INTEREXCHANGE TELECOMMUNICATIONS SERVICES CATALOG

SECTION B - TERMS AND CONDITIONS

1. DESCRIPTION OF SERVICE

.01 InterLATA INTEREXCHANGE Telecommunications Service is the furnishing of the Company services for communications between specified locations under the terms of this catalog. Channels will be those of the Company alone, or the Company's in conjunction with those of other participating, concurring or connecting carriers.

.02 InterLATA INTEREXCHANGE Telecommunications Service consists of the furnishing for the use of customers, of channels for the direct transmission and reception of communications between the Company Metropolitan Area Terminal City Locations or the Company terminals and all service offerings contained herein which anticipate the provision of such channels as part of the offering are Included in this category. Such service has the capability of being extended beyond the respective Company Terminal Locations.

.03 the Company, when acting at the customer's request and as his authorized agent, will make reasonable efforts to arrange for service requirements which may Include terminal equipment and circuit conditioning.

2. LIMITATIONS

.01 Service is offered subject to the availability of facilities and the provisions of this catalog.

.02 the Company reserves the right to discontinue furnishing service, upon written notice, when necessitated by conditions beyond its control or when the customer is using the service in violation of the provisions of this catalog, or in violation of the law.

.03 Service may be discontinued by the Company without notice to the customer, by blocking traffic to certain cities, or NXX exchanges, or by blocking calls using certain customer authorization codes, when the Company deems it necessary to take such action to prevent unlawful use of its service. The Company will restore service as soon as it can be provided without undue risk, and will, upon request by the customer affected, assign a new authorization code to replace the one that has been deactivated.

.04 Toll access will not be provided to local 976 numbers because the proprietors of the services offered through such numbers have not provided the Company with a schedule of their charges.

.05 The Company reserves the right to discontinue the use of any code provided to a customer of its Metered Use Section Option A (Dial One/Direct Dial) or its Metered Use Section Option B (Credit Card) and to substitute another code for such customer's use. Nothing herein, or in any other provision of this catalog, or in any marketing materials issued by the Company shall give any person any ownership interest or proprietary right in any given the Company code; provided, however, that a customer that continues to subscribe to the Company’s Metered Use Service Option A or Option B will be provided a replacement code in the event such customer's initial code is cancelled.

.06 A customer shall not use any service mark or trade mark of the Company or refer to the Company in connection with any product, equipment, promotion or publication of the customer without the written approval of the Company .

.07 Calls may not be placed using a Local Exchange Company's calling card whenever there is no obligation on the part of the Local Exchange Company issuing the calling card to invoice such calls on the Company's behalf, and calls may not be placed or received using 1010XXX dialing or collect or third party calling conventions, e.g., 1-800-COLLECT, whenever there is no obligation on the part of the serving Local Exchange Carrier to invoice such calls on the Company's behalf or whenever that Carrier fails to provide billing name and address (BNA) information to the Company in connection with such calls.

INTEREXCHANGE TELECOMMUNICATIONS SERVICES CATALOG

SECTION B - TERMS AND CONDITIONS

2. LIMITATIONS (Continued)

.08 Call Blocking: Without notice, the Company may block calls to or from certain countries, country codes, cities, city codes, NXX exchanges, individual telephone stations, groups or ranges of individual telephone stations or calls that use certain authorization codes, whenever the Company deems it necessary to take such action to prevent: (a) the unlawful use of service; (b) fraud; (c) nonpayment for service; (d) the use of service in violation of the requirements of this catalog; or (e) the Company network blockage or the degradation of service furnished to the Customer or to other customers; or when actions taken by foreign governments or foreign telecommunications agencies, or responsive actions taken by the U. S. Government or any instrumentality thereof, render it impossible or impracticable to provide service. the Company will unblock as soon as it determines it can do so without undue risk, and it will, upon request by an affected Customer, assign new authorization codes to replace any that were deactivated. Whenever call blocking occurs on lines presubscribed to the Company, Customers or former Customers will be unable to make calls via any of the Company's CICs or those of its affiliates. At the request of a private payphone owner, the Company will arrange to block direct dial (i.e., completed without the assistance of an operator) calls made from a payphone to Puerto Rico and the U.S. Virgin Islands and to all international locations, except Canada. the Company may refuse to accept calling or credit card, collect calling and/or third number calls which it determines are or may be fraudulent, or it may limit the use of these billing options to or from certain countries or areas, Including all or part of the United States, Puerto Rico, and the U.S. Virgin Islands.

INTEREXCHANGE TELECOMMUNICATIONS SERVICES CATALOG

SECTION B - TERMS AND CONDITIONS

3. TERMS AND CONDITIONS

.01 Service is provided and billed on the basis of a minimum period of at least one month, beginning on the date that billing becomes effective, and continues to be provided until cancelled, by the customer, in writing, on not less than 30 days' notice from the date of postmark on this letter.

.02 Service is offered on a monthly basis, 24 hours per day. It is also offered on a Metered Use basis, as described in Paragraph C.3 following.

.03 For the purpose of computing charges in this catalog, a month is considered to have 30 days.

.04 The name(s) of the customer(s) desiring to use the service must be stipulated in the application for service.

.05 The customer agrees to operate the Company-provided equipment in accordance with instructions of the Company or the Company's agent. Failure to do so will void the Company liability for interruption of service and may make customer responsible for damage to equipment pursuant to Section B.3.06 below.

.06 Customer agrees to return to the Company all the Company-provided equipment delivered to customer within five (5) days of termination of the service in connection with which the equipment was used. Said equipment shall be in the same condition as when delivered to customer, normal wear and tear only excepted. SECTION B - TERMS AND CONDITIONS (Cont.)

4. LIABILITY (CONT.)

.02 (CONT.)

.025 With respect to any service provided by the Company which involves shared access, shared interexchange transmission, and shared termination, with per minute usage charges, [Metered Use Service Option A (Dial One/Direct Dial), Option B (Credit Card), Option H (Prism Plus)], the Company 's liability shall not exceed an amount equal to the charge applicable to a one minute call to the called station at the time the affected call was made (if there is a higher initial minute rate for the service, that higher per minute rate shall apply).

The liability provided for above, shall, in each case, be in addition to any amounts that may otherwise be due the customer under this catalog as a credit allowance for the interruption of service.

.03 the Company shall be indemnified, defended, and held harmless by the customer or by others authorized to use the service against all claims of loss or damage arising from the use of service furnished under this catalog, Including:

.031 claims for libel, slander, invasion of privacy, or infringement of copyright arising out of the material, data, information, or other content transmitted via Company service; and

.032 patent infringement claims arising from combining or connecting the Company service with apparatus and systems furnished by the customer or others; and

.033 all other claims arising out of any act or omission of the customer or others, Including those relating to Section B-4.07 following, in connection with any service provided by the Company.

.04 The Company shall not be liable for any act or omission of any other Company or companies furnishing a portion of the service, or for damages associated with service, channels, or equipment which it does not furnish.

.05 The Company does not guarantee nor make any warranty with respect to service installations at locations at which there is present an atmosphere that is explosive, prone to fire, dangerous or otherwise unsuitable for such installations. The customer and user shall indemnify and hold the Company harmless from any and all loss, claims, demands, suits or other action, or any liability whatsoever, whether suffered, made, instituted or asserted by the customer or by any other party, for any personal injury to, or death of, any person or persons, and for any loss, damage or destruction of any property, whether owned by the customer or others, caused or claimed to have been caused, directly or indirectly, by the installation, operation, failure to operate, maintenance, removal, presence, condition, location or use of service furnished by the Company at such locations.

