GTE CALLING SERVICES

A. CONDITIONS (Cont'd)

2. Availability

GTE calling services require special equipment in the central office and will be provided only where adequate and suitable facilities are available in the central office normally serving the area in which the customer is located. Central office will be equipped for such services at the discretion of the Telephone Company. GTE calling services is no longer available.

3. Transmission Limitations

The grade of transmission on Call Forwarding Services and Three-Way Calling Service may vary depending upon the distance, type of connection facilities and the routing necessary to complete the call. Therefore, the normal grade end-to-end transmission is not guaranteed.

B. SATISFACTION GUARANTEED

If at any time the customer notifies GTE that they are not satisfied one of their GTE calling services, they will receive a refund of one month's recurring charge, or portion thereof if the subscription is less than 30 days. This refund will be applied as a credit on the customer's bill. GTE will remove the service from the customer's account. Each customer will be entitled to the credit one time per service.
