APPLICABILITY

This catalog applies to Intrastate Telecommunications Services furnished by MCI Communications Services LLC d/b/a Verizon Business Services (The Company) between and among points within the State of Connecticut in conjunction with The Company's interstate telecommunications services originating and terminating in Connecticut. These services are provided in accordance with the conditions set forth below and in conjunction with The Company's interstate tariffs, F.C.C. No. 1 and F.C.C. No. 8.

Effective August 1, 2001, pursuant to the direction of the Federal Communications Commission (FCC), MCI cancelled its federal tariffs for services with certain exceptions, including those pertaining to exchange access, casual calling, and basic long distance service during a 45-day period for customers who sign up for MCI service with a Local Exchange Carrier (LEC). International services for Residential and Small Business customers remained tariffed through January 27, 2002. Service descriptions, definitions, terms and conditions, and pricing for state-to-state Residential and Small Business services no longer federally tariffed may be found i) at http://www.mci.com/service for Residential services and http://www.mci.com/sb/service_agreement for Small Business services, or ii) by calling 1-800-444-3333.

INTRASTATE TELECOMMUNICATIONS SERVICES CATALOG

SECTION A - DEFINITION OF TERMS

For the purpose of this catalog, the following definitions shall apply:

Access Line
A dedicated arrangement which connects a customer location to a Company terminal location or a Company switching center.

Application for Service
A standard Company order form which includes all pertinent billing, technical and other descriptive information which will enable the Company to provide a communication service as required.

Authorized User
A person, firm, corporation or other entity that either is authorized by the customer to receive or send communications or is placed in a position by the customer, either through acts or omissions, to send or receive communications.

Called Station
The station called, or the terminating point of call.

Calling Circle
For customers subscribing to the Friends & Family Program Option A, a Calling Circle includes U.S. telephone numbers, (excluding Puerto Rico and the U.S. Virgin Islands) including the number of the Subscriber, which are presubscribed to the Company and enrolled in Metered Use Service Option A (Execunet).

For customers subscribing to the Friends & Family Program Option B and Option C, a Calling Circle includes U.S. telephone numbers, (excluding Puerto Rico and the U.S. Virgin Islands) including the number of the Subscriber, which are presubscribed to the Company and enrolled in Metered Use Service Option A (Execunet).

Telephone numbers which are not capable of being presubscribed to an interexchange carrier (except for the Best Friend number), and telephone numbers which are associated with MCI 800 Service (other than associated with the Personal 800 option), MCI 900 Service, payphone numbers, institutional telephone numbers, and numbers associated with the Company's services other than switched services will not be eligible for inclusion in Calling Circles.

Calling Station
The station from which a call is originated.

Channel or Circuit
A communications path between two or more points, having a bandwidth or transmission speed selected by a customer.

Commercial Services
A switched network service which provides for dial station origination for which the subscriber pays a rate that is described as a business or commercial rate in the applicable local exchange service catalog for switched service.

Casual Caller
Denotes any person who uses the Company service from an equal access end office who does not have a current account with the Company for services subject to this catalog, to include: (i) any person who has not established an account with the Company who places calls over the Company's network from an equal access area; (ii) any presubscribed customer located in an equal access area who has either voluntarily terminated his Company account or has had his Company account terminated in accordance with the terms and conditions set forth in Sections B-5 and B-11 and (iii) new or allocated customers whose accounts are not yet established in the Company's billing system.

Company
MCI Communications Services LLC d/b/a Verizon Business Services.

Customer

The person, firm or corporation or other party which orders services - either for its own use, as a resale carrier, or as a non-profit manager of a sharing group - and which is responsible for the payment of charges and for compliance with the Company's tariff/catalogs regulations. The term "customer" also includes a person, firm, corporation or other entity that (1) has not presubscribed to the Company's service, but accesses MCI WorldCom Execunet Service by dialing the access number 1010222, or any other Company carrier identification code, or (2) remains presubscribed to the Company's service after its account(s) are removed from the Company's billing system, subsequently continues to use the Company's network, and is billed by a local exchange carrier for such use. A customer is responsible for the payment of all charges for service used and for compliance with the Company's tariff/catalog regulations. For billing purposes, a customer is considered to be an account. In the Metered Use Services, if a person, firm, corporation or other entity orders the service in more than one of the Company's originating city, or requests the assignment of more than one account number in a particular city, each such account is a separate customer for billing purposes.
A Customer may also function as a Casual Caller as defined in this catalog.