.06 The Company is not liable for any defacement of, or damage to, the premises of a customer resulting from the furnishing of service, or the attachment to service by the Company of instruments, apparatus and associated wiring on such customer's premises or from the installation or removal thereof, when such defacement or damage is not the result of Company negligence. No agents or employees of other participating carriers shall be deemed to be agents or employees of the Company.

SECTION B - TERMS AND CONDITIONS (Cont.)

4. LIABILITY (CONT.)

.07 the Company shall not be liable for the customer's failure to fulfill its obligation to take all necessary steps for interconnecting its customer-provided terminal equipment or communications system with the Company service. The customer shall secure all licenses, permits, rights-of-way, and other arrangements necessary for such interconnection. In addition, the customer shall ensure that its equipment and/or system is properly interfaced with Company service, that the signals emitted into the Company's network are of the proper mode, bandwidth, power, data speed, and signal level for the intended use of the customer and in compliance with the criteria set forth in Section B-13 following, and that the signals do not damage Company equipment, injure its personnel or degrade service to other customers. If the Federal Communications Commission or some other appropriate certifying body certifies terminal equipment as being technically acceptable for direct electrical connection with interstate communications services, the Company will permit such equipment to be connected with its channels without the use of protective interface devices. If the customer fails to maintain and operate its equipment and/or system properly, with resulting imminent harm to the Company equipment, personnel, or the quality of service to other customers, the Company may, upon written notice, require the use of protective equipment at the customer's expense. If this fails to produce satisfactory quality and safety, the Company may, upon written notice, terminate the customer's service without liability.

5. CANCELLATION OF SERVICE BY A CUSTOMER (See Section B-11 for cancellation by the Company)

.01 If a customer cancels an order for service before the service begins, before completion of the minimum period, or before completion of some other period mutually agreed upon by the customer and the Company , a charge will be levied upon the customer for the nonrecoverable portions of expenditures or liabilities Incurred expressly on behalf of the customer by the Company and not fully reimbursed by installation and monthly charges. If, based on an order by a customer, any construction has either begun or been completed, but no services provided, the nonrecoverable costs of such construction shall be borne by the customer.

.02 If an order for installation is delayed for more than 30 days beyond the due date, and such delay is not requested or caused by the customer, the customer may cancel the order without Incurring cancellation charges.

6. USE OF SERVICE

.01 The services offered herein may not be used for the unauthorized provision of Message Telecommunications Service or Wide Area Telecommunications Service equivalents. Service furnished by the Company may be used for one or more of the following:

.011 for the transmission of communications by the customer.
.012 for the transmission of communications to or from an authorized user or joint user.
.013 for the transmission of communications to or from a customer of another common carrier, which has subscribed to the Company's communications services for purposes of resale.

.02 Service furnished by the Company may be arranged for joint use or authorized use. The joint user or authorized user shall be permitted to use such service in the same manner as the customer, but subject to the following:

.021 One joint user or authorized user must be designated as the customer. The designated customer does not necessarily have to have communications requirements of his own. The customer must specifically name all joint users or authorized users in the Application for Service. Orders which involve the start, rearrangement or discontinuance of joint use or authorized use service will be accepted by the Company only from that customer and will be subject to all terms and conditions of this catalog.

SECTION B - TERMS AND CONDITIONS (Cont.)

6. USE OF SERVICE (Cont.)

.022 All charges for the service will be computed as if the service were to be billed to one customer. The joint user or authorized user which has been designated as the customer will be billed for all components of the service and will be responsible for all payments to the Company. In the event that the designated customer fails to pay the Company each joint user or authorized user shall be liable to the Company for all charges Incurred as a result of its use of the Company's Service. Each joint or authorized user must submit to the designated customer a letter accepting contingent liability for its portion of all charges billed by the Company to the designated customer. This letter must also specify that the joint or authorized user understands that the Company will receive a copy of the guaranty from the designated customer. Unless Supportive Services are provided (See Section D), the customer shall be responsible for allocating charges to each joint user or authorized user.

A.03 At a customer's option Metered Use Service Option A (Dial One/Direct Dial, Including Company Prime Calling Option), Metered Use Service Option B (Credit Card) or Option U (Commercial Dial 1) furnished by the Company under Section C-3.02, C-3.03 and C-3.22 below, or the three services in combination, can be arranged for use under a form of joint use which is designated as Corporate Account Billing. A customer, at its option, may qualify for Corporate Account Billing if it: (1) agrees to place a single unified order for service for multiple business locations that the customer owns, franchises, manages, or directs; (2) agrees to generate at least $2,500 per month in combined usage of Metered Use Service Option A (Dial One/Direct Dial, Including Company Prime Calling Option), Option B (Credit Card), Option U (Commercial Dial 1) and/or Option H (Prism Plus) by its sub-accounts (for those customers not reaching the $2,500 threshold, a monthly fee of $100.00 will be charged);[1] and (3) agrees to be responsible for the usage of all sub-accounts as provided in Section B-6.031 below. A customer electing this option and its sub-accounts will be given a volume discount as provided in Sections C-3.02131 and C-3.03. Customers who elect this billing option are subject to the following:

A.031 The customer electing this option shall be designated as the Sponsor, and as such must accept financial responsibility for all sub-accounts Included under the Corporate Account Billing arrangement. Should the total monthly usage charges for all sub-accounts fail to equal $2,500 in any month, the Sponsor is responsible for the difference.[1]

[1] A grace period, consisting of the initial (partial) month and the next three full billing months will be extended to all new customers. During this period, the monthly minimum usage charge will not be billed.

SECTION B - TERMS AND CONDITIONS (Cont.)

6. USE OF SERVICE (CONT.)

A.032 The Sponsor must specifically name all sub-accounts in the application for Corporate Account Billing option. Further, orders which involve the start or discontinuance of service will be accepted by the Company only from the Sponsor and will be subject to all terms and conditions in this catalog.

A.033 Each sub-account will be deemed to be a customer of the Company, and will be billed separately for its Company service and will be responsible for payments to the Company. In the event that a sub- account fails to pay the Company the Sponsor shall be liable to the Company for all charges Incurred as a result of such sub-account's use of the Company's service. Prior to initiation of service under Corporate Account Billing, the Sponsor must submit to the Company a letter accepting the terms and conditions set forth herein.

B.03 A customer, at its option, may obtain Corporate Account Service PLUS if it agrees to: (1) place a single unified order for service for multiple business locations that the customer owns, franchises, manages or directs; (2) subscribe to services furnished under this catalog for one year; (3) for those customers not reaching the $15,000 threshold, a monthly fee of $1,500.00 will be charged; and (4) be bound to the other terms and conditions set forth in this Section B-6.03.[1] A customer's electing this option will be given discounts as provided in Section C-3.02131, C-3.03, and C-3.0914 for itself and its subaccounts. Customers who elect to subscribe to this service option shall not be entitled to any other discount or promotion offered by the Company on charges arising from services furnished pursuant to this option. Customers who elect this option are also subject to the following:

B.031 The customer electing this option shall be designated as the Sponsor and, as such, must accept financial responsibility for the $1,500.00 monthly Corporate Account Service PLUS fee. If service under this option is cancelled at any time after three full billing months, the Sponsor will be responsible for paying the Company the remaining balance for the remainder of the one year service term.[1]

B.032 Each sub-account will be deemed to be a customer of the Company, will be billed separately for its Company service, and will be responsible for payments to the Company. In the event that a sub-account fails to pay the Company the Sponsor shall be liable for all charges Incurred as a result of the sub-account's use of the Company's service.

