

SECTION 1 - APPLICATION OF TARIFF

- 1.1 This tariff sets forth general terms and conditions applicable to all intrastate regulated telecommunications services offered by MCImetro Access Transmission Services LLC (MCImetro) within Michigan. Service offerings, rates, and conditions applicable to specific service offerings are set forth in other tariffs of MCImetro and are in addition to the general regulations contained herein. All references to City Signal, Inc., US Signal Corp., and MCImetro throughout the regulated tariffs labeled as such, are hereby modified to mean "MCImetro Access Transmission Services LLC " or "MCImetro. "
- 1.2 When services and facilities are provided in part by MCImetro and in part by other companies, the regulations of MCImetro apply only to that portion of the service or facilities furnished by it.
- 1.3 When services and facilities provided by MCImetro are used to obtain access to the regulated or unregulated services provided by another company, or are used by another company as a part of the regulated or unregulated services offered by that company, the regulations of MCImetro apply only to the use of MCImetro's services and facilities.
- 1.4 Interexchange services and facilities are provided by MCImetro only within the LATA in which the User is located.
- 1.5 MCImetro may offer various unregulated services in conjunction with or ancillary to its regulated services from time to time. MCImetro may, at its option, file tariffs with the MPSC describing the rates, terms, and conditions of unregulated services. Any unregulated services not described in such tariffs will be governed by contract between MCImetro and the Customer.