Disconnection
The disconnection of a circuit, dedicated access line or port connection being used for existing service.

Installation
The connection of a circuit, dedicated access line or port for new or additional service.

MCI Terminal
Any location where the Company provides services as described herein.

Member
A used in conjunction with the Friends & Family or the Friends of the firm Programs, a member is a customer whose telephone number is included in a Calling Circle. A Company customer may be a Member of an unlimited number of Calling Circles.

Other Common Carrier
A person, firm, corporation or entity which subscribes to the Company's communication services and facilities and resells these communication services and facilities to the public for profit. Unless otherwise indicated herein, the term "other common carrier" when used in this catalog also means "customer" and includes entities which are brokers of the service (act as intermediaries for the purposes of reselling), those entities which are processors of the service (enhance the value of the service through substantial incurred costs), and those entities which are underlying carriers (own transmission facilities).

Point of Presence
The Company's physical presence in a LATA (as defined herein). Locations where the Company maintains a Terminal Facility for purposes of providing Customized Business Communications Service.

Premises
The space designated by a customer at its place or places of business for termination of the Company's service, whether for its own communications needs or for the use of its resale customers. In the case of the non-profit sharing group, this term includes space at each sharer's place or places of business, as well as space at the customer's place of business.

Premier Calling Plans
A variation of the Company's Dial "1" service. The various plans provide volume discounts based on specified rules and regulations as set forth in the Company's F.C.C. Tariff No. 1.

Residential Service
A switched network service which provides for dial station originations for which the subscriber pays a rate that is described as a residential, non-commercial, or non-business rate in the applicable local exchange service tariff for switched service.

SECTION B - RULES AND REGULATIONS

1. DESCRIPTION OF SERVICE

.01 Intrastate Telecommunication Services is the furnishing of Company services for communications between specified locations under the terms of this catalog and in conjunction with the Company's Tariff F.C.C. No. 1. Channels will be those of the Company's alone, or the Company's in conjunction with those of other participating, concurring or connecting carriers.

.02 Intrastate Telecommunication Services consists of the furnishing for the use of customers, of channels for the direct transmission and reception of communications between the Company's Metropolitan Area Terminal City Locations or Company terminals and all service offerings contained herein which anticipate the provision of such channels as part of the offering are included in this category. Such service has the capability of being extended beyond the respective Company Terminal Locations.

.03 The Company, when acting at the customer's request and as his authorized agent, will make reasonable efforts to arrange for service requirements.

2. LIMITATIONS

.01 Service is offered subject to the availability of facilities and the provisions of this catalog and in conjunction with the Company's Tariff F.C.C. No. 1.

.02 The Company reserves the right to discontinue furnishing service, upon written notice, when necessitated by conditions beyond its control or when the customer is using the service in violation of the provisions of this catalog, or in violation of the law.

.03 Service may be discontinued by the Company, without notice to the customer, by blocking traffic to certain cities, or NXX exchanges, when the Company deems it necessary to take such action to prevent unlawful use of its service. The Company will restore service as soon as it can be provided without undue risk.

.04 Toll access will not be provided to local 976 numbers because the proprietors of the services offered through such numbers have not provided the Company with a schedule of their charges.

.05 A customer shall not use any service mark or trade mark of the Company or refer to the Company in connection with any product, equipment, promotion or publication of the customer without the written approval of the Company.

.06 Calls may not be placed using a Local Exchange Company's calling card whenever there is no obligation on the part of the Local Exchange Company issuing the calling card to invoice such calls on the Company's behalf, and calls may not be placed or received using 10XXX dialing or collect or third party calling conventions, e.g., 1-800-COLLECT, whenever there is no obligation on the part of the serving Local Exchange Carrier to provide billing name and address (BNA) information to the Company in connection with such calls.

