

EXTENDED AREA CALLING*

A. DESCRIPTION

Extended Area Calling is a residence offering which permits a limited amount of measured time calling to a certain zone which is contiguous to the customer's local calling area.

B. TERMS AND CONDITIONS

1. Extended Area Calling is provided to Rate Group B customers with residence individual line service.
2. Extended Area Calling may only be provided on lines presubscribed to Verizon for their intraLATA toll calls.
3. Extended Area Calling may be combined with other toll plans, unless otherwise specified.
4. The rate for Extended Area Calling, as specified in C. following, contemplates measured time calling to the other dial tone lines in the customer's extended area, subject to the following:
 - (a) The Extended Area Calling rate applies to the first main line. The Extended Area Calling rates do not apply to other main lines associated with this service. The customer is permitted calling to all dial tone lines of the exchange area from all lines from the same exchange associated with the customer's service.
 - (b) Calls made to dial tone lines of the zone added to the exchange area for Extended Area Calling are not subject to usage charges for Message Rate or Measured Rate Service.
5. Extended Area Calling monthly rate includes a calling allowance of 60 minutes of measured time calling to the extended service portion of the customer's exchange area.
6. Calls made to dial tone lines of the zone added to the exchange area for Extended Area Calling must be dialed by the customer on a station-to-station sent-paid basis without the assistance of a Company operator, except for the purpose of reestablishing a call which has been interrupted after the called number has been reached.
7. Extended Area Calling is available for residential customers with service from the following Exchange Areas:

* Effective June 16, 2012, Extended Area Calling is grandfathered and no longer available to new customers. Moves, additions or changes to subscribers' existing service are not permitted. Existing customers may continue their service until their contract expires or their service is disconnected, whichever occurs first.
