

SCHOOL/PARENTS COMMUNICATION SERVICE

A. GENERAL

School/Parents Communication Service is an arrangement which uses automatic dialing equipment to dial preselected numbers, and upon the telephone connection being established, transmits a recorded message. This arrangement may also include, at additional charge, a voice mailbox at the school so that incoming messages to the school or recorded responses made during initial calls may be directed to an individual teacher.

B. TERMS AND CONDITIONS

Service will apply to schools, grades K-12, and applicable to lines dedicated exclusively for School/ Parents Communication Service.

School/Parents Communication Service consists of an individual line dial tone line and a School/ Parents Communication Service monthly usage package.

Each subscribing school shall be limited to two individual business lines for School/Parents Communication Service.

The use of the individual line with automatic dialers shall be restricted to making outgoing calls to the residences of students enrolled in the school. Each call should be short in duration and should average 1.25 minutes or less.

The principal of the school, as the official in charge of the school, must annually certify to the Company its compliance with these terms and conditions in order to qualify for the service to apply for the school year. Such certification must be received by no later than August 1 each year.

Through January 1, 1995, this service will be offered on a trial basis to schools subscribing to this application.