3. TERMS AND CONDITIONS

.01 Except as otherwise provided service is provided and billed on the basis of a minimum period of at least one (1) month, beginning on the date that billing becomes effective, and continues to be provided until canceled, by the customer, in writing, on not less than thirty (30) day's notice from the date of postmark on the letter giving notice of cancellation.

.02 Service is offered on a Metered Use basis, as described in Paragraph C.3 following.

.03 For the purpose of computing charges in this catalog, a month is considered to have thirty (30) days.

.04 The name(s) of the customer(s) desiring to use the service must be stipulated in the application for service.

4. LIABILITY

.01 The liability of the Company for damages arising out of mistakes, omissions, interruptions, delays, errors or defects in transmission occurring in the course of furnishing service, and not caused by the negligence of the customer or of the Company in failing to maintain proper standards of maintenance and operation and to exercise reasonable supervision, shall in no event exceed an amount equivalent to the proportionate change to the customer for the period of service during which such mistake, omission, interruption, delay, error or defect in transmission occurs.

.02 The Company shall be indemnified and held harmless by the customer against:

.021 claims for libel, slander, or infringement of copyright arising out of the material, data, information, or other content transmitted over the Company's channels; and

.022 patent infringement claims arising from combining or connecting Company-furnished channels with apparatus and systems of the customer; and

.023 all other claims arising out of any act or omission of the customer in connection with any service provided by the Company.

.03 The Company is not liable for any act or omission of any other company or companies furnishing a portion of the service.

.04 The Company does not guarantee or make any warranty with respect to any equipment provided by it where such equipment is used in locations containing an atmosphere which is explosive, prone to fire, dangerous or otherwise unsuitable for such equipment. The customer indemnifies and holds the Company harmless from any and all loss, claims demands, suits or other action, or any liability whatsoever, whether suffered, made, instituted or asserted by the customer or by any other party or persons, for any personal injury to or death of any person or persons, and for any loss, damage or destruction of any property, whether owned by the customer or others, caused or claimed to have been caused directly or indirectly by the installation, operation, failure to operate, maintenance, removal, presence, condition, location or use of such equipment so used.

.05 The customer indemnifies and holds the Company harmless from any and all loss, claims, demands, suits or other action, or any liability whatsoever, whether suffered, made, instituted or asserted by the customer or by any other party or persons, for any personal injury to, or death of, any person or persons, and for any loss, damage or destruction of any property, whether owned by the customer or others, caused or claimed to have been caused directly or indirectly by the installation, operation, failure to operate, maintenance, removal, presence, condition, location or use of such equipment where such installation, operation, failure to operate, maintenance, condition, location or use is not the direct result of the Company's negligence.

.06 The Company is not liable for any defacement of, or damage to, the premises of a customer resulting from the furnishing of channel facilities or the attachment of instruments, apparatus and associated wiring furnished by the Company on such customer's premises or by the installation or removal thereof, when such defacement or damage is not the result of the Company's negligence. No agents or employees of other participating carriers shall be deemed to be agents or employees of the Company.

.07 The customer is responsible for taking all necessary legal steps for interconnecting his customer-provided terminal equipment or communications systems with the Company's facilities. He shall secure all licenses, permits, rights-of-way, and other arrangements necessary for such interconnection.

.08 The customer shall ensure that his equipment and/or system is properly interfaced with the Company's facilities, that the signals emitted into the Company's network are of the proper mode, bandwidth, power, data speed, and signal level for the intended use of the customer and that the signals do not damage the Company's equipment, injure personnel or degrade service to other customers. If the Federal Communications Commission or some other appropriate certifying body certifies terminal equipment as being technically acceptable for direct electrical connection with interstate communications service, the Company will permit such equipment to be connected with its channels without the use of protective interface devices. If the customer fails to maintain and operate his equipment and/or system properly, with resulting imminent harm to the Company equipment, personnel, or the quality of service to other customers, the Company may, upon written notice, require the use of protective equipment at the customer's expense. If this fails to produce satisfactory quality and safety, the Company may, upon written notice, terminate the customer's service.

