

INTERCONNECTION

4. Obligations of the Co-Provider

- 4.1 The Company will require each Co-Provider to report the percentage of its terminating traffic that represents local usage. This Percent Local Usage ("PLU") report is needed to ensure accurate billing of local exchange calls and non-local exchange calls.
- 4.2 The Co-Provider shall exchange technical descriptions and forecasts of their interconnection and traffic requirements in sufficient detail to assure traffic completion to and from all customers within the exchange.
- 4.3 The Co-Provider will cooperate to determine the performance of their respective networks and will implement joint management controls to further overall service integrity.
- 4.4 The Co-Provider is responsible for the provisioning of the facilities within its own network up to the Point of Interconnection (POI).