B.033 Prior to initiation of service under Corporate Account Service PLUS, the sponsor must sign a Letter of Understanding accepting the terms and conditions set forth herein.

[1] For the first three full billing months of service the monthly fee will not be billed. Thereafter, if a customer cancels from this option, the customer will be financially responsible for payment of the $1,500.00 monthly fee times the number of full months remaining in the one-year Corporate Account Service PLUS commitment.

Up to two requests may be made on each call to Directory Assistance. The Directory Assistance charge applies to each call regardless of whether the Directory Assistance Bureau is able to furnish the requested telephone number. In addition to the Directory Assistance charge, the following surcharges also apply: surcharges associated with Option B and Option H calling card calls, and for Directory Assistance calls placed with the assistance of an Operator, the surcharges associated with operator assisted calls. The Operator Dialed surcharge will not apply to Directory Assistance calls made using a Company Calling Card. Directory Assistance calls will not count toward, nor be calculated as part of, the Volume Discounts offered under Metered Use Service Options.

An undiscounted charge will be applied to each call. The Directory Assistance charge will not be applied to any person or persons who suffer from physical or visual handicaps which preclude their use of telephone directories.

A credit allowance will be given, i.e. the charge that would otherwise apply will be waived, when (1) the customer experiences poor transmission or is cut-off during the call to Directory Assistance, (2) the customer is given an Incorrect telephone number by the Directory Assistance operator, or (3) the customer has inadvertently misdialed and has reached Directory Assistance for the wrong area code. To obtain such a credit/waiver, the customer must notify his or her Customer Service Representative.

Residential Directory Assistance Call Completion
The customer may request that the Directory Assistance operator complete the calls made within the state for one of the numbers provided under Section B 6.04. The customer will be charged an additional undiscountable surcharge of $0.35 per completed call. The customer will be charged the per minute rate for switched originating direct dial usage for the Company service to which the customer is pre subscribed for completed calls. Call Completion is available to Residential Customers only. Call completion is not available for calls to toll free, 500, 700, 900 and 976 numbers.

7. PAYMENT ARRANGEMENTS

.01 The customer is responsible for payment of all charges for services furnished to the customer or its joint or authorized users. Non-recurring charges are payable when the service for which they are specified have been completed. If, because of any such activity, a non-the Company carrier or supplier imposes additional charges, these charges shall be passed on to the customer. Recurring charges which are fixed in amount and not dependent on usage are billed in advance. Usage charges are billed after each usage cycle. If a member of a Friends & Family Calling Circle discontinues his or her the Company service, only those eligible calls which were made while he or she was a Friends & Family member will receive the Friends & Family discount.

.02 A customer of The Company 800 Service is responsible for payment to the Company for all calls placed to the customer's 800 Service number(s). This responsibility is not changed by virtue of any use, misuse, or abuse of the customer's service which may be occasioned by third parties, Including, without limitations, the customer's employees and member of the public who dial the customer's number by mistake.

.03 The Company's bills are payable upon receipt. If the Company becomes concerned at any time about the ability of a customer to pay its bills, The Company may require that customer to pay its bills within a specified number of days and to make such payments in cash or the equivalent of cash. The Company may invoice low usage customers every other month unless a customer invoiced in such a manner requests monthly billing. For residential service customers, small business service customers and business market customers, as defined in the definition section, payments not received within 30 days from the invoice date will Incur a late payment charge of one and one half per cent shall be assessed upon the unpaid amount per month, where capabilities exist. The late payment charge will be applied to the entire unpaid balance of the customer's monthly invoice, excluding taxes collected on behalf of local government. The late payment charge will not be applied to any disputed portion of the unpaid balance unless the dispute is resolved against the customer. The late payment charge is not applicable to subsequent rebilling of any amount to which a late payment charge has already been applied. Late charges are to be applied without discrimination.

.04 Applicants for service or existing customers whose financial condition is not acceptable to the Company, or is not a matter of general knowledge, may be required at any time to provide the Company a security deposit, in cash or the equivalent of cash, up to an amount equal to the applicable installation charges, if any, and/or up to two months' actual or estimated usage charges for the service to be provided. Such applicants or customers may also be required, at any time, whether before or after the commencement of service, to provide such other assurances of, or security for, the payment of the Company's charges for its services as the Company may deem necessary, Including, without limitation, advance payments for service, third party guarantees of payment, pledges or other grants of security interests in the customers' assets, and similar arrangements. The required deposit or other security may be Increased or decreased by the Company as it deems appropriate in the light of changing conditions. In addition, the Company shall be entitled to require such an applicant or customer to pay all its bills within a specified period of time, and to make such payments in cash or the equivalent of cash. In case of a cash deposit, for deposits held longer than 90 days an interest rate determined by the Commission in January of each year will be paid for the period during which the deposit is held by the Company. At the Company's option, such deposit may be refunded to the customer's account in accordance with 20VAC5-10-20.

.05 If a customer does not give the Company written notice of a dispute with respect to the Company's changes within six months from the date the invoice was rendered, such invoice shall be deemed to be correct and binding on the customer.

.06 The charges set forth in this catalog for channel terminations contemplate installations made in normal locations and under normal working conditions. Any installations to be made under other circumstance are subject to additional charges.

SECTION B - TERMS AND CONDITIONS (Cont.)

7. PAYMENT ARRANGEMENTS (Cont.)

.07 the Company will cease billing the Special Access Surcharge upon receipt of the Exemption Certification (as defined herein). If the status of the private line facility was changed prior to receipt of the exemption certification, the Company will credit the customer's account, not to exceed three months, based on the effective date of the change specified by the customer in the letter of certification.

Upon the effective date of the Special Access Surcharge, the Company will bill such surcharges for private line facilities presently in-service. Customers who provide exemption certification within the first three months following the surcharge effective date, will be given credit for the surcharge to the surcharge effective date.

.08 A surcharge will be levied on all revenue under this catalog to recover a license tax imposed by the Commonwealth of Virginia.

.09 In the event the Company Incurs fees or expenses, Including attorney's fees, in collecting, or attempting to collect, any charges owed the Company , the customer will be liable to the Company for the payment of all such fees and expenses reasonably Incurred.

.10 Instate Access Recovery Fee
A **monthly service charge of $0.14** will be applied to Customers subscribed to the Company for long distance services associated with a residential telephone line or billed to a residential account. This charge reflects costs Incurred by the Company in providing in-state long distance service over Customer's local exchange provider's network. Customers who spend less than $1.00 during any monthly billing period will be exempt from this charge.

8. CHANGE IN SERVICE ARRANGEMENT
When a change in service arrangement involves the continued use by the customer of channels furnished by the Company, installation charges do not apply to the channels continued in use. The minimum service period for the channels continued in use is determined from the date of the initial acceptance thereof.

9. RESTORATION OF SERVICE
The use and restoration of service in emergencies shall be in accordance with Part 64, Subpart D, Appendix A, of the Federal Communications Commission's Rules and Regulations, which specifies the priority system for such activities.

10. INSPECTION
the Company may, upon reasonable notice, make such tests and inspections as may be necessary to determine that the requirements of this catalog are being complied with in the installation, operation or maintenance of the customer or the Company equipment. the Company may interrupt the service at any time, without penalty to the Company, because of departure from any of these requirements.

SECTION B - TERMS AND CONDITIONS (Cont.)

11. CANCELLATION FOR CAUSE BY the Company (See Section B-5 for Cancellation by Customer)

.01 Upon nonpayment of any sum owing to the Company, or upon a violation of any of the provisions governing the furnishing of service under this catalog, the Company may, upon written notification to the customer, without Incurring any liability, immediately discontinue the furnishing of such service.