5. CANCELLATION OF SERVICE BY A CUSTOMER (See Section B.11 for cancellation by the Company)

If a customer cancels his order for service before the service begins, before completion of the minimum period, or before completion of some other period mutually agreed upon by the customer and the Company, a charge will be levied upon the customer for the nonrecoverable portions of expenditures or liabilities incurred expressly on behalf of the customer by the Company and not fully reimbursed by installation and monthly charges. If, based on an order by a customer, any construction has either begun or been completed, but no services provided, the nonrecoverable cost of such construction shall be borne by the customer.

6. USE OF SERVICE

.01 The services offered herein may not be used for the unauthorized provision of Message Telecommunications Service or Wide Area Telecommunications Service equivalents. Service furnished by the Company may be used for one or more of the following:

.011 for the transmission of communications by the customer.

.012 for the transmission of communications to or from an authorized user or joint user.

.013 for the transmission of communications to or from a customer of another common carrier, which has subscribed to the Company's communications services for purposes of resale.

.02 Service furnished by the Company may be arranged for joint use or authorized use. The joint user or authorized user shall be permitted to use such service in the same manner as the customer, but subject to the following:

.021 One joint user or authorized user must be designated as the customer. The designated customer does not necessarily have to have communications requirements of his own. The customer must specifically name all joint users or authorized users in the Application for Service. Orders which involve the start, rearrangement or discontinuance of joint use or authorized use service will be accepted by the Company only from that customer and will be subject to all regulations of this catalog and the Company's Tariff F.C.C. No. 1.

.022 All charges for the service will be computed as if the service were to be billed to one customer. The joint user or authorized user which has been designated as the customer will be billed for all components of the service and will be responsible for all payments to the company. In the event that the designated customer fails to pay the company each joint user or authorized user shall be liable to the company for all charges incurred as a result of its use of the Company's service. Each joint or authorized user must submit to the designated customer a letter accepting contingent liability for its portion of all charges billed by the company to the designated customer. This letter must also specify that the joint or authorized user understands that the company will receive a copy of the guaranty from the designated customer.

.03 Directory Assistance is available to customers of the Company's Metered Use Services Options as follows: An undiscounted charge of $1.99 will be applied as follows to each call for information as to any telephone number within the state of Connecticut, except where indicated in the chart below.

Option V (MCI Phonecash)	1 Unit/Call

Option SSSS (Basic Calling Plan BBB)	Refer to Section C-3.96

A customer may obtain Directory Assistance in determining telephone numbers by calling the Directory Assistance operator. One request may be made on each directory assistance call. The Directory Assistance charge applies to each call regardless of whether the Directory Assistance Bureau is able to furnish the requested telephone number. In addition to the Directory Assistance charge, the following surcharges also apply: surcharges associated with Options D and calling card calls; and the surcharge associated with Option T off-campus calls. For Directory Assistance calls placed with the assistance of an Operator, the surcharges associated with Operator Assisted calls will apply. The Operator Dialed Surcharge will not apply to Directory Assistance calls made using a Company Calling Card. Directory Assistance calls will not count toward, nor be calculated as part of, the Volume Discounts offered under Metered Use Service Options.

.031 Residential Directory Assistance Call Completion The customer may request that the Directory Assistance Operator complete the calls made within the state for one of the numbers provided under Section B.03. The customer charged an additional undiscountable surcharge of $0.35 per completed call. The customer will be charged t minute rate for switched originating direct dial usage for the Company service to which the customer is pre-subs for completed calls. Call completion is available to residential customers only. Call completion is not available t who are not pre-subscribed to any Company service or for calls to toll free, 500, 700, 900 and 976 numbers.

.032 A credit allowance for Directory Assistance will be provided if the customer: experiences poor transmission c receives an incorrect telephone number; or inadvertently misdials the intended Directory Assistance Number.

.04 Service furnished by the Company may be arranged for use by other common carriers for the purposes of resale subject to the following:

.041 Other Common Carriers will be responsible for all interaction and interface with their own subscribers or customers.

.05 Service furnished by the Company shall not be used:

.051 For any unlawful purpose.

.052 For any purpose for which any payment or other compensation is received by the customer, except when the customer is an entity which holds itself out as being a communications common carrier. This provision does not prohibit an agreement between the customer, authorized user or joint user to share the cost of the service as long as this arrangement generates no profit for anyone participating in a joint use or authorized use arrangement.

