Local Discount: Local discount of 45% off the tariffed usage charges and monthly recurring charges for Local

Service and Local and Long Distance Service Bundles, excluding EUCL charges, Operator Service Charges and Directory Assistance.

Aggregate Monthly Usage Limit: Notwithstanding any language to the contrary, the T1 MRC includes 30,000 free minutes of outbound long distance per T1 per month. Customer's total free minutes of outbound long distance usage per month shall be aggregated by multiplying Customer's total number of T1 circuits x 30,000 (this product shall be referred to as Customer's "Aggregate Monthly Usage Limit"); Overage charges shall be waived unless invoiced on a quarterly basis in accordance with the Monitoring Condition. International long distance, toll free, Calling Card Minutes and local features are NOT included. Except for the terms specifically provided in this Section (which are fixed), Local and Long Distance Trunk Solution is described (and subject to change) in the provisions of the applicable state Tariffs. Features are described in the applicable state Tariffs.

Monitoring Condition: Following the end of each contract quarter, Verizon will review all overage usage for the previous quarter. In the event that Customer has, in aggregate, used more than 30,000 minutes x number of T1 circuits in any billing month, Verizon reserves the right to invoice the Customer at $0.05 per minute for those excess overage minutes. Any charges for overage will be invoiced as a lump sum.

Qualifying Conditions: To qualify for the waiver of overage charges on Local and Long Distance Service Bundles – T1 Service, Customer asserts that the following facts are true as evidenced by the Customer's August 2008 invoice provided to Customer by Verizon:

- Is already an existing Verizon Business Customer.
- Customer has previously spent $1,600,000 in Verizon Business CLEC Local Service Revenue in the previous year.
- Customer has 108 T1s billing on a monthly basis.
- Total minutes of usage for 108 T1's are approximately 1,014,780.
- Total allotted minutes for the 108 T1's is 3,240,000.
- Total minutes not used by the Customer are 2,225,219.

Of the 108 T1s with 30,000 free minutes of outbound LD, Customer has no overall overage of total usage.