.02 Where a subscriber to Metered Use Service Option A (Dial One/Direct Dial) has not used the service for 90 days, the Company will send a written notification urging the customer to use the service and stating that if there is no usage for an additional 30 days, the customer's service will be cancelled -- unless the customer, within 30 days of the date of said written notification, calls a number designated therein and indicates a desire to continue to be carried as customer. This provision does not apply to customers who have subscribed to The Company Dial "1" Long Distance Service in central offices where equal exchange access is available.

12. TESTING AND ADJUSTMENT

Upon reasonable notice, the channels provided by the Company shall be made available to the Company for such tests and adjustments as may be necessary to maintain them in satisfactory condition; no interruption allowance will be granted for the time during which such tests and adjustments are made.

SECTION B - TERMS AND CONDITIONS (Cont.)

13. TERMINAL EQUIPMENT

.01 Terminal equipment, such as teleprinters, handsets or data sets at the premises of the customer and connecting local channels between such premises and Company terminals, shall be furnished by and maintained at the expense of the customer, except as otherwise provided.

.02 The characteristics of equipment at either end of the channel shall be such that its connection to the channel complies with the minimum protection criteria set forth below, and does not interfere with services furnished to other customers. Additional protective equipment, where required, shall be at the customer's expense.

.03 When services using local exchange carrier voice grade facilities are terminated in customer-provided terminal equipment, channel derivation devices, or communications systems, the customer shall comply with the minimum protective criteria set forth below:

.031 When the facilities furnished under this catalog are used in common with local exchange carrier services, it is necessary in order to prevent excessive noise and cross-talk that the power of the signal applied to local exchange carrier lines be limited. A single valued limit for all applications cannot be specified. Therefore, the power of the signal in the band above 300 Hertz which may be applied by the customer-provided equipment at the point of termination will be specified by the Company for each application, to be consistent with the signal power allowed on the telecommunications network.

.032 To protect the telecommunications services from interference at frequencies which are about the band of service provided, the Company will specify the acceptable signal power in the following bands to be applied by the customer-provided equipment or communications system at the point of termination to insure that the input to local exchange carrier facilities does not exceed the limits indicated:

-- the power in the band from 3,995 Hertz to 4,005 Hertz shall be at least 18 dB below the power of the signal as specified in Section 13.021(a) preceding.

-- the power in the band from 4,000 Hertz to 10,000 Hertz shall not exceed 16 dB below one milliwatt.

-- the power in the band from 10,000 Hertz to 25,000 Hertz shall not exceed 24 dB below one milliwatt.

-- the power in the band from 25,000 Hertz to 40,000 Hertz shall not exceed 36 dB below one milliwatt.

-- the power in the band above 40,000 Hertz shall not exceed 50 dB below one milliwatt.

SECTION B - TERMS AND CONDITIONS (Cont.)

13. TERMINAL EQUIPMENT (Cont.)

.033 Where there is connection via customer-provided terminal equipment or communications system to a Message Telecommunications Service or a WATS service to prevent the interruption or disconnection of all call, or interference with network control signaling, it is necessary that the signal applied by the customer-provided equipment to the interface at no time has energy solely in the 2450 to 2750 Hertz band. If signal power is in the 2450 to 2750 Hertz band, it must not exceed the power present at the same time in the 800 to 2450 Hertz band.

.034 Where such customer-provided equipment or communications system applies signals having components in the frequency spectrum below 300 Hertz, excluding ringing signals, the currents and voltages (Including all harmonics and spurious signals) at the interface shall not exceed the limits indicated in Sections B-13.0341 through B-13.0344 following:

.0341 The maximum rms (root-mean-square) value, Including dc and ac components, of the current per conductor will not exceed 0.35 ampere.

.0342 The magnitude of the peak of the conductor or ground voltage shall not exceed 70 volts.

.0343 The conductor voltage shall be such that the conductor to ground voltage limit in Section B-13.0342 preceding is not exceeded. If the signal source is not grounded, the voltage limit in B-13.0342 preceding applies to the conductor to conductor voltage.

.0344 The total weighted rms voltage within the band from 50 Hertz to 300 Hertz shall not exceed 100 volts. The total weighted rms voltage is the square root of the sum of the products times the square of the rms voltage of the individual frequency components. The weighting factors are as indicated:

for frequencies between	weighting factor
50 Hertz and 100 Hertz	$f^2/10^4$
100 Hertz and 300 Hertz	$f^{3.3}/10^{6.6}$

where f is the numerical value in Hertz, of the frequency component being weighted.

14. CUSTOMER-PROVIDED EQUIPMENT AT THE COMPANY TERMINALS

.01 Where available, the Company will rent space at the Company terminals to its Private Use customers for their antennas and/or other communications equipment. This equipment must be directly associated and used with the channels which the Company provides to the customer.

.02 Customer-provided equipment must not cause objectionable interference to the Company facilities or other the Company customers' equipment or communications systems. If the Company facilities must be modified or reinforced to accommodate customer-provided equipment, costs Incurred by the Company for such modification will be borne by the customer. Installation and mounting of customer-provided equipment must conform to specifications established by the Company and must meet with Company approval.

15. ALLOWANCE FOR INTERRUPTIONS

Except as provided for in Sections B-6.04 and C-2, which pertain to Directory Assistance, and except as provided in Section B-15.024 below, the following credit allowances for interruptions of the Company services will be made:

.01 For all of the Company's services for which charges are specified on the basis of per minute of use, or on usage of a fraction of a minute, and in which there may be interruption of an individual call, due to a condition in the Company's shared interexchange facilities or in shared access or termination facilities provided by other carriers, which can be remedied by redialing the call [Metered Use Section Option A (Dial One/Direct Dial), Option B (Credit Card),

.011 A credit allowance will be made for that portion of a call which is interrupted due to poor transmission (e.g., noisy circuit), one-way transmission (one party is unable toear the other), or involuntary disconnection caused by deficiencies in the Company's service. A customer may also be granted credit for reaching a wrong number. To receive a credit, the customer must notify his or her Customer Service Representative and furnish information, Including the called number, the service subscribed to, the difficulty experienced, and the approximate time the call was placed. Credit allowances will not be made for (1) interruptions not reported to the Company, or (2) interruptions that are due to the failure of power, equipment, systems or services not provided by the Company. If the customer elects to use another means of communications after one of the above interruptions, or during a period when he or she is unable to place a call over the Company, the customer must pay the charges for the alternative service used.

.012 Where a call has been disconnected, the customer will be given a credit allowance equivalent to the charge for the initial minute of the call made to reestablish communications with the other party. Where a call has been interrupted by poor transmission or one-way transmission, the customer will be given a credit allowance up to an amount equivalent to the charge for the last three minutes of the interrupted call, or for the entire call if it lasted less than three minutes. A customer who has reached a wrong number will be given a credit allowance equivalent to the charge for the initial minute of the call to the wrong number if he or she reports the situation promptly to a Customer Service Representative.

.02 For all of the Company's services for which involve dedicated access, dedicated interexchange transmission, and/or dedicated termination, for which monthly recurring charges are applied and which may be interrupted for as much as several days, Analog Voice Grade Service, except as provided in B-15.024 below, the customer will be given a credit allowance for an interruption of two consecutive hours or more, as follows:

.021 When service is interrupted for a period of less than two hours, no credit allowance will be given.

.022 When the service's dedicated interexchange line or lines and/or the access or termination line or lines associated with the service are interrupted for a period of two to twenty-four hours, a credit allowance in an amount equal to one thirtieth of the monthly recurring charge or charges will be given.