.06 PAYPHONE USE CHARGE

An undiscountable of $.55 per call charge is applicable to calls that originate from any payphone within the state used to access the Company's services as follows. This charge, which is in addition to standard cataloged usage charges and any applicable surcharges associated with the Company's service, applies for the use of the instrument used to access the Company's service and is unrelated to the Company service accessed from the payphone. Customers will be charged the Payphone Use Charge for each call, using the products listed below, which is placed from a payphone within the state.

The Payphone Use Charge does not apply to: calls using Telecommunications Relay Service; calls originated by customers with qualified hearing or speech impairments; and calls placed from payphones at which the customer pays for service by inserting coins during the progress of the calls.

The Payphone Use Charge will be applied to payphone calls made by customers of the Metered Use Service Options set forth in this catalog:

The Payphone Use Surcharge for Options S (MCI PrePaid) and V (MCI Phonecash) is 2 units. This does not apply for calls placed to Customer Service.

.08 [Reserved For Future Use.]

09 Effective February 1, 2009, the Company will no longer offer presubscribed long distance service to new residential and small business customers in areas in which local exchange service is provided by any subsidiary or affiliate of Verizon not subject to this catalog. Residential and small business customers currently subscribed to Company long distance service will no longer be able to move, add to, or change the service to which they are subscribed, except that customers may switch to a different Company service for which they are eligible if they wish, and customers of local/long distance integrated service may cancel local features on their service if they wish. All residential and small business end users will continue to be able to access the Company network and will be subject to this catalog on a non-presubscribed basis, e.g. collect calling, "dial around" services, or where their local exchange carrier installs the Company as the long distance PIC without the customer directly signing up with the Company for any calling plan.

7. Payment Arrangements

.01 The customer is responsible for payment of all charges for services furnished to the customer or its joint or authorized users. Non-recurring charges are payable when the service for which they are specified have been performed. If an entity other than the Company (e.g., another carrier or a supplier) imposes charges on the Company, in addition to its own internal costs, in connection with a service for which a Company non-recurring charge is specified, those charges will be passed on to the customer. Recurring charges which are fixed in amount and not dependent on usage are billed in advance. Usage charges are billed after each usage cycle.

.02 A customer of MCI 800 Service is responsible for payment for all calls placed to or via the customer's 800 Service number(s). This responsibility is not changed by virtue of any use, misuse, or abuse of the customer's service or customer-provided systems, equipment, facilities or services interconnected to the customer's 800 Service, which use, misuse, or abuse may be occasioned by third parties, including, without limitation, the customer's employees and members of the public who dial the customer's 800 Service number by mistake.

.03 The Company's bills are payable upon receipt. If the Company becomes concerned at any time about the ability of a customer to pay its bills, the Company may require that customer to pay its bills within a specified number of days and to make such payments in cash or the equivalent of cash.

.04 If a customer does not give the Company written notice of a dispute with respect to the Company's charges within six (6) months from the date the invoice was rendered, such invoices shall be deemed to be correct and binding on the customer.

.05 When the state, any municipality, other political subdivision, local agency of government, or public utility commission imposes upon and collects from the Company a gross receipts tax, occupation tax, license tax, permit fee, franchise fee or assessment fee, such taxes and fees shall, insofar as practicable, be billed pro rata to the Company's customers receiving service within the territorial limits of the state municipality, other political subdivision, local agency of government, or public utility commission.

.06 Recovery of Collection Costs

.061 Non-Residential Service: If the Company incurs any fees or expenses, including attorney's fees, in collecting or attempting to collect, any charges owed the Company by a non-Residential service customer, the customer will be liable to the Company for the payment of all such fees and expenses reasonably incurred.

.062 Residential Service: If the Company hires a collection agency to collect, or attempt to collect, any charges owed the Company by a Residential service customer, the customer will be liable to the Company for an additional payment equal to 35 percent of the charges owed, where permitted by applicable law. If the company incurs any fees or expenses, including attorneys' fees, in collecting, or attempting to collect, any charges owed the Company other than

by hiring a collection agency, the customer will be liable to the Company for the payment of all such fees and expenses reasonably incurred.

