APPLICABILITY

This catalog applies to Intrastate Telecommunications Services furnished by MCI Communications Services **LLC** d/b/a Verizon Business Services between and among points within the State of Rhode Island in conjunction with the Company's interstate telecommunications services originating and terminating in Rhode Island. These services are provided in accordance with the conditions set forth below and in conjunction with the Company's interstate tariff, MCI Communications Services **LLC** d/b/a Verizon Business Services P.U.C. No. 1.

Effective October 14, 2005, pursuant to the direction of the Federal Communications Commission (FCC), MCI is canceling its federal tariffs for services with certain exceptions, including those pertaining to exchange access, casual calling, and basic long distance service during a 45-day period for customers who sign up for MCI service with a Local Exchange Carrier (LEC). International services for Residential and Small Business customers will also remain tariffed through January 27, 2002. Also, beginning August 1, service descriptions, definitions, terms and conditions, and pricing for state-to-state Residential and Small Business services no longer federally tariffed may be found i) at <http://www.mci.com/service> for Residential services and http://www.mci.com/sb/service_agreement for Small Business services, or ii) by calling 1-800-444-3333.

SECTION A - DEFINITION OF TERMS

For the purpose of this catalog, the following definitions shall apply:

Access Line - A dedicated arrangement which connects a customer location to the Company's terminal location or the Company's switching center.

Application for Service - A standard Company order form which includes all pertinent billing, technical and other descriptive information which will enable the Company to provide a communication service as required.

Authorized User - A person, firm, corporation or other entity that either is authorized by the customer to receive or send communications or is placed in a position by the customer, either through acts or omissions, to send or receive communications.

Called Station - The station called, or the terminating point of call.

Calling Circle - For customers subscribing to the Friends & Family Program Option A, a Calling Circle includes U.S. telephone number, (excluding Puerto Rico and the U.S. Virgin Islands) including the number of the Subscriber, which are presubscribed to MCI MCI and enrolled in Metered Use Service Option A (Execunet).

For customers subscribing to the Friends & Family Program Domestic Option B and Option C, a Calling Circle includes U.S. telephone numbers, (excluding Puerto Rico and the U.S. Virgin Islands) including the number of the Subscriber, which are presubscribed to the Company and enrolled in Metered Use Service Option A (Execunet).

As used in conjunction with the Friends of the Firm Program, a Calling Circle is a group of up to twenty (20) US telephone numbers, which numbers are presubscribed to the Company, plus the Subscribers own telephone number or numbers.

Telephone numbers which are not capable of being presubscribed to an interexchange carrier (except for the Best Friend number), and telephone numbers which are associated with MCI 800 Service (other than associated with the Personal 800 option), MCI 900 Service, payphone numbers, institutional telephone numbers, and numbers associated with the Company's services other than switched services will not be eligible for inclusion in Calling Circles.

These Calling Circles may be amended by the Subscriber from time to time.

Calling Station - The station from which a call is originated.

Channel or Circuit - A communications path between two or more points, having a bandwidth or transmission speed selected by a customer.

Company - MCI Communications Services **LLC** d/b/a Verizon Business Services

Customer - The person, firm or corporation or other party which orders services -- either for its own use, as a resale carrier, or as a non-profit manager of a sharing group -- and which is responsible for the payment of charges and for compliance with the Company's catalog regulations. The term "customer" also includes a person, firm, corporation or other entity that: (1) has not presubscribed to the Company's service, but accesses MCI Execunet Service by dialing the access number 1010222, or any other MCI carrier identification code, or (2) remains presubscribed to the Company's service after its account(s) are removed from the Company's billing system, subsequently continues to use the Company's network, and is billed by a local exchange carrier for such use. A customer is responsible for the payment of all charges for service used and for compliance with the Company's catalog regulations. For billing purposes, a customer is considered to be an account. In the Metered Use Services, if a person, firm, corporation or other entity orders the service in more than one of the Company's originating city, or requests the assignment of more than one account number in a particular city, each such account is a separate customer for billing purposes.

Disconnection - The disconnection of a circuit, dedicated access line or port connection being used for existing service.

Installation - The connection of a circuit, dedicated access line or port for new or additional service.

Joint Users - A person, firm or corporation designed by the customer as a user of communication facilities furnished to the customer by the Company, and to whom a portion of the charge for such facilities are billed under a joint user arrangement.

LATA (Local Access Transport Area) - A geographic area established as required by the Modified Final Judgment in the government's antitrust suit against the Bell System for the provision and administration of communications services.

MCI - MCI Communications Services **LLC** d/b/a Verizon Business Services and/or one or more Concurring Carriers.

MCI Metropolitan Area Terminal City Location (called Terminal Location) - Locations specified herein where the Company maintains a terminal facility for purposes of providing Intrastate Telecommunications Services as described herein.

MCI Terminal - Any location where the Company provides services as described herein.

Member - As used in conjunction with the Friends & Family or the Friends of the Firm Programs, a member is a customer whose telephone number is included in a Calling Circle. An MCI customer may be a Member of an unlimited number of Calling Circles.

Non-Qualified Commercial Affinity Group - an association or affiliation of business entities whose members/individuals are not organized for the sole purpose to qualify for the discounts described herein.

Non-Qualified Residential Affinity Group - an association or affiliation of residential users whose members/individuals are not organized for the sole purpose to qualify for the discounts described herein.

Other Common Carrier - A person, firm, corporation or entity which subscribes to the Company's communication services and facilities and resells these communication services and facilities to the public for profit. Unless otherwise indicated herein, the term "other common carrier" when used in this catalog also means "customer" and includes entities which are brokers of the service (act as intermediaries for the purposes of reselling), those entities which are processors of the service (enhance the value of the service through substantial incurred costs), and those entities which are underlying carriers (own transmission facilities).

