

TOLL FREE SERVICE*

(C)

A. GENERAL

Toll Free Service is the furnishing of facilities for dial type telecommunications from points throughout the service area to a Wide Area Telephone Service (WATS) line. Special access codes established to provide Toll Free Service are: 800, 888 and 877. The rates specified in this Product Guide are in payment for the service furnished between the calling and called station.

B. TERMS AND CONDITIONS

1. Toll Free Service is furnished upon condition that the customer obtain adequate service to permit the use of this service without injurious effect upon it or any other service rendered by the Company. The Company may terminate or refuse to furnish Toll Free Service to any customer, without incurring any liability, if the use of the service would interfere with or impair WATS or any other service rendered by the Company, provided that, in the case of a termination of service, at least five days have elapsed following written notification to the customer by mail or in person of the Company's intention to terminate the service for such cause.
2. Toll Free Service can be provided to a customer by the Company on a complementary basis with an interexchange carrier (IC) in order to furnish a statewide Toll Free Service. The rates and charges for the Toll Free number(s) and intraLATA usage are billed as specified herein. All interLATA usage is subject to the rates and charges as specified in the tariff of the Interexchange Carrier and the Access Service Tariff.
3. Toll Free Service is offered via Toll Free Dedicated Service, Toll Free Basic Service and Toll Free Standard Service which are provided at the rates and charges specified in C. following.