.07 Late Fee Reintroduction [The effective date for Late Fee Reintroduction is February 1, 2003.]
For residential service customers, a late payment charge of 1.5% may be assessed on payments not received within 30 days from the invoice date, where capabilities exist. The late payment charge will be applied to the entire unpaid balance of the customer's monthly invoice including taxes. The late payment charge will not be applied to any disputed portion of the unpaid balance unless the dispute is resolved against the customer. The late payment charge of 1.5% is not applicable to subsequent rebilling of any amount to which a late payment charge has already been applied. Late charges are to be applied without discrimination.

8. Change In Service Arrangement
When a change in service arrangement involves the continued use by the customer of channels furnished by the Company, installation charges do not apply to the channels continued in use. The minimum service period for the channels continued in use is determined from the date of the initial acceptance thereof.

9. Restoration of Service
The use and restoration of service in emergencies shall be in accordance with Part 64, Subpart D of the Federal Communications Commission's Rules and Regulations, which specifies the priority system for such activities.

10. Inspection
The Company may, upon reasonable notice, make such tests and inspections as may be necessary to determine that he requirements of this catalog are being complied with in the installation, operation or maintenance of the customer or he Company's equipment. The Company may interrupt the service at any time, without penalty to the Company, because of departure from any of these requirements.

11. CANCELLATION FOR CAUSE BY THE COMPANY (See Section B.5 for Cancellation by Customer)

.01 The Company may discontinue the furnishing of service(s) to a customer, without incurring any liability:

.011 Immediately and without notice if the Company deems that such action is necessary to prevent or to protect against fraud or to otherwise protect its personnel, agents, facilities or services. The Company may discontinue service pursuant to this Sub-section B.11.011 if:

.0111 The customer refuses to furnish information to the Company regarding the customer's credit-worthiness, its past or current use of common carrier communications services or its planned use of service(s); or

.0112 The customer provides false information to the Company regarding the customer's identity, address, credit-worthiness, past or current use of common carrier communications services, or its planned use of the Company's service(s); or

.0113 The customer states that it will not comply with a request of the Company for security for the payment for service(s) in accordance with Section B.7.03 of the Company's Tariff F.C.C. No. 1; or

.0114 The customer has been given written notice by the Company of any past due amount (which remains unpaid in whole or in part) for any of the Company's other common carrier communications services to which the customer either subscribes or used; or

.0115 The customer accesses the Company's service by dialing 1010222, or any other Company carrier identification code and has had its account(s) canceled and has been removed from the Company's billing system and is being billed for its subsequent use of the Company's network by the local exchange carrier, and either refuses to pay when billed for the Company's service(s) or indicates to the Company or its billing entity that it will not pay for the Company's service(s) used by it.

.0116 The customer uses service to transmit a message, locate a person or otherwise give or obtain information without payment for the service; or

.0117 The customer uses, or attempts to use, service with the intent to avoid the payment, either in whole or in part, of the Cataloged charges for the service by:

.01171 Using or attempting to use service by rearranging, tampering with, or making connections to the Company's service not authorized by this catalog; or

.01172 Using tricks, schemes, false or invalid numbers, false credit devices, electronic devices; or

.01173 Any other fraudulent means or devices; or

.012 Immediately upon written notice to the customer of any sum thirty (30) days past due; or

.013 Immediately upon written notice to the customer, after failure of the customer to comply with a request by the Company for security for the payment of service in accordance with Section B.7.03 the Company's Tariff F.C.C. No. 1; or

.014 Thirty (30) days after sending the customer written notice of noncompliance with any other provision of this catalog if the noncompliance is not corrected within the thirty (30) day period.

The discontinuance of service(s) by the Company pursuant to this Section does not relieve the customer of any obligation to pay the Company for charges due and owing for service(s) furnished up the time of discontinuance.

12. TESTING AND ADJUSTING

Upon reasonable notice, the channels provided by the Company shall be made available to the Company for such tests and adjustments as may be necessary to maintain them in satisfactory condition; no interruption allowance will be granted for the time during which such tests and adjustments are made.