Point of Presence - The Company's physical presence in a LATA (as defined herein). Locations where the Company maintains a Terminal Facility for purposes of providing Customized Business Communications Service.

Premium Calling Plans - A variation of the Company's Dial "1" service. The various plans provide volume discounts based on specified rules and regulations as set forth in the Company's FCC Tariff No. 1.

Premises - The space designated by a customer at its place or places of business for termination of the Company's service, whether for its own communications needs or for the use of its resale customers. In the case of the non-profit sharing group, this term includes space at each sharer's place or places of business, as well as space at the customer's place of business.

Restoration - The re-establishing of service by rerouting, substitution of component parts, or otherwise, as determined by the carrier(s) involved.

SECTION B - RULES AND REGULATIONS

1. DESCRIPTION OF SERVICE

- .01 Intrastate Telecommunication Services is the furnishing of Company services for communications between specified locations under the terms of this catalog and in conjunction with the Company's Tariff P.U.C. No. 1. Channels will be those of the Company alone, or the Company's in conjunction with those of other participating, concurring or connecting carriers.
- .02 Intrastate Telecommunication Services consists of the furnishing for the use of customers, of channels for the direct transmission and reception of communications between the Company Metropolitan Area Terminal City Locations or Company terminals and all service offerings contained herein which anticipate the provision of such channels as part of the offering are included in this category. Such service has the capability of being extended beyond the respective Company Terminal Locations.
- .03 The Company, when acting at the customer's request and as his authorized agent, will make reasonable efforts to arrange for service requirements.

2. LIMITATIONS

- .01 Service is offered subject to the availability of facilities and the provisions of this catalog and in conjunction with the Company's Tariff P.U.C. No. 1.
- .02 The Company reserves the right to discontinue furnishing service, upon written notice, when necessitated by conditions beyond its control or when the customer is using the service in violation of the provisions of this catalog, or in violation of the law.
- .03 Service may be discontinued by the Company, without notice to the customer, by blocking traffic to certain cities, or NXX exchanges, when the Company deems it necessary to take such action to prevent unlawful use of its service. The Company will restore service as soon as it can be provided without undue risk.
- .04 Toll access will not be provided to local 976 numbers because the proprietors of the services offered through such numbers have not provided the Company with a schedule of their charges.
- .05 A customer shall not use any service mark or trade mark of the Company or refer to MCI in connection with any product, equipment, promotion or publication of the customer without the written approval of the Company.

2. LIMITATIONS, (Cont'd.)

- .06 Calls may not be placed using a Local Exchange Company's calling card whenever there is an obligation on the part of the Local Exchange Company issuing the calling card to invoice such calls on the Company's behalf, and calls may not be placed or received using 10XXX dialing or collect or Original party calling conventions, e.g., 1-800-COLLECT, whenever there is no obligation on the part of the serving Local Exchange Carrier to invoice such calls on the Company's behalf or whenever that Carrier fails to provide billing name and address (BNA) information to the Company in connection with such calls.

3. TERMS AND CONDITIONS

- .01 Except as otherwise provided service is provided and billed on the basis of a minimum period of at least one (1) month, beginning on the date that billing becomes effective, and continues to be provided until canceled, by the customer, in writing, on not less than thirty (30) day's notice from the date of postmark on the letter giving notice of cancellation.
- .02 Service is offered on a Metered Use basis, as described in Paragraph C.3 following.
- .03 For the purpose of computing charges in this catalog, a month is considered to have thirty (30) days.
- .04 The name(s) of the customer(s) desiring to use the service must be stipulated in the application for service.

4. LIABILITY

- .01 The liability of the Company for damages arising out of mistakes, omissions, interruptions, delays, errors or defects in transmission occurring in the course of furnishing service, and not caused by the negligence of the customer or of the Company in failing to maintain proper standards of maintenance and operation and to exercise reasonable supervision, shall in no event exceed an amount equivalent to the proportionate change to the customer for the period of service during which such mistake, omission, interruption, delay, error or defect in transmission occurs.
- .02 The Company shall be indemnified and held harmless by the customer against:
 - .021 claims for libel, slander, or infringement of copyright arising out of the material, data, information, or other content transmitted over the Company's channels; and
 - .022 patent infringement claims arising from combining or connecting Company-furnished channels with apparatus and systems of the customer; and
 - .023 all other claims arising out of any act or omission of the customer in connection with any service provided by the Company.
- .03 The Company is not liable for any act or omission of any other company or companies furnishing a portion of the service.
- .04 The Company does not guarantee or make any warranty with respect to any equipment provided by it where such equipment is used in locations containing an atmosphere which is explosive, prone to fire, dangerous or otherwise unsuitable for such equipment. The customer indemnifies and holds the Company harmless from any and all loss, claims demands, suits or other action, or any liability whatsoever, whether suffered, made, instituted or asserted by the customer or by any other party or persons, for any personal injury to or death of any person or persons, and for any loss, damage or destruction of any property, whether owned by the customer or others, caused or claimed to have been caused directly or indirectly by the installation, operation, failure to operate, maintenance, removal, presence, condition, location or use of such equipment so used.

