B. MINIMUM PERIOD CHARGES

When service is disconnected prior to the expiration of the minimum period, charges are applicable for the balance of the minimum period. A disconnect constitutes facilities being returned to available inventory.

Except as specifically stated in other sections of this Product Guide, the Minimum Period Charge for monthly billed services will be determined as follows:

1. For Special Access facilities, IntelliLight® Services, and Optical Networking services, the charge for a month or fraction thereof is the applicable monthly rates for the service, except for Special Access DS3 High Capacity Service channel terminations, which are calculated using the rate band determined by the last count taken. When service is provided under a DS3 TPP, DS3 High Capacity TPP, Service Discount Plan, the discount percentage specified under the plan shall be applied to the applicable monthly rates. (D)

2. The Minimum Period Charge for part-time video (Basic, SCVS and DVTS) is the applicable daily rate for the service.

3. For Optical Networking Services, the charge for a month or fraction thereof is the applicable monthly rates for the service.

The Minimum Period Charge is in addition to all applicable nonrecurring charges for the service.
