Custopak) or Centrex Plus (dial 9) lines and cite a competitive offer or;
- are contemplating disconnecting their Verizon service but agree to retain their Verizon local exchange;
- or have an existing retention offer from Verizon that is expiring or has expired; and
- agree to maintain a certain amount of total monthly billed revenue on an account basis.

The Business Direct Bill Credit average monthly billed revenue thresholds and associated one time and monthly credits are as follows:

<u>Average Monthly Billed Revenue</u>	<u>Maximum One-Time Credit</u>	<u>Maximum Monthly Credit</u>
\$40.00	\$50.00	\$5.00
\$100.00	\$75.00	\$15.00
\$200.00	\$100.00	\$25.00
\$300.00	\$125.00	\$35.00
\$400.00	\$125.00	\$50.00
\$800.00	\$125.00	\$80.00

- The Business Direct Billed Credit, will apply per account from the date it is implemented on the customer's account and will continue for a maximum of 12 months.
- Qualifying business customers whose discount provided by a previous save offer that expires during the promotional period may qualify for an additional credit up to 12-months provided the customer retains their service in accordance with the requirements of the tariff.
- Customers will not automatically be enrolled in this offering. The Business Direct Bill Credit will be provided to qualifying customers only upon customer request or upon customer acceptance of a suggestion, recommendation, or offer of the discount made by Verizon.
- Customers are limited to one (1) retention discount only per account within the past six months and cannot combine discounts. Customers may not receive both a Business Direct Bill Credit monthly credit and a one-time credit per account.
- Eligible customers do not include customers who are disconnecting their service through the Verizon website or customers disconnecting service as a result of a move outside of or within the Verizon serving territory, disconnecting as a result of death of the customer, or disconnecting seasonal service.