4. LIABILITY, (Cont'd.)

- .05 The customer indemnifies and holds the Company harmless from any and all loss, claims, demands, suits or other action, or any liability whatsoever, whether suffered, made, instituted or asserted by the customer or by any other party or persons, for any personal injury to, or death of, any person or persons, and for any loss, damage or destruction of any property, whether owned by the customer or others, caused or claimed to have been caused directly or indirectly by the installation, operation, failure to operate, maintenance, removal, presence, condition, location or use of such equipment where such installation, operation, failure to operate, maintenance, condition, location or use is not the direct result of the Company's negligence.
- .06 The Company is not liable for any defacement of, or damage to, the premises of a customer resulting from the furnishing of channel facilities or the attachment of instruments, apparatus and associated wiring furnished by the Company on such customer's premises or by the installation or removal thereof, when such defacement or damage is not the result of the Company's negligence. No agents or employees of other participating carriers shall be deemed to be agents or employees of the Company.
- .07 The customer is responsible for taking all necessary legal steps for interconnecting his customer-provided terminal equipment or communications systems with Company facilities. He shall secure all licenses, permits, rights-of-way, and other arrangements necessary for such interconnection.
- .08 The customer shall ensure that his equipment and/or system is properly interfaced with the Company's facilities, that the signals emitted into the Company's network are of the proper mode, bandwidth, power, data speed, and signal level for the intended use of the customer and that the signals do not damage Company equipment, injure personnel or degrade service to other customers. If the Federal Communications Commission or some other appropriate certifying body certifies terminal equipment as being technically acceptable for direct electrical connection with interstate communications service, the Company will permit such equipment to be connected with its channels without the use of protective interface devices. If the customer fails to maintain and operate his equipment and/or system properly, with resulting imminent harm to Company equipment, personnel, or the quality of service to other customers, the Company may, upon written notice, require the use of protective equipment at the customer's expense. If this fails to produce satisfactory quality and safety, the Company may, upon written notice, terminate the customer's service.

5. CANCELLATION OF SERVICE BY A CUSTOMER (See Section B.11 for cancellation by the Company)

If a customer cancels his order for service before the service begins, before completion of the minimum period, or before completion of some other period mutually agreed upon by the customer and the Company, a charge will be levied upon the customer for the nonrecoverable portions of expenditures or liabilities incurred expressly on behalf of the customer by the Company and not fully reimbursed by installation and monthly charges. If, based on an order by a customer, any construction has either begun or been completed, but no services provided, the nonrecoverable cost of such construction shall be borne by the customer.

6. USE OF SERVICE

- .01 The services offered herein may not be used for the unauthorized provision of Message Telecommunications Service or Wide Area Telecommunications Service equivalents. Service furnished by the Company may be used for one or more of the following:

- .011 for the transmission of communications by the customer.
- .012 for the transmission of communications to or from an authorized user or joint user.
- .013 for the transmission of communications to or from a customer of another common carrier, which has subscribed to the Company's communications services for purposes of resale.

- .02 Service furnished by the Company may be arranged for joint use or authorized use. The joint user or authorized user shall be permitted to use such service in the same manner as the customer, but subject to the following:

- .021 One joint user or authorized user must be designated as the customer. The designated customer does not necessarily have to have communications requirements of his own. The customer must specifically name all joint users or authorized users in the Application for Service. Orders which involve the start, rearrangement or discontinuance of joint use or authorized use service will be accepted by the Company only from that customer and will be subject to all regulations of this catalog and the Company's Tariff P.U.C. No. 1.
- .022 All charges for the service will be computed as if the service were to be billed to one customer. The joint user or authorized user which has been designated as the customer will be billed for all components of the service and will be responsible for all payments to the company. In the event that the designated customer fails to pay the company each joint user or authorized user shall be liable to the company for all charges incurred as a result of its use of the Company's service. Each joint or authorized user must submit to the designated customer a letter accepting contingent liability for its portion of all charges billed by the company to the designated customer. This letter must also specify that the joint or authorized user understands that the company will receive a copy of the guaranty from the designated customer.

- .03 Directory Assistance is available to customers of the Company's Metered Use Services Options as follows: Domestic Directory Assistance is available for all services except Options F and M. An undiscounted charge will be applied at a rate of \$1.99 per call unless otherwise indicated below to each call for information as to any telephone number within the state of Rhode Island.

A customer may obtain Directory Assistance in determining telephone numbers by calling the Directory Assistance operator. One request may be made on each directory assistance call. The Directory Assistance charge applies to each call regardless of whether or not the Directory Assistance operator is able to furnish the requested telephone number. The Directory Assistance charge applies to each call regardless of whether the Directory Assistance Bureau is able to furnish the requested telephone number. In addition to the Directory Assistance charge, the following surcharges will apply: surcharges will apply: surcharges associated with Options B (Credit Card) and Option B (Prism Plus) calling card calls; and the surcharges associated with Operator assisted calls. For Directory Assistance calls placed with the assistance of an Operator, the surcharges associated with Operator Assisted calls will apply. The Operator Dialed Surcharge will not apply to Directory Assistance calls made using an MCI Calling Card. Directory Assistance calls will not count toward, nor be calculated as part of, the Volume Discounts offered under Metered Use Service Options.

Residential Directory Assistance Completion: The customer may request that the Directory Assistance Operator complete the calls made with the within the state for one of the numbers provided under Section B-6.03. The customer will be charged an additional undiscountable surcharge of \$.35 per completed call. The customer will be charged the per minute rate for switched originating direct dial usage for Company service to which the customer is pre-subscribed for completed calls. Call completion is available to residential customers only. Call completion is not available to callers who are not presubscribed to any Company service for calls to toll free, 500, 700, 900 and 976 numbers.

A credit allowance for Directory Assistance will be provided if the customer: experiences poor transmission quality; receives an incorrect telephone number; or inadvertently misdials the intended Directory Assistance Number.

- .04 Service furnished by the Company may be arranged for use by other common carriers for the purposes of resale subject to the following:

- .041 Other Common Carriers will be responsible for all interaction and interface with their own subscribers or customers.

6. USE OF SERVICE, (Cont'd.)

.05 Service furnished by the Company shall not be used:

.051 For any unlawful purpose.

.052 For any purpose for which any payment or other compensation is received by the customer, except when the customer is an entity which holds itself out as being a communications common carrier. This provision does not prohibit an agreement between the customer, authorized user or joint user to share the cost of the service as long as this arrangement generates no profit for anyone participating in a joint use or authorized use arrangement.