.023 When the service's dedicated interexchange line or lines and/or the access or termination line or lines associated with the service are interrupted for a period of more than twenty-four hours, a credit allowance in an amount equal to one thirtieth of the monthly recurring charge or charges will be given for each twenty-four hour period or fraction thereof.

.024 No credit allowances will be made for:

.024 Interruptions caused by the negligence of the customer or others authorized by the customer to use the customer's service.

.0242 Interruptions due to the failure of power, equipment, systems, or services not provided by the Company.

SECTION B - TERMS AND CONDITIONS (Cont.)

15. ALLOWANCE FOR INTERRUPTIONS (CONT.)

.0243 Interruptions during any period during which the Company or its agents are not afforded access to the premises where access lines associated with the customer's services are terminated.

.0244 Interruptions during any period when the customer or user has released the service to the Company for maintenance or rearrangement purposes, or for the implementation of a customer order.

.0245 Interruptions during periods when the customer elects not to release the service for testing or repair and continues to use it on an impaired basis.

.0246 Non-completion of calls due to network busy conditions.

.0247

.0248 Interruptions not reported to the Company .

.025 An interruption period begins when the customer reports to the Company that the service has been interrupted and releases it for testing and repair. An interruption period ends when the service is operative again. If the customer reports the service to be inoperative but declines to release it for testing and repair, the service is deemed to be impaired, but not interrupted.

.026 If the customer elects to use another means of communication during the period of interruption, the customer must pay the charges for the alternative service used.

.03 As used in this Section B-15, the term "service" Includes circuits or equipment provided by the Company and/or a participating international carrier, or an overseas administration connecting with such international carrier.

.04 the Company will, at a customer's request and expense, attempt to make arrangements for redundancy on the customer's service.

3. METERED USE SERVICE **(Effective August 18, 2012, for all residential customers of Metered Use Service, all Calling Card service and Toll Free / 800 service will no longer be available to new customers.)**

.01 General Description

Metered Use Service offers the use of INTEREXCHANGE communications facilities shared among multiple users, and is provided on the basis of separate service options under Metered Use Service. Depending on the option(s) chosen the customer may select the manner in which calls are originated and terminated, may obtain one-way or two-way service, may enjoy point-to-point or multipoint service, or may originate calls in multiple cities.

Certain Metered Use Service Offerings may involve a recurring monthly minimum charge for INTEREXCHANGE facility usage or an initiation of service fee. A monthly listing of each call and its duration is available as a standard feature. At additional cost, certain Metered Use Service options offer a customer the ability to: (1) identify the users and allocate the cost of his long distance facilities through the use of additional authorization codes, (2) reduce the amount of dialed digits through the use of speed numbers, and (3) receive their call records on magnetic tape.

Under each of the above service options, the individual customer's total monthly charges for their use of the INTEREXCHANGE communication facilities are based upon the total time the customer (account) utilizes such facilities. In that regard, individual INTEREXCHANGE facilities usage charges, as well as other specific charges, discounts and/or features are applicable to each individual service option. When a metered use service call is established in one time-of-day rate application period and ends in another, the rate in effect in each rate application period applies to the portion of the call occurring with in that rate application period. A specific description of each of the Metered Use Service options and its recurring and non-recurring charges, features, applicable discounts and service availability is contained in Sections C.3 following.

.19 OPTION R (MCI Preferred)

General Description

Option R (MCI Preferred) is a one-way, outbound, multipoint service for single or multi-location customers using Dial "1" origination, and/or an inbound service using 800 termination. Multiple outbound calling locations will be billed via a single invoice. If applicable, upon enrollment, the customer must designate each originating Dial "1" telephone number as either Service Type 1 or Service Type 2, as described below. Outbound calls are dialed without the assistance of a Company Operator. Inbound Option R calls are made through a designated 800 number, and the Option R customer is billed rather than the calls' originator. All Option R calls are subject to a 60-second minimum initial period and are rounded to the next higher 60-second Increment. If the computed charge Includes a fraction of a cent, the fraction is rounded to the nearest whole cent. By subscribing to this service, Customer understands that use of this service is restricted in the following manner: Customer may not resell the services in any manner, Including but not limited to as a wholesaler or aggregator.

.191 Monthly Account Fee

Minimum Charge: $15.00 per account if total Option R usage charges, (excluding non-recurring monthly fees) is less than $15/account/month.

Toll Free Monthly Recurring Charge

Type I and Type II	$10.00

.192 Access Methods and Charges

.1921 Dial "1" Access:

Dial "1" access can be used for Option R alone or in conjunction with card access and/or 800 access. The customer has two Options of Dial "1" service: Service Type 1 and Service Type 2. Service Type 2 can only be used in conjunction with Service Type 1. The customer can pre-subscribe up to fifty Service Type 1 locations, and up to five Service Type 2 locations, for each Option R account. A Service Type 1 location is defined as all lines associated with a single billing telephone number (BTN) as provided by the local exchange carrier. At each Service Type 2 location, there can be a maximum of two originating telephone numbers. However, there is no limit to the number of originating telephone numbers at a Service Type 1 location.

.1922 Card Access:

Card access is available from any touch-tone or rotary phones via an 800 number, and can be used for Option R alone or in conjunction with Dial "1" and 800 access. A surcharge of $1.20 will apply to each Company Option I card call.

.1923 MCI Preferred 800:

MCI Preferred 800 access can be used for Option R service alone and/or in conjunction with Dial "1" access. This type of access is accomplished by 800 termination in which the Company provides an 800 number with Business Line Termination to the MCI Option R customer to receive Incoming calls. The MCI Option R customer is billed for the calls rather than the calls' originator. A customer may order multiple 800 numbers which can terminate to the same or different telephone number. Option R MCI Preferred 800 customers are subject to the rules and regulations governing MCI 800 Service as set forth in the Company's Service Agreement and Rate Schedule at http://www.mci.com/sb/service_agreement.

28. Option AA (500 Personal Number Service)

500 Personal Number Service is an inbound voice grade telecommunications service that permits calling from stations in diverse geographical service areas within the Commonwealth to a station at one location, or to a set of up to three stations at more than one location within the Commonwealth, based upon pre-established priorities as provided below.

For any 500 Personal Number Service call, there are two customers: the "Subscriber" (i.e., the party at whose designated location(s) the 500 Personal Number Service call terminates) and the "Calling Party" (i.e., the party who places the call). Each party is fully and equally subject to all applicable provisions in this catalog which pertain to customers. The Calling Party has three billing options available for this service: Calling Party ANI billing, local exchange carrier calling card, and commercial credit card.

The following types of calls are not permitted when using this service: collect; third party billed; and person-to-person.

All 500 Personal Number Service calls are subject to a 60-second minimum duration, with 60-second additional Increments. If the computed charge for any call Includes a fraction of a cent, the fraction is rounded to the nearest whole cent.

Neither the Subscriber nor the Calling Party is required to designate the Company as his or her Primary Interexchange Carrier (PIC). Each 500 Personal Number Service call will Include a recorded or live operator announcement to the Calling Party indicating that the Company is the provider of the service.

Users of 500 Personal Number Service may have access to non-tariffed enhancements (e.g.,information services) provided by the Company .