13. RESERVED FOR FUTURE USE

14. PROMOTIONAL OFFERINGS

The Company may engage, from time to time, in special promotional service offerings, special arrangements or demonstrations, designed to attract new customers, to stimulate customer usage and/or to increase existing customer awareness of the Company's services. These offerings will be limited to certain dates, times and locations determined by the Company. The specified rates, terms and/or conditions applicable to each promotional offering will be subject to approval by the Connecticut Department of Public Utility Control.

Effective February 23, 2006,: Small Business services offered under this Catalog that require concurrent enrollment in local exchange service provided under MCImetro Access Transmission Services LLC d/b/a Verizon Access Transmission Services will no longer be available to new customers residing in areas in which local exchange service is provided by any affiliate or subsidiary of Verizon not subject to : This does not apply to customers of this service who are eligible to subscribe to the Residential Affinity Savings Plan I or the Small Business Affinity Savings Plan I. This does not apply to customers of this service who are eligible to subscribe to the Small Business Affinity Savings Plan I. Additionally, Company services, to the extent they have been made unavailable to new and/or existing customers of those services as of that date, may continue to be offered and provided without revision to customers subscribing to those services via an agreement with an agent or other affinity of the Company (including, but not limited to, Quixtar, Inc.; and excluding Fionda, LLC, and Espirit de Corpe, Inc.), who has contracted with the Company to sell Company services to its members."

15. MCI WORLDCOM HOLIDAY DISCOUNTS

Connecticut intrastate usage customers may be eligible to receive MCI WorldCom holiday discounts, subject to the terms and conditions as outlined in the Company's F.C.C. Tariff No. 1.

16. CALL BLOCKING

Call Blocking: Without notice, the Company may block calls to or from certain countries, country codes, cities, city codes, NXX exchanges, individual telephone stations, groups or ranges of individual telephone stations or calls that use certain authorization codes, whenever the Company deems it necessary to take such action to prevent: (a) the unlawful use of service; (b) fraud; (c) nonpayment for service; (d) the use of service in violation of the requirements of this Catalog; or (e) Company network blockage or the

degradation of service furnished to the Customer or to other customers; or when actions taken by foreign governments or foreign telecommunications agencies, or responsive actions taken by the U. S. Government or any instrumentality thereof, render it impossible or impracticable to provide service. The Company will unblock as soon as it determines it can do so without undue risk, and it will, upon request by an affected Customer, assign new authorization codes to replace any that were deactivated. Whenever call blocking occurs on lines presubscribed to the Company, Customers or former Customers will be unable to make calls via any of the Company's CICs or those of its affiliates. At the request of a private payphone owner, the Company will arrange to block direct dial (i.e., completed without the assistance of an operator) calls made from a payphone to Puerto Rico and the U.S. Virgin Islands and to all international locations, except Canada. The Company may refuse to accept calling or credit card, collect calling and/or third number calls which it determines are or may be fraudulent, or it may limit the use of these billing options to or from certain countries or areas, including all or part of the United States, Puerto Rico, and the U.S. Virgin Islands.

17. Instate Access Recovery Fee

A monthly service charge that is applied to Customers subscribed to the Company for long distance services associated with a residential telephone line or billed to a residential account. This charge reflects costs incurred by the Company in providing in-state long distance service over Customer's local exchange provider's network. Customers will be exempt from this charge during any monthly period when company spending is less than $1.00.

Monthly recurring charge: $0.18

SECTION C - SERVICE DESCRIPTIONS AND RATES

1. GENERAL DESCRIPTION OF INTRASTATE TELECOMMUNICATION SERVICES

.01 Intrastate Telecommunication Services are offered to subscribers on a Metered Use [Effective March 2, 2011, for all residential customers of Metered Use Service, all Calling Card service and Toll Free / 800 service will no longer be available to new customers.] Basis.

.02 All service shall remain in effect for a minimum of thirty (30) days.

.03 A customer may provide his own dedicated facilities to access the Company's terminal where such dedicated facilities are required.

.04 THE COMPANY offers its services subject to the availability of the necessary facilities and/or equipment. The Company reserves the right to refuse to provide service to or from any location where the necessary facilities and/or equipment are not available (see Section B.2).

