

SPECIAL REVERSED CHARGE LONG DISTANCE SERVICE

A. GENERAL

Special Reversed Charge Long Distance Service is an arrangement whereby charges for long distance messages will be reversed to the called customer without specific request of the calling party.

B. TERMS AND CONDITIONS

1. Special Charge Reversed Long Distance Service is no longer offered. The associated rates and charges apply only to existing customers including such customer requests for additions, rearrangements, changes and moves.

Special Reversed Charge Long Distance Service may be contracted for only by customers to business individual line except branch exchange or Centrex service.

2. The customer may select one or more exchanges, or in the case of multizone exchanges, he may select one or more zones, as the area or areas from which he desires Special Reversed Charge Long Distance Service.
3. In each area selected a special telephone number designation will be assigned to each customer to this service. Calls for the special telephone number designation assigned in any area will be accepted only from telephones bearing the designation of a central office serving that exchange. Only station-to-station calls placed by calling the special designation are considered as coming within the scope of this service. The customer assumes all charges for calls completed.
4. The initial contract period for Special Reversed Charge Long Distance Service is three months for each zone of a Metropolitan Exchange Area or other exchange selected. The termination charge for Special Reversed Charge Long Distance Service is the charge for the unexpired portion of such three months' period.
