

REMOTE CALL FORWARDING

A. GENERAL

Remote Call Forwarding is a telecommunications network service that utilizes a telephone number and electronic switching system central office facilities to automatically forward all incoming calls dialed to the Remote Call Forwarding telephone number to the terminating telephone number.

B. TERMS AND CONDITIONS

1. Remote Call Forwarding is offered subject to the availability of suitable facilities.
2. A Remote Call Forwarding arrangement includes the equipment necessary to forward one telephone call to a terminating telephone number.
3. Remote Call Forwarding calls may be connected in Private Branch Exchange (PBX) trunks, Centrex Service, WATS Toll Free Service and dial tone lines, excluding Pay Telephone Lines. A Centrex Service number may not be used as a Remote Call Forwarding originating number.
4. Remote Call Forwarding is provided on the condition that the customer subscribe to sufficient Remote Call Forwarding arrangements and terminating telephone numbers to adequately handle calls to the Remote Call Forwarding customer without interfering with or impairing any services offered by the Company. If in the opinion of the Company, additional Remote Call Forwarding arrangements or terminating telephone numbers are required the customer will be responsible for subscribing to such additional Remote Call Forwarding arrangements or terminating telephone numbers. In the event the customer refuses to subscribe to such additional Remote Call Forwarding arrangements or terminating telephone numbers, such customer's Remote Call Forwarding service shall be subject to termination.
5. Where additional terminating telephone numbers are requested by the customer or required by the Company for association with the same Remote Call Forwarding number, such additional terminating telephone numbers must be of the same class and grade of service, and on the same premises, as the first terminating telephone number.
6. Remote Call Forwarding is not represented as suitable for satisfactory transmission of data.
7. The Custom Calling Service call forwarding feature is not offered for use with a Remote Call Forwarding terminating station.
8. The Company will not provide identification of the originating telephone number to the Remote Call Forwarding customer.