.281 Basic Service Package

The Basic Service Package, which all 500 Personal Number Service Subscribers receive, Includes the following:

* Friends & Family 500 Number: Each Subscriber is assigned a 500 number.
*Passcode: Each 500 Personal Number Service number is assigned a 6-digit passcode which can be used by the Subscriber to manage service features.
Multiple Numbers[1]: Permits Subscribers to pre-establish in priority up to three telephone numbers for the completion of calls placed by Calling Parties to the Subscriber. Numbers will successively be attempted if a busy-signal or machine is detected or if the call does not complete after four (4) rings.
*Final Message[2]: If calls are not completed at any of the three alternate numbers, the call will be sent to a Final Message. The Subscriber may choose among various options for the final message, Including a closing message which informs the caller that the Subscriber is not available.
*Alternate Number[3]: A Subscriber may temporarily override the pre-established priority sequence by designating an alternate number without having to change any of his or her Multiple Numbers. If there is no answer at the alternate number, the call will be forwarded to the Final Message. This feature can be activated and deactivated by the Subscriber.

---

1 For these features, calls may not be forwarded to: service numbers (e.g., numbers beginning with 500, 700 800 or 900); 911; numbers with a 555 prefix; or pay-per-call numbers (e.g. numbers with a 976 prefix).

.121 Option BQ (Verizon Prepaid Phone Cards) **(New cards will not be available on or after April 17, 2012, and recharge requests on existing cards will not be processed after that date.)**

Verizon Prepaid Phone Cards represent a prepaid calling card service that allows consumers to acquire and use cards to originate outbound direct dial calls via Company-provided 800 numbers. Verizon Prepaid Phone Cards can be used for both interstate and intrastate (intraLATA and interLATA) calls and are classified as either MCI Branded Phone Cards, or Verizon Branded Phone Cards, or cards co-branded with a third party (typically a distributor) (hereinafter "Verizon Branded Phone Cards") where the calling service is provided by MCI Communications Services, Inc.. ("MCI")

There are two methods of providing Verizon Prepaid Phone Card services to consumers, as follows:

- Physical format which Includes a preprinted phone number and a Personal Identification Number, hereinafter referred to as a "PIN", delivered on a plastic card typically measuring 3-1/2″ x 2-1/4"; or,

- Virtual format, which is delivered as a PIN printed on a cash register receipt when purchased at a retail location, or delivered as a PIN when purchased via the World Wide Web.

Consumers can purchase Verizon Prepaid Phone Cards as follows:

- Verizon Branded Phone Cards directly from distributors.

- Verizon Branded Phone Cards via the World Wide Web or via a toll-free telephone number.

When sold through a distributor, prices for Verizon Branded Phone Cards and recharge minutes are established by the distributor. When sold by the Company, prices for Verizon Branded Phone Cards recharge minutes are established by the Company.

This catalog provides terms and conditions applicable to in-state calls made using Verizon Prepaid Phone Cards. The terms and conditions set forth herein for such calls made with Verizon Prepaid Phone Cards supplements the terms and conditions applicable to the sale and use of such cards as set forth in the Consumer Service Agreement located at http://prepaid.Verizon.com/ecommerce/service_agreement.jsp.

.121.1 Card Values: Verizon Prepaid Phone Cards are available under two options, the Minute/Unit based cards and the Dollar based cards, as follows:

- Minute/Unit based cards display the initial number of minutes/units available for interstate calls to the card user at the time of card purchase. Minute/Unit based cards deduct the applicable charge for a call or other service in minutes/units.

.121 Option BQ (Verizon Prepaid Phone Cards) (Cont'd)

.121.1 Card Values (Cont'd):

- Dollar based cards display the initial dollar value of the card and a per minute rate for interstate calls, or the initial number of minutes available for interstate calls at the time of purchase. Dollar based cards deduct the applicable charge for a call or other service in dollars and cents.

.121.2 Features

Operator Assistance and Customer Service: **(Effective November 1, 2011, Commercial credit card billing for operator assisted calls will no longer be available where payment is made via an automated or live operator.)** Operator Assistance for call dialing is available as specified on some cards, at no charge to the consumer. Customer service is available on all cards at no charge to the consumer.

Directory Assistance: Domestic Directory Assistance is available through the Verizon Prepaid Phone Card. Directory Assistance requests will have a maximum charge of not greater than 28 interstate minutes/units for Minute/Unit based cards or $1.50 for Dollar based cards per call. Consumers may request up to two listings per call. The Directory Assistance charge will be announced to the caller prior to connecting the call.

Enhanced Directory Service: Golden Retriever, an Enhanced Directory Service, is available through Verizon Prepaid Phone Cards and provides consumers with instant access to information Including weather, reverse phone number look-up, phone number look-up and category search. Consumers may request up to three pieces of information per call to Enhanced Directory Service. Each such call is charged at a flat rate and is not subject to a per minute rate. The maximum charge for Golden Retriever is $1.50 per call on dollar based cards and 30 interstate minutes/units on Minute/Unit based cards.

.121.3 Rates and Charges:

Verizon Prepaid Phone Cards are provided in various minute/unit and dollar based denominations by MCI or through its distributors with a stated interstate per minute/unit value not to exceed $0.35. One unit equals one minute (or fraction thereof) of interstate calling.

For completed in-state calls using a Verizon Prepaid Phone Card, the value of a Verizon Prepaid Phone Card may be decremented up to 3 times the interstate minute/unit value described above. The value of each in-state minute/unit equals 3 times the current interstate minute/unit value as described in this service. Other charges or surcharges may apply to card use. Partial minutes used are billed as full minutes.

Wholesale Domestic Surcharge C	$0.50
Domestic Surcharge A	$0.79
3.9 cent Express	$0.49
OCP #8 New Televia	$0.65
Vending Express	$0.75

.121.4 Recharging: Verizon Prepaid Phone Cards are rechargeable, meaning that additional value may be added to a card, subject to a maximum allowed value per card, unless the card has expired or as otherwise expressly stated on the card, card packaging, or in the Service Agreement. Such additional minutes/units will be charged at the prevailing per minute/unit rate as of the date of recharging. A minimum of ten dollars ($10.00) and up to a specified maximum amount may be added to the card per each recharge.

In addition to the foregoing, rechargeable cards are also subject to the following terms and conditions:

- Upon recharge, a recharge fee of up to a maximum of fifteen percent (15%) of the recharge value may be assessed.
- Recharge may be accomplished in any of the following manners:
    i. By direct payment at selected distributors' locations.
    ii. By credit or debit card using the toll free access number printed on the card and following the audio prompts.
    iii. By registering the card for "auto-recharge," an expedited recharge process that alerts the consumer when their calling card balance falls below a certain level and offers the option of an automatic recharge in the same dollar amount of the customer's previous recharge.

Recharge methods and availability may be based on distributor's preference. Recharge minutes/units or dollars of service purchased via the toll free access number or through auto-recharge must be paid for with a verified valid credit or debit card.

.121.5 Exclusions: Verizon Prepaid Phone Cards cannot be used for calls to 700-, 900-, or 976 services or for certain operator assisted, third party billed or collect calls. Any unused balance on a Verizon Prepaid Phone Card cannot be transferred to or combined with one or more other Verizon Prepaid Phone Cards.

.121.6 Availability of Service: There are no time of day or day of year restrictions for use of Verizon Prepaid Phone Cards.

.121.7 Terms and Conditions: Use of Verizon Prepaid Phone Cards is available by calling the Company toll free number printed on the card.

- A completed call may only be charged to a Verizon Prepaid Phone Card that has a balance sufficient to cover the charges assessed for the call. The Verizon Prepaid Phone Card balance will be reduced by the appropriate minutes/units or dollars charged for the completed call.

- After the number of the called party is dialed, but before the call is completed, the available balance of talk time based upon the telephone number of the called party will be announced to the caller. A Verizon Prepaid Phone Card call will be interrupted with an announcement when the available balance on the card drops to one minute/unit, based on the originating/terminating phone numbers of the call. Once the balance on the card is insufficient to continue, the call will terminate.

