Business Optional Calling Plan provides term and volume discounts to business customers on customer-dialed station-to-station local and Long Distance calls.

B. TERMS AND CONDITIONS

1. Explanation of Terms

Customer

A Customer is the ultimate end user of this Plan.

2. This Plan applies only to sent-paid, customer-dialed station-to-station local, intraLATA intrastate toll, and intraLATA interstate toll calls provided by Verizon Maryland.

4. If the customer terminates service any time before the two-year contract has expired, either at the Customer's written request or failure to meet the guaranteed average annual monthly minimum specified in the contract, or as a result of termination for cause by Verizon Maryland, the Customer agrees to pay immediately the applicable termination charges which shall be the sum of the actual discounts the Customer received during the term of the Agreement.

C. RATES