.06 PAYPHONE USE CHARGE

An undiscountable \$.55 per call charge is applicable to calls that originate from any payphone within the state used to access Company services as follows. This charge, which is in addition to standard cataloged usage charges and any applicable surcharges associated with the Company's service, applies for the use of the instrument used to access Company service and is unrelated to the Company service accessed from the payphone. Customers will be charged the Payphone Use Charge for each call, using the products listed below, which is placed from a payphone within the state.

The Payphone Use Charge does not apply to: calls using Telecommunications Relay Service; calls originated by customers with qualified hearing or speech impairments who are certified as described in Section C-3.021; and calls placed from payphones at which the customer pays for service by inserting coins during the progress of the calls.

The Payphone Use Charge will be applied to payphone calls made by customers of the following Metered Use Service Options:

Option

- | | |
|---|---------------------------------------|
| A | Prism Plus |
| C | MCI Preferred |
| D | Commercial Dial 1 |
| E | MCI Flat Rate |
| F | Advanced Option I for Small Business |
| G | MCI Flat Rate Plus |
| H | Advanced Option II for Small Business |

7. PAYMENT ARRANGEMENTS

- .01 The customer is responsible for payment of all charges for services furnished to the customer or its joint or authorized users. Non-recurring charges are payable when the service for which they are specified have been performed. If an entity other than the Company (e.g., another carrier or a supplier) imposes charges on the Company, in addition to its own internal costs, in connection with a service for which a Company non-recurring charge is specified, those charges will be passed on to the customer. Recurring charges which are fixed in amount and not dependent on usage are billed in advance. Usage charges are billed after each usage cycle.
- .02 [Reserved For Future Use.]
- .03 The Company's bills are payable upon receipt. The Company may deal with customers whose accounts show very small balances by withholding the issuance of an invoice until the amount due from the customer reaches a level which, in the Company's sole discretion, is deemed large enough to justify initiating the billing and collections process. If the Company becomes concerned at any time about the ability of a customer to pay its bills, the Company may require that customer to pay its bills within a specified number of days and to make such payments in cash or the equivalent of cash.
- .04 If a customer does not give the Company written notice of a dispute with respect to the Company's charges within six (6) months from the date the invoice was rendered; such invoices shall be deemed to be correct and binding on the customer.
- .05 For residential and Small Business customers, a late payment charge of 1.5% may be assessed on payments not received within 31 days from the invoice date, where capabilities exist. The late payment charge will be applied to the entire balance of the customer's monthly invoice, including taxes.
- .06 Recovery of Collection Costs
 - .061 Non-Residential Service: If the Company incurs any fees or expenses, including attorneys fees, in collecting any charges owed the Company by a non-Residential service customer, the customer will be liable to the Company for the payment of all such fees and expenses reasonably incurred.
 - .062 Residential Service: If the Company hires a collection agency to collect any charges owed the Company by a Residential service customer, the customer will be liable to the Company for any collection agency fees reasonably incurred. If the Company incurs any fees or expenses, including attorneys' fees, in collecting any charges owed the Company, other than hiring a collection agency, the customer will be liable to the Company for the payment of all such fees and expenses reasonably incurred by the Company.
- .07 When the state imposes upon and collects from the Company a gross receipts tax, such tax insofar as practicable, will be billed pro rata to the Company's customers receiving service within the territorial limits of the state.

8. CHANGE IN SERVICE ARRANGEMENT

When a change in service arrangement involves the continued use by the customer of channels furnished by the Company, installation charges do not apply to the channels continued in use. The minimum service period for the channels continued in use is determined from the date of the initial acceptance thereof.

9. RESTORATION OF SERVICE

The use and restoration of service in emergencies shall be in accordance with Part 64, Subpart D of the Federal Communications Commission's Rules and Regulations, which specifies the priority system for such activities.

10. INSPECTION

The Company may, upon reasonable notice, make such tests and inspections as may be necessary to determine that the requirements of this catalog are being complied within the installation, operation or maintenance of the customer or Company equipment. The Company may interrupt the service at any time, without penalty to the Company, because of departure from any of these requirements.

11. CANCELLATION FOR CAUSE BY THE COMPANY (See Section B.5 for Cancellation by Customer)

.01 The Company may discontinue the furnishing of service(s) to a customer, without incurring any liability:

- .011 Immediately and without notice if the Company deems that such action is necessary to prevent or to protect against fraud or to otherwise protect its personnel, agents, facilities or services. The Company may discontinue service pursuant to this Sub-section B.11.011 if:
 - .0111 The customer refuses to furnish information to the Company regarding the customer's credit-worthiness, its past or current use of common carrier communications services or its planned use of service(s); or
 - .0112 The customer provides false information to the Company regarding the customer's identity, address, credit-worthiness, past or current use of common carrier communications services, or its planned use of Company service(s); or
 - .0113 The customer states that it will not comply with a request of the Company for security for the payment for service(s) in accordance with Section B.7.03 of the Company's Tariff P.U.C. No. 1; or
 - .0114 The customer has been given written notice by the Company of any past due amount (which remains unpaid in whole or in part) for any of the Company's other common carrier communications services to which the customer either subscribes or used; or
 - .0115 The customer accesses Company service by dialing 1010222, or any other Company carrier identification code and has had its account(s) canceled and has been removed from the Company's billing system and is being billed for its subsequent use of the Company's network by the local exchange carrier, and either refuses to pay when billed for Company service(s) or indicates to the Company or its billing entity that it will not pay for Company service(s) used by it.
 - .0116 The customer uses service to transmit a message, locate a person or otherwise give or obtain information without payment for the service; or
 - .0117 The customer uses, or attempts to use, service with the intent to avoid the payment, either in whole or in part, of the cataloged charges for the service by:
 - .01171 Using or attempting to use service by rearranging, tampering with, or making connections to the Company's service not authorized by this catalog; or
 - .01172 Using tricks, schemes, false or invalid numbers, false credit devices, electronic devices; or
 - .01173 Any other fraudulent means or devices; or
- .012 Immediately upon written notice to the customer of any sum thirty (30) days past due; or
- .013 Immediately upon written notice to the customer, after failure of the customer to comply with a request by the Company for security for the payment of service in accordance with Section B.7.03 the Company's Tariff P.U.C. No. 1; or
- .014 Thirty (30) days after sending the customer written notice of noncompliance with any other provision of this catalog if the noncompliance is not corrected within the thirty (30) day period.