- Credit allowances for interruptions – MCI will credit one minute/unit on a consumer's Verizon Prepaid Phone Card in the event of poor call transmission or call cut off caused by MCI. To receive a credit, the consumer must promptly notify MCI Customer Service of the service problem by calling the Customer Service number printed on the card. Credit will not be given when interruptions are caused by the failure of systems not provided by MCI, by the failure of other MCI services connected to the Verizon Prepaid Phone Card, for wrong telephone numbers or other causes outside the control of MCI.

- Activated Verizon Prepaid Phone Cards are non-refundable. Once activated, and subject to applicable terms and condition, a Verizon Prepaid Phone Card may be used to originate direct dialed calls until the available card balance is depleted or the card expires, whichever first occurs. Card expiration dates will be specified on the card or the card packaging.

.121.8 Other Conditions of Service:

- The U.S. Public Payphone Surcharge applies when a Verizon Prepaid Phone Card is used to place a call from a U.S. public or semi-public payphone.

- State Universal Service Charge - the Company may, at its option, apply the State Universal Service Charge at point of sale.

d) A customer may obtain Directory Assistance in determining telephone numbers by calling the Directory Assistance operator. One request may be made on each directory assistance call. The Directory Assistance charge applies to each call regardless of whether or not the Directory Assistance operator is able to furnish the requested telephone number. Customers may request the Directory Assistance operator to complete a call to the last number requested on that particular Directory Assistance call. The customer will be charge a usage rate in accordance with the Company local Exchange Service to which the customer is pre-subscribed for completed calls.

Directory Assistance:	$1.99
Directory Assistance Call Completion Per Call Charge:	$0.35

e. Operator Assistance: Operator Services are outbound services allowing the customer to originate calls via local exchange carrier facilities, or by using a Company or Local Exchange Carrier calling card. All Operator Services calls are subject to one minute initial increment with additional one minute increments. When a call is subject to more than one service charge, only the highest service charge applies.

Rates and surcharges are the same as those described in Section B-6.04 above.

.124 Option BT (10-10220 Plan)

The Company will offer the following plan for customers who access company service by dialing the Company designated Carrier Identification Code (CIC) 10-10220. The customer will be charged $1.50 for the first 10 minutes (or any portion thereof) of usage per call and $0.25 per minute for each minute of usage thereafter. This product was previously provided by Teleconnect Long Distance Services and Systems Company.

.125 Option BU (10-10321 Plan:

Beginning September 3, 1998, MCI will offer the 10-10-321 Plan to new and existing customers who access MCI service by dialing the access number 10-10-321. This product was previously provided by Teleconnect Long Distance Services and Systems Company.

Calls will be rounded up to the next full minute. When application of the usage rates results in a fraction of a cent, the call will be rounded down to the nearest whole cent. Calls beginning in one rate period and ending in another rate period will be billed the rate in effect for each period in which the call applies. Customers will receive the following rates for interLATA and intraLATA calls.

.127 Option BW (MinutePass Phone Cards) (Cont)

Beginning May 1, 2011, this service is no longer available to new customers.

MinutePass Phone Cards is a prepaid calling card service that allows consumers to use cards to originate outbound direct dial calls via MCI provided 800 numbers. MinutePass Phone Cards can be used for both interstate and intrastate (intraLATA and interLATA) calls and are classified as MinutePass Branded Phone Cards where the calling service is provided by MCI (hereinafter “MinutePass Branded Phone Cards”). This product was previously provided by Teleconnect Long Distance Services and Systems Company as “Telecom*USA Phone Cards.

There are two methods of providing MinutePass Branded Phone Card services to consumers as follows:

- Physical format which includes a preprinted phone number and a Personal Identification Number, hereinafter referred to as a APIN@, delivered on a plastic card typically measuring 3-1/2" x 2-1/4"; or,

- Virtual format, which is delivered as a PIN when purchased via the World Wide Web.

Consumers can purchase MinutePass Branded Phone Cards either on the World Wide Web or a toll-free telephone number.

Prices for MinutePass Branded Phone Cards and recharge minutes are established by MCI.

This Catalog Schedule provides terms and conditions applicable to in-state calls made using MinutePass Branded Phone Cards. The terms and conditions set forth herein for such calls made with MinutePass Branded Phone Cards supplements the terms and conditions applicable to the sale and use of such cards as set forth in the Service Agreement located at http://www.minutepass.com/ServiceAgreement.asp.

3. METERED USE SERVICE (Continued)

.127 Option BW (MinutePass Phone Cards) (Cont)

1. Card Values
MinutePass Branded Phone Card are available as Dollar based cards, and display the initial dollar value of the card and a per minute rate for interstate calls.

2. Features

Operator Assistance and Customer Service: Operator Assistance for call dialing is available at no charge to the consumer. Customer service is available on all cards at no charge to the consumer.

Directory Assistance: Domestic Directory Assistance is available through the MinutePass Branded Phone Card. Directory Assistance requests will have a maximum charge per call. Consumers may request up to two listings per call. The Directory Assistance charge will be announced to the caller prior to connecting the call.

Enhanced Directory Service: Golden Retriever, an Enhanced Directory Service, is available through MinutePass Branded Phone Cards and provides consumers with instant access to information including weather, reverse phone number look-up, phone number look-up and category search. Consumers may request up to three pieces of information per call to Enhanced Directory Service. Each such call is charged at a flat rate and is not subject to a per minute rate. A maximum charge for Golden Retriever per call will apply.

3. Rates and Charges
MinutePass Branded Prepaid Phone Cards are provided in various dollar based denominations by MCI with a stated interstate per minute value not to exceed $0.35.

For completed in-state calls using a MinutePass Branded Phone Card, the value of a MinutePass Branded Phone Card may be decremented up to 5 times the interstate minute described above. The value of each in-state minute equals 5 times the current interstate minute value as described in this service. Other charges or surcharges may apply to card use. Partial minutes used are billed as full minutes.

4. Exclusions
MinutePass Branded Phone Cards cannot be used for calls to 700-, 900-, or 976 services or for certain operator assisted, third party billed or collect calls. Any unused balance on a MinutePass Branded Phone Card cannot be transferred to or combined with one or more other MinutePass Branded Phone Cards.

5. Availability of Service
There are no time of day or day of year restrictions for use of MinutePass Branded Phone Cards.

6. Regulations
Use of MinutePass Branded Phone Cards is available by calling the MinutePass toll free number printed on the card.

A completed call may only be charged to a MinutePass Branded Phone Card that has a balance sufficient to cover the charges assessed for the call. The MinutePass Branded Phone Card balance will be reduced by the appropriate minutes or dollars charged for the completed call.

After the number of the called party is dialed, but before the call is completed, the available balance of talk time based upon the telephone number of the called party will be announced to the caller. A MinutePass Branded Phone Card call will be interrupted with an announcement when the available balance on the card drops to one minute, based on the originating/terminating phone numbers of the call. Once the balance on the card is insufficient to continue, the call will terminate.

Cedit allowances for interruptions: MinutePass Branded Phone Cards will credit one minute on a consumer's MinutePass Branded Phone Card in the event of poor call transmission or call cut off caused by MCI . To receive a credit, the consumer must promptly notify MinutePass Customer Service of the service problem by calling the Customer Service number printed on the card. Credit will not be given when interruptions are caused by the failure of systems not provided by MCI, by the failure of other MCI services connected to the MinutePass Branded Phone Card, for wrong telephone numbers or other causes outside the control of MCI.

