A. MESSAGE TOLL TELEPHONE SERVICE

1. General

- a. Message toll telephone service is that of furnishing facilities for telephone communication between local service areas in accordance with the regulations and schedule of charges specified in Paragraphs A.2. through A.5. following.
- b. The toll rates governed by this Tariff apply to the message toll telephone service of Verizon New York Inc. when such service both originates and terminates within the State of Connecticut and is handled exclusively by this Company or jointly by this Company and its participating, concurring or connecting companies.
- c. Except as otherwise provided for herein, the rules and regulations applicable to Message Toll Telephone Two-Point Service are those set forth in the Toll Tariff of the Southern New England Company, including revisions thereto, as filed with the Connecticut Public Utilities Regulatory Authority.
- d. For "Discounted Service for Customers with Impaired Hearing or Speech" see State of Connecticut No. 1 - Telecommunications, Section 1, Paragraph M.

2. Basic Message Toll Schedule

The Basic Message Toll Schedule below provides the rates for Unassisted Customer Calling Sent-Paid messages and Operator-Assisted calls. For applicable operator surcharges, see Paragraph A.7. following.