2. RESERVED FOR FUTURE USE

3. METERED USE SERVICE

.01 General Description

Metered Use Service offers the use of intrastate communications facilities shared among multiple users, and is provided on the basis of several separate service options. Depending on the option(s) chosen the customer may select the manner in which calls are originated and terminated, may obtain one-way or two-way service, may enjoy point-to-point or multipoint service, or may originate calls in multiple cities.

Under each service option, the individual customer's total monthly charges for their use of the intrastate communications facilities are based upon the total time the customer (account) utilizes such facilities. In that regard, individual intrastate facilities usage charges, as well as other specific charges, discounts and/or features are applicable to each individual service option. When a metered use service call is established in one time-of-day rate application period and ends in another, the rate in effect in each rate application period applies to the portion of the call occurring within that rate application period. A specific description of each of the Metered Use Services is contained in Sections C.3.02-C.3.23 following.

Service Cancellation Request Received From Local Exchange Carrier: If the Company cancels a Customer account or service at the request of the Local Exchange Carrier (LEC) serving the Customer, but the Customer nevertheless continues to complete calls over the Company's network by dialing 1+ or 1010222, then, for a period not to exceed thirty (30) days from the date the Company first received the service cancellation request, the following provisions shall apply:

Customers who had subscribed to small business service under this Catalog will be charged the rates set forth in Section C-3.02 for toll free service usage; and Section C-3-02 for direct dial operator assisted usage.

Customers who had subscribed to Metered Use Service Option U (Commercial Dial 1 Service), Metered Use Service Option R (MCI Preferred), Metered Use Service Option Z (MCI Flat Rate), Metered Use Service Option BB (Advanced Option I for Small Business), Metered Use Service Option CC (MCI Flat Rate Plus) or Metered Use Service Option EE (Advanced Option II for Small Business) will receive service under the terms and conditions, including rates and charges, set forth under the offering to which the customer subscribed at the time of cancellation under those services.

.05 Option R (MCI Preferred)

MCI Preferred is a one-way, outbound, multipoint service for single or multi-location customers using Dial "1", and/or an inbound service using 800 termination. Multiple outbound calling locations will be billed via a single invoice. If applicable, upon enrollment, the customer must designate each originating Dial "1" telephone number as either Service Type 1 [Service Type 1 refers to service provided at business location. Business locations are locations where service is used primarily or substantially for business purposes.] or Service Type 2 [Service Type 2 refers to service provided at residential location. Residential locations are locations where service is provided primarily for social or domestic purposes.], as described below. All Option R calls are subject to a full minute rounding after the initial first minute. By subscribing to this service, Customer understands that use of this service is restricted in the following manner: Customer may not resell the services in any manner, including but not limited to as a wholesaler or aggregator."

This catalog is being offered to Connecticut customers that have a requirement to make intrastate calls. Intrastate service is provided in conjunction with Interstate Preferred service as provided at the Company's website http://www.mci.com/service.

.051 Access Methods and Charges

Minimun Usage Charge: $20.00 per account.

.0511 Dial "1" Access
Dial "1" access can be used for Option R alone or in conjunction with calling card access and/or 800 access. There are two types of Dial "1" service: Service Type 1 and Service Type 2. Service Type 2 can only be used in conjunction with Service Type 1. The customer can pre-subscribe up to five (5) Service Type 2 locations for each Option R account.

A Service Type 1 location is defined as all lines associated with a single billing telephone number (BTN) as provided by the local exchange carrier.

At each Service Type 2 location, there can be a maximum of two (2) originating telephone numbers. However, there is no limit to the number of originating telephone numbers at a Service Type 1 location.

4. METHOD FOR CALCULATION FOR AIRLINE MILEAGE

.01 Method of Calculation

The airline mileage between two cities can be calculated using the Vertical (V) and Horizontal (H) Coordinates as obtained by reference to AT&T's Tariff F.C.C. No. 10 according to the following formula.

$$\sqrt{\frac{(V_1V_2)^2+(H_1H_2)^2}{10}}$$

Where V^1 and H^1 correspond to the V & H coordinates of City 1; and V^2 and H^2 correspond to the V & H coordinates of City 2.[1]

[1]Result will always be rounded to the next highest mile.