The discontinuance of service(s) by the Company pursuant to this Section does not relieve the customer of any obligation to pay the Company for charges due and owing for service(s) furnished up the time of discontinuance.

12. TESTING AND ADJUSTING

Upon reasonable notice, the channels provided by the Company shall be made available to the Company for such tests and adjustments as may be necessary to maintain them in satisfactory condition; no interruption allowance will be granted for the time during which such tests and adjustments are made.

.13 Use of Service

Effective March 3, 2006 Residential and Small Business services offered under this catalog that require concurrent enrollment in local exchange service provided under MCImetro Access Transmission Service, LLC d/b/a Verizon Business Services Rhode Island P.U.C. Tariff No. 1 will no longer be available to new customers residing in areas in which local exchange service is provided by any affiliate or subsidiary of Verizon not subject to MCImetro Access Transmission Service, LLC d/b/a Verizon Business Services Rhode Island P.U.C.

Tariff No. 1. This does not apply to customers of this service who are eligible to subscribe to the Residential Affinity Savings Plan I or the Small Business Affinity Savings Plan I. Additionally, Company services, to the extent they have been made unavailable to new and/or existing customers of those services as of that date, may continue to be offered and provided without revision to customers subscribing to those services via an agreement with an agent or other affinity of the Company (including, but not limited to, Quixtar, Inc.; and excluding Fionda, LLC, and Espirit de Corpe, Inc.), who has contracted with the Company to sell Company services to its members.

14. MCI HOLIDAY DISCOUNTS

Rhode Island intrastate usage customers may be eligible to receive MCI holiday discounts subject to the terms and conditions as outlined in the Company's Tariff P.U.C. No. 1.

15. CALL BLOCKING

Call Blocking: Without notice, the Company may block calls to or from certain countries, country codes, cities, city codes, NXX exchanges, individual telephone stations, groups or ranges of individual telephone stations or calls that use certain authorization codes, whenever the Company deems it necessary to take such action to prevent: (a) the unlawful use of service; (b) fraud; (c) nonpayment for service; (d) the use of service in violation of the requirements of this Catalog; or (e) Company network blockage or the degradation of service furnished to the Customer or to other customers; or when actions taken by foreign governments or foreign telecommunications agencies, or responsive actions taken by the U. S. Government or any instrumentality thereof, render it impossible or impracticable to provide service. The Company will unblock as soon as it determines it can do so without undue risk, and it will, upon request by an affected Customer, assign new authorization codes to replace any that were deactivated. Whenever call blocking occurs on lines presubscribed to the Company, Customers or former Customers will be unable to make calls via any of the Company's CICs or those of its affiliates. At the request of a private payphone owner, the Company will arrange to block direct dial (i.e., completed without the assistance of an operator) calls made from a payphone to Puerto Rico and the U.S. Virgin Islands and to all international locations, except Canada. The Company may refuse to accept calling or credit card, collect calling and/or Original number calls which it determines are or may be fraudulent, or it may limit the use of these billing options to or from certain countries or areas, including all or part of the United States, Puerto Rico, and the U.S. Virgin Islands.

16. Effective February 1, 2009, the Company will no longer offer presubscribed long distance service to new residential and small business customers in areas in which local exchange service is provided by any subsidiary or affiliate of Verizon not subject to this catalog]. Residential and small business customers currently subscribed to Company long distance service will no longer be able to move, add to, or change the service to which they are subscribed, except that customers may switch to a different Company service for which they are eligible if they wish, and customers of local/long distance integrated service may cancel local features on their service if they wish. All residential and small business end users will continue to be able to access the Company network and will be subject to this catalog on a non-presubscribed basis, e.g. collect calling, "dial around" services, or where their local exchange carrier installs the Company as the long distance PIC without the customer directly signing up with the Company for any calling plan.

SECTION C - SERVICE DESCRIPTIONS AND RATES

1. GENERAL DESCRIPTION OF INTRASTATE TELECOMMUNICATION SERVICES

- .01 Intrastate Telecommunication Services are offered to subscribers on a Metered Use Basis.
- .02 All service shall remain in effect for a minimum of thirty (30) days.
- .03 A customer may provide his own dedicated facilities to access the Company's terminal where such dedicated facilities are required.
- .04 The Company offers its services subject to the availability of the necessary facilities and/or equipment. The Company reserves the right to refuse to provide service to or from any location where the necessary facilities and/or equipment are not available (see Section B.2).

2. METHOD FOR CALCULATION FOR AIRLINE MILEAGE

.01 Method of Calculation

The airline mileage between two cities can be calculated using the Vertical (V) and Horizontal (H) Coordinates as obtained by reference to AT&T's Tariff P.U.C. No. 10 according to the following formula.

Formula:

$$\sqrt{\frac{(V_1V_2)^2 + (H_1H_2)^2}{10}}$$

3. METERED USE SERVICE ¹

.01 General Description

Metered Use Service offers the use of intrastate communications facilities shared among multiple users, and is provided on the basis of the service options listed below. Depending on the option(s) chosen the customer may select the manner in which calls are originated and terminated, may obtain one-way or two-way service, may enjoy point-to-point or multipoint service, or may originate calls in multiple cities.

