G. SoundDialing℠ Plan [1]

A. DESCRIPTION

SoundDialing is an optional intraLATA toll calling plan for residence customers which features a flat monthly
Customers who enroll in this plan will be billed a flat monthly rate in lieu of the Residence Toll Rate Schedules
or other applicable tariff rates for qualifying monthly direct distance dialed (DDD) toll calls. The monthly rate
is based on a customer's historical average monthly Verizon intraLATA DDD unassisted toll call usage during a six(6)
month period selected by the Company. For a customer who enrolls in the plan on or before April 30, 1997, the
average monthly Verizon intraLATA DDD unassisted toll call usage will be determined by computing the DDD unassisted toll
call rates, before the application of any discounts, from customer bills rendered during the period June, 1996 through
November, 1996. Thereafter, the historical average monthly SoundDialing usage will be determined by computing the
Verizon intraLATA DDD unassisted toll call usage, at the unassisted toll call rates before the application of any
discounts, during a six(6) month period selected by the Company.

All existing SoundDialing customers (billed under the SoundDialing Usage Tier Monthly Rates) will have their SoundDialing
toll usage studied uniformly as part of the Company selected six(6) month study period. Any resulting study
(decrease or increase in the SoundDialing Usage Tier Monthly Rate) will apply to all customers included in the Company
selected study period (see Regulations below).

B. REGULATIONS

1. This plan applies to qualifying intrastate intraLATA customer DDD unassisted toll calls originating from Verizon
residence exchange Dial Tone Lines which are billed to one residential customer Billing Telephone Number (BTN)
account.

2. Customers enrolled in this plan will be billed a flat monthly rate based upon their six month historical average
qualifying toll calls.

3. The SoundDialing Plan is only available to customers who select Verizon Pennsylvania Inc., as their Intrastate
Provider (ITP). This plan applies on a per customer BTN account basis at one end user location only.

Note 1: Effective March 1, 2002, SoundDialing is grandfathered. Existing SoundDialing customers may keep SoundDialing at their
current service location under the same billing party provided that the number of lines on the account does not increase.
Customers may retain SoundDialing after a number change at the same service location. SoundDialing will be added to a
customer's account only if the service was removed due to slamming. SoundDialing customers will continue to be
rerated according to the original tariff provisions.

B. REGULATIONS (Cont'd)

4. After August 23, 1997, if a customer's usage during any six (6) consecutive monthly billing cycles falls below the applicable monthly rate under the plan, the Company shall have the right, upon notice to the customer, to either (i) terminate the customer's participation in the plan or (ii) reduce the customer's Verizon intraLATA DDD unassisted toll call usage, during any six (6) consecutive months in the historical usage study period selected by the Company and redetermined, the customer will be billed at the redetermined rate until any subsequent redetermination. Customer's payment of a redetermined rate shall constitute acceptance by the customer of the redetermined rate.

5. For a customer to be eligible to enroll in this plan, the customer is not required to have been a Verizon Pennsylvania Inc. customer for the entire SoundDialing six (6) month historical usage study period. However, to be eligible to participate in this plan, the customer must have qualifying toll calls which exceed $0.00 for at least three (3) of the six (6) months in the Company selected historical study period. If a customer requests a SoundDialing rate and the Company determines that a rate was not calculated for that customer, said customer will be offered a SoundDialing temporary monthly rate for the duration of the promotional period (three (3) months. For these customers, the monthly rate is set at the charge which the customer's six (6) month historical monthly average Verizon qualifying toll usage.

6. Customers whose six (6) month historical monthly average Verizon qualifying toll usage exceeds $500.00 are not eligible to enroll in this plan or to continue to participate in the plan.

7. Qualifying SoundDialing Plan toll calls will be detail billed.

8. Customers enrolled in the Metropolitan Area Unlimited Usage Package, Metropolitan Area Unlimited Plus Usage Package (served from Tariff Pa. P.U.C. No. 30A), Extended Area Unlimited Option and the Hometown Plus Usage Option are eligible for SoundDialing. However, if enrolled SoundDialing customers elect to discontinue their Metropolitan Area Unlimited Usage Package, Metropolitan Unlimited Plus Usage Package, Extended Area Unlimited Option or the Hometown Plus Usage Option, their existing SoundDialing monthly rate will revert to the SoundDialing Local Usage Plan Temporary Monthly Rate. This rate will remain in effect until the Company offers customers a SoundDialing Monthly Rate.

B. REGULATIONS (Cont'd)

9. Customers enrolled in any Optional Residence Two-Point Toll Calling Plan Service are not eligible to enroll in SoundDialing℠ nor will the Automatic Savings discount be applied to qualifying toll calls.

10. Customers may discontinue their enrollment in this plan at any time upon written notice to the Company. However, customers who enroll in this plan are subject to a minimum associated with the SoundDialing monthly rate.

11. Customers will be billed for the SoundDialing monthly rate for each billing period except when they withdraw from the plan after the first billing period.

12. During the period from February 24, 1997 through August 23, 1997, the monthly rate established for each eligible customer will not change. Thereafter, the Company may, for each customer, at intervals of not less than six (6) months, redetermine the SoundDialing monthly rate based on a six (6) month historical usage study period selected by the Company. The customer's monthly rate is redetermined.

13. Unless a customer's enrollment in the plan is terminated, the customer will remain enrolled in the plan, as amended from time to time, with any changes in rate or discounts applicable to the customer, for as long as the plan continues to be offered by the Company, including any similar promotional offering.

14. If the customer enrolls in the plan for service which the customer resells, the customer will be charged in accordance with the following schedule of rates for each end user to whom the customer resells the plan. The monthly rate will be based on the qualifying SoundDialing toll usage of each end user to whom the customer resells the plan. The customer must establish with the Company a separate billed telephone number for each of the customer's end users.