Activated MinutePass Branded Phone Cards are non-refundable. Once activated, and subject to applicable terms and condition, a MinutePass Branded Phone Card may be used to originate direct dialed calls until the available card balance is depleted or the card expires, whichever first occurs. Card expiration dates will be specified on the card or the card packaging.

7. Other Conditions of Service

.01 The U.S. Public Payphone Surcharge applies when a MinutePass Branded Phone Card is used to place a call from a U.S. public or semi-public payphone.

.02 State Universal Service Charge: MCI may, at its option, apply the State Universal Service Charge at time of sale.

3.4 COMPANY SERVICES FORMERLY OFFERED BY TTI NATIONAL, INC.

Long distance service under this tariff formerly offered by TTI National, Inc. (TTI) is no longer offered to new customers as of June 1, 2006. Customers subscribed to long distance service formerly offered by TTI as of October 12, 2006, are not able to move, add to, or make changes to their service.

.01 Availability of Service

Carrier offers resold interexchange telecommunications service, subject to the terms and conditions of this Catalog Schedule. Service is available twenty-four (24) hours per day, seven (7) days per week.

.02 Timing of Calls

.021 Usage sensitive charges are based on the actual usage of Carrier's network. Such charges are measured in Conversation Minutes.

Conversation Minutes reflecting usage sensitive charges resulting from use of Service, are billed in increments of six (6) seconds. Following the initial period (minimum billing period) all charges are rounded to the next higher six (6) second increment for billing purposes.

.022 Chargeable time for Customer shall begin when the called party answers, as determined by hardware answer supervision, provided that such capabilites are available from the local telephone company. If hardware answer supervision is not available, then Carrier will employ software answer supervision, and up to sixty (60) seconds of ringing will be allowed before billing. Chargeable time for a call shall end upon disconnection by either party.

.023 The initial period (minimum call duration) for billing purposes varies by service offering. Unless otherwise specified in this Catalog Schedule for a specific service, the initial period for all services shall be six (6) seconds.

.024 Unless otherwise specified in this Catalog Schedule, usage for billing purposes is measured and rounded to the next higher six (6) second increment after the initial period.

.025 No charges apply for incomplete calls. If Customer believes it has been incorrectly billed for an incomplete call, Carrier shall, upon notification, investigate the circumstances of the call and issue a credit when appropriate.

.03 Service Offerings and Rates

There are no installation charges or monthly recurring charges for these services, other than the pass-through installation charges and/or monthly recurring charges associated with the use of dedicated Access Lines provided by an underlying carrier.

.039 Business Benefit Term Plan

The Business Benefit Term Plan is a term plan, in lieu of all other Catalog Scheduled term plans. This plan is only available to customers subscribing to Business Benefit Service. Customers who subscribe to service via the Business Benefit Term Plan are subject to the following conditions:

Definitions of Terms: For purposes of the Business Benefit Term Plan, the following definitions apply:

Qualifying Volume: The customer's total usage of the following, after the application of promotional and other discounts: domestic and international inbound; outbound. Charges for the following are not included as Qualifying Volume and are not calculated in satisfaction of the Business Benefit Term Plan volume commitment: Directory Assistance usage and surcharges; recurring and non-recurring charges; Operator Assisted usage and surcharges; monthly recurring and non-recurring charges; and taxes.

Term Commitment and Renewal Options: A customer must commit to service for a term of either month-to-month, one or two years. The term of service will commence with the provisioning of service following the execution of the Business Benefit Term Plan agreement. A plan will automatically renew for an equivalent term and volume commitment upon expiration of its term, unless the customer provides written notification to cancel the Business Benefit Term Plan, which must be received by no more than 30 days after expiration of the existing term. If the customer cancels the existing term plan within 30 days after expiration of the existing term, the customer will receive the discounts for which the customer qualifies during the 30-day period following the expiration of the existing term of service.

Volume Commitment: A customer must meet a monthly minimum usage requirement of $25.00 excluding taxes, fees, monthly recurring and non-recurring usage charges.

Underutilization Charges: Beginning in the month following execution of the Business Benefit Term Plan, if at the end of any monthly period of the term of service, a customer fails to satisfy its monthly volume commitment, the customer must pay the difference between the customer's actual Qualifying Volume usage in that monthly period and the customer's monthly volume commitment.

Cancellation or Discontinuance With Liability: Discontinuance of all services furnished under the Business Benefit Term Plan prior to the expiration of the committed term of service constitutes discontinuance of the plan and the customer will be billed and required to pay an early termination charge as follows:

Customers subscribing under an annual volume commitment will be required to pay a charge in an amount equal to i) the Underutilization Charge for the monthly period of termination, and ii) the customer's monthly volume commitment for each month remaining in the annual period of termination.

Rates: Customers will receive the following per minute rates based upon term commitment:

6. RATE & MILEAGE TABLES

Service

.02 Metered Use Services

The airline mileage between two cities can be calculated using the Vertical (V) and Horizontal (H) Coordinates as obtained by reference to AT&T's Tariff F.C.C. No. 10 according to the following:

(1) Obtain the "V" and "H" coordinates for each Company rate center.
(2) Obtain the difference between the "V" coordinates of the two rate centers. Obtain the difference between the "H" coordinates.

Note: The difference is always obtained by subtracting the smaller coordinate from the larger coordinate.

(3) Divide each of the differences obtained in (2) by three, rounding each quotient to the nearer integer.

(4) Square these two integers and add the two squares. If the sum of the squares is greater than 1777, divide the integers obtained in (3) by three, and repeat step (4). Repeat this process until the sum of the squares obtained in (4) is less than 1778.

(5) The number or successive divisions by three in steps (3) and (4) determines the value of "N". Multiply the final sum of the two squares obtained in step (4) by the multiplier specified in the following table for the value of "N" preceding:

N	Multiplier	Minimum Rate Mileage
1	0.9	-
2	8.1	41
3	72.9	121
4	656.1	361
5	5,904.9	1,081
6	53,144.1	3,241

(6) Obtain square root of product in (5) and, with any resulting fraction, round up to next higher integer. This is the rate mileage except that when the mileage so obtained is less than the minimum rate mileage shown in (5), preceding, the minimum rate mileage corresponding to the "N" value is applicable.

INTEREXCHANGE TELECOMMUNICATIONS SERVICES CATALOG

SECTION C - SERVICE DESCRIPTIONS AND RATES (Cont.)

6. RATE & MILEAGE TABLES

METHOD FOR CALCULATION FOR AIRLINE MILEAGE

.01 Method of Calculation (Cont.)

EXAMPLE:

The rate mileage between Norfolk and Richmond is calculated as follows:

		V	H
(a)	Norfolk	5936	1198
	Richmond	5906	1472
(b)	difference	30	274

(c1) divide each difference by three and rounding to nearer integer = 10 and 91

(d1) square integers and add, 10 x 10 = 100
91 x 91 = 8281
sum of squared integers 8381

sum of squared integers is greater than 1777, so divide integers in (c1) by three and repeat (d1)

(c2) divide integers in (c1) by three and rounding = 3 and 30

(d2) square integers and add, 3 x 3 =9
30 x 30 = 900
sum of square integers 909

This sum of square integers is less than 1778 and was obtained after two successive divisions by three, therefore, "N" = 2.

(e) Multiply final sum or squared integers by factor 8.1 (corresponding to "N" = 2)
909
x 8.1
7362.9

(f) Square root of 7362.9 = 85 and a fraction, which is rounded up to 86 miles (fractional miles are considered full miles). The 86 miles is larger than the minimum of 41 miles applicable when "N" = 2, so the rate mileage is 86 miles.