Under each of the service options, the individual customer's total monthly charges for their use of the intrastate communications facilities are based upon the total time the customer (account) utilizes such facilities. In that regard, individual intrastate facilities usage charges, as well as other specific charges, discounts and/or features are applicable to each individual service option. When a metered use service call is established in one time-of-day rate application period and ends in another, the rate in effect in each rate application period applies to the portion of the call occurring within that rate application period. A specific description of each of the Metered Use Services is contained in Sections C.3.02-C.3.23 following.

¹ Effective March 1, 2011, for all residential customers of Metered Use Service, all Calling Card service and Toll Free / 800 service will no longer be available to new customers.

- .02 Operator Assistance, Local Exchange Company Calling Cards, and Payphones¹
(Effective on or after August 8, 2016, MCI Communications Services **LLC** will no longer offer Person-to-Person, 3rd Number Billing, or Collect Call operator services throughout the United States to customers that MCI serves as an interexchange carrier or facility-based local carrier.)
- (A) Calls made from MCI pre-subscribed payphones or institutional ph©ones and which are completed with the assistance of an MCI operator;
 - (B) Calls made from payphones or institutional phones which are not pre-subscribed to the Company, but are placed by dialing 1010222 or any other Company carrier identification code and which are completed with the assistance of a Company operator;
 - (C) Calls made from private residential or business phones pre-subscribed to the Company and which are completed with the assistance of a Company operator;
 - (D) Calls made from private residential or business phones which are not pre-subscribed to the Company, but are placed by dialing 1010222 or any other Company carrier identification code and which are completed with the assistance of a Company operator; and
 - (E) Calls which are billed to a Local Exchange Company Calling Card, regardless of the phone from which the call is placed.
 - (F)³ Calls which are placed by dialing a Company-provided access number, which permits the caller to place a collect call with the assistance of an operator, live or automated in a voice response unit.
 - (G) Calls which are placed from public and semi-public payphones for which the customer pays by inserting coins into the payphones as payment for the calls on a real-time basis.²

¹ Available only to customers in equal access exchange areas.

² The initial period for calls in this category is three (3) minutes. Each additional period is for one (1) minute.

³ Calls subject to the availability of the 1-800-COLLECT access number to complete calls on the Company's network.

- .02 Operator Assistance, Local Exchange Company Calling Cards, and Payphones, (cont'd.)

The Company's 0+ Guardian Service provides an end user with intrastate calling capability from specific healthcare service provider locations for healthcare service providers that have signed an exclusive agreement with MCI for the provision of operator service calling classifications as described in Section C-3.022. 0+ Guardian Service allows for calls that are placed with the assistance of a live or automated operator from healthcare service provider client telephones presubscribed to the Company.

Per-Minute Rates: The operator services per-minute rates in Section C-3.0221 shall apply to 0+ Guardian service.

Per-Call Surcharges: In lieu of the operator service surcharges described in Section C-3.02212, a surcharge of \$3.00 shall apply for all intrastate 0+ Guardian operator service calls in addition to the per-minute rates described above.

.03 Option B (MCI Prism Plus)

Option B is a one-way, multipoint service allowing the customer to originate calls via customer-provided local business telephone lines, and allowing the termination of calls via a combination of Company-provided intercity facilities and local business telephone lines. All Prism Plus calls are subject to a full minute rounding after the initial Original minute increment. A customer who subscribes to Option B but does not pay for usage when billed (as prescribed under Section B.07.02), will be terminated as a Prism Plus customer. If the party then continues to access the Company network, it will be billed for its usage at the rates specified in Section C-3.02 and will be treated in all respects as a customer of that service.

By subscribing to this service, Customer understands that use of this service is restricted in the following manner: Customer may not resell the services in any manner, including but not limited to as a wholesaler or aggregator.

Minimum Charge: The company does not invoice charges in fractions of a cent; the minimum charge for any charge element is \$.01.

- (G) Calls which are placed from business phones and for which prearrangement with the Company have been made and for which certain call parameters are provided to the customer on a real-time basis.
- .0351 Intrastate Calls: For intrastate calls falling within classification (a), (b) and (e) above, usage rates are as listed in Section C-3.022. For intrastate calls falling within classification (c) and (d) above, usage rates are as listed in Section C-3.0311.
- .0352 Surcharges: For all intrastate calls falling within classifications (a) to (e) above are subject to undiscountable surcharges as listed in Section C-3.022.
- .0353 Volume Discounts: For customers² with established MCI Prism Plus accounts, all usage and surcharge revenue associated with calls which fall within classifications (a) to (d) above apply toward the calculation of Prism Plus volume discount eligibility. The discounts, when earned apply only to the usage revenue.
- For calls to Local Exchange Company Calling Cards, no volume discounts apply, nor is the usage or surcharge revenue included in the calculation of discount eligibility.
- .036 Service Availability
- Option B is available from all exchanges which have been converted equal access in the Rhode Island metropolitan areas listed in Section C.12 of the Company's Tariff FCC No. 1.

¹Available only to customers in equal access exchange areas.

²In the case of collect or Original party calls, the customer is the party paying the call.

.036 Friends of the Firm Program:

A variation of Prism Plus, the Friends of the Firm Program permits a customer or Subscriber to form a Calling Circle as described in Section A of this catalog. Once a Calling Circle is established, the following calls qualify for the Friends of the Firm discounts:

- direct-dialed calls from the Subscriber to a member of his/her Calling Circle;
- operator-assisted calls from the Subscriber to a member which are billed to the Subscriber's account;
- collect calls placed to the Subscriber's account;
- Original-party calls made by a member and billed to the Subscriber's account; and
- Prism Plus calling credit card calls placed to a member of the Subscriber's Calling Circle and billed to the Subscriber's Calling Card account.

A twenty (20) percent discount will be applied against all such gross qualified intrastate call usage and surcharges.

Directory Assistance and any monthly recurring charges are not discounted under this Program.

.04 Option C (MCI Preferred)

MCI Preferred is a one-way, outbound, multipoint service for single or multi-location customers using Dial "1", calling card origination and/or an inbound service using 800 termination. Multiple outbound calling locations will be billed via a single invoice. If applicable, upon enrollment, the customer must designate each originating Dial "1" telephone number as either Service Type 1 ¹ Service Type 2², as described below. All Option C calls are subject to a full minute rounding after the initial Original minute.

This catalog is being offered to Rhode Island customers that have a requirement to make intrastate calls. Intrastate service is provided in conjunction with Interstate Preferred service as provided in the Company's Interstate Tariff P.U.C. No. 1.

By subscribing to this service, Customer understands that use of this service is restricted in the following manner: Customer may not resell the services in any manner, including but not limited to as a wholesaler or aggregator.

.041 Access Methods and Charges

.0411 Dial "1" Access

Dial "1" access can be used for Option C alone or in conjunction with calling card access and/or 800 access. There are two types of Dial "1" service: Service Type 1 and Service Type 2. Service Type 2 can only be used in conjunction with Service Type 1. The customer can pre-subscribe up to five (5) Service Type 2 locations for each Option C account.

A Service Type 1 location is defined as all lines associated with a single billing telephone number (BTN) as provided by the local exchange carrier.

At each Service Type 2 location, there can be a maximum of two (2) originating telephone numbers. However, there is no limit to the number of originating telephone numbers at a Service Type 1 location.

¹Service Type 1 refers to service provided at business location. Business locations are locations where service is used primarily or substantially for business purposes.

²Service Type 2 refers to service provided at residential location. Residential locations are locations where service is provided primarily for social or domestic purposes.

.04111 Usage Charges

Minimum Charge: \$20.00 per account if total Option C usage charges (excluding non-recurring and monthly fees) are less than \$20.00 per account per monthly invoice.

.041111 Service Type 1 ¹: The per minute rates set forth below will apply to all Option C Dial "1" calls that originate from Service Type 1 locations and terminate in Rhode Island.

<u>Business Day</u>	<u>Evening</u>	<u>Night/Weekend</u>
\$0.3500	\$0.3000	\$0.3000

.041112 Service Type 2: The per minute rates set forth below will apply to all Option C Dial "1" calls that originate from Service Type 2 and terminate in Rhode Island.

<u>Business Day</u>	<u>Evening</u>	<u>Night/Weekend</u>
\$0.4000	\$0.3100	\$0.3100

¹Preferred customers participating in the Company's Interstate Preferred Regional Program will receive a 5% discount off of Service Type 1 and Type 2 Switched Intrastate Preferred catalog rates.

.0412 Calling Card Access

Calling card access, available for origination from touch-tone or rotary phones by calling a Company-assigned "800" number, can be used for Option C alone or in conjunction with Dial "1" and/or 800 access. A customer may request up to fifty (50) calling card authorization codes per account.

.04121 Usage Charges

For all Option C calling card calls that originate and terminate in Rhode Island, the following per minute usage charges will apply.

<u>Business Day</u>	<u>Evening</u>	<u>Night/Weekend</u>
\$0.3600	\$0.3100	\$0.3100

.04122 Card Access Surcharge

A surcharge of \$1.20 will apply to each intrastate Option C card call.

.0413 MCI Preferred 800

MCI Preferred 800 can be used as part of Option C service alone and/or in conjunction with Dial "1" access or calling card access. This type of access is accomplished by 800 termination in which the Company provides an 800 number with Business Line Termination to the Option C customer so that the customer can receive incoming calls. The Option C customer is billed for the calls rather than the call originators. A customer may order multiple MCI Preferred 800 numbers which can terminate to the same or different telephone number.

.04131 Usage Charges

For all Option C MCI Preferred 800 calls that originate and terminate in Rhode Island, the following per minute usage charges will apply.

<u>Business Day</u>	<u>Evening</u>	<u>Night/Weekend</u>
\$0.3500	\$0.2600	\$0.2600

Toll Free 800 Access Service Fee: Monthly Plan Fee \$10.00

.0414 Volume Discounts

Volume Discounts set forth in the Company's interstate tariff, P.U.C. No. 1, may apply to Interstate and Intrastate Preferred usage revenue.

.0415 Directory Assistance

An undiscounted charge as described in Section B-6.03 will apply to each intrastate call to Directory Assistance.

.0416 MCI Private 800:

For each MCI Private 800 number, the Company will provide an 800 number, and a 4-digit security code with which the customer can receive incoming domestic calls, subject to the provisions set forth in the Company's Tariff P.U.C. No. 1.

.0417 Preferred Maximizer

Preferred Maximizer is available to all MCI Preferred customers who enroll in the program.

.04171 Usage Charges: Customers enrolled in Preferred Maximizer will be charged the rates in Sections C-3.0411 through C-3.0414.

.04172 Preferred Maximizer Volume Discounts: The Preferred Maximizer Volume Discount is only available to customers enrolled in the Preferred Maximizer Program and whose monthly combine gross usage and surcharges (excluding any non-recurring, monthly Directory Assistance, or enhanced card feature charges) equal or exceeds \$20. The following discounts, based on monthly usage, will apply to total eligible usage.

<u>Monthly Usage</u>	<u>Discount</u>
\$20.00 - \$949.99	0%
\$950.00 - \$10,000.00	5%

.04173 Discounts: The customer is eligible to receive Preferred Maximizer Volume, Commercial Affinity (CAP), Commercial Affinity Program Plus (CAP Plus), and Preferred Value Insurance Plan discounts as specified in the Company's Tariff FCC No. 1. In addition, in lieu of the \$10 monthly service fee for MCI Preferred 800 access, the customer will be charged \$5 per month.

.05 Option D (Commercial Dial 1)

Commercial Dial 1 Service is a one-way, dial in-dial out multipoint service allowing Commercial Service customers to originate and terminate calls via Company-provided local business telephone lines or other exchange access facilities. Subscribers to Commercial Dial 1 Service may originate calls only in the city or cities in which they maintain an active account. All Option D calls are rounded to the next higher full minute. If the computed charge includes a fraction of a cent, the fraction is rounded to the nearest whole cent for all domestic Intrastate Commercial Dial 1 calls.

By subscribing to this service, Customer understands that use of this service is restricted in the following manner: Customer may not resell the services in any manner, including but not limited to as a wholesaler or aggregator.

.051 Monthly Recurring Charges

.0511 Per Minute Usage Charges

	<u>Business Day</u>	<u>Evening</u>	<u>Night/Weekend</u>
INTRALATA:	\$0.4300	\$0.4300	\$0.4300

.0513 Directory Assistance: An undiscounted charge as described in Section B-6.03 will apply to all intrastate Directory Assistance calls.

.0514 Operator Assistance, Local Exchange Company Calling Card and Payphones: Service is provided according to the provisions and rates described in Section C-3.022.

.0515 Volume Discounts: Volume discounts may apply to intrastate usage revenue for Commercial Dial 1. These discounts are subject to the terms and conditions as outlined in the Company's Tariff P.U.C. No. 1.

.0516 Text Telephone Discount: Text Telephone Discounts are provided subject to the terms and conditions found in the Company's Tariff P.U.C. No. 1.

.0517 Optional Features

.05171 Private 800: Private 800 is provided subject to the terms and conditions found in the Company's Tariff P.U.C. No. 1.

- .0518 Customer Account Minimum Charge: The Customer Account Minimum Charge applies when the customer's total Option D combined monthly eligible usage is less than the Customer Account Minimum Charge specified below.
- Eligible usage is defined as all Option D Dial 1 and Calling Card usage and surcharges (not including any non-recurring, monthly recurring - excluding Customized Business Program monthly recurring charges- Directory Assistance, 1800 Collect, Local Exchange Carrier Calling Card, Telecom Canada Calling Card, Conference Calling, GTE Airfone Service charges and taxes).
- Customer Account Minimum charge is \$5.00 per account if total Option D eligible usage charges are less than \$5.00 per account per month. The \$5.00 charge is applied against the month's usage charges.
- The Customer Account Minimum charge will be prorated, based on the number of days in the monthly billing cycle, when the Option D account is furnished to the customer for less than a full billing month due the customer establishing an Option D account during a monthly billing cycle.
- .0519 Calling Card: A \$0.91 per minute charge and a \$1.14 per call surcharge will apply to each Option D calling card call within the state.
- .052 Service Availability - Commercial Dial 1 Service is available from all exchanges which have been converted equal access in the Rhode Island metropolitan areas listed in Section C.12 of MCI's Tariff P.U.C. No. 1.

.06 Option E (MCI Flat Rate)¹

Option E (MCI Flat Rate) is an outbound and inbound, multipoint service for single or multiple location customers. Customers may access the Company network using Dial 1 or calling card origination and/or inbound service using 800 termination. Customers are subject to the terms and conditions of this program as outlined in the Service Agreement and Rate Schedule at <http://www.mci.com/service>. Upon enrollment, customers must designate a term plan Option, with either a month-to-month, one-year, or two-year commitment. No discounts will apply to this service. Outbound Option E calls may originate or terminate in the state. Outbound calls are dialed without the assistance of a Company Operator, except for calling card calls originating from a rotary phone. The service does not include calls as specified in Section 3.022. Inbound Option E calls are made through a designated 800 number, whereby the Option E customer is billed rather than the call originator. All calls are subject to a full minute rounding after the initial Original minute. If the computed charge includes a fraction of a cent, the fraction is rounded to the nearest whole cent.

By subscribing to this service, Customer understands that use of this service is restricted in the following manner: Customer may not resell the services in any manner, including but not limited to as a wholesaler or aggregator.

.061 Monthly Account Fee

Minimum Charge: \$20.00 per account if total Option E (interstate and intrastate) usage charges (excluding non-recurring monthly fees) is less than \$20.00 per account per month. The \$20.00 charge is applied against the month's usage charges.

.062 Access Methods and Charges

.0621 Dial "1" Access: Dial "1" access can be used for Option E alone or in conjunction with calling card access and/or 800 access. The customer can pre-subscribe up to fifty locations for each Option E account. There is no limit to the number of originating telephone numbers at each location. Option customers will be charged \$.3000 per minute for intrastate Dial "1" calls.

.0622 Calling Card Access: Calling card access is available for origination from touch tone or rotary phones by calling a Company-provided 800 number. A customer may request up to 50 calling card authorization codes per account. All other intrastate calling card calls will be charged a \$.31 per minute with a per call surcharge of \$1.20 for all intrastate calls.

.0623 MCI Flat Rate 800: MCI Flat Rate 800 can be used as part of Option E service alone and/or in conjunction with Dial "1" or calling card access. This type of access is accomplished by 800 termination in which the Company provides a unique 800 number with Business Line termination to the Option E customer for receipt of incoming calls. The Option E customer is billed for the calls rather the call originator. A customer may order multiple 800 numbers which can terminate to the same or different telephone numbers. Option E customers are subject to the rules and regulations governing MCI 800 Service as set forth in Tariff P.U.C. No. 1. Option E customers will be charged \$.3000 per minute for MCI Flat Rate 800 calls originating and terminating in the state.

¹Effective August 31, 1996, Option E service will no longer be available to new subscribers.

.062 Access Methods and Charges, (cont'd.)

- .0624 MCI Private 800: MCI Private 800 provides a number to receive calls from any point within the state. The customer may have multiple MCI Private 800 numbers per account.
